You can also visit the Investors section of our website at [www.stepenergyservices.com/investors](http://www.stepenergyservices.com/investors) and go to “Upcoming Events and Meetings”.

To participate in the Q&A session, please call the conference call operator at: 1-800-717-1738 (toll free) 15 minutes prior to the call's start time and ask for “STEP Energy Services Second Quarter 2025 Earnings Results Conference Call”.

The conference call will be archived on STEP's website at [www.stepenergyservices.com/investors](http://www.stepenergyservices.com/investors).

### ABOUT STEP

STEP is an energy services company that provides coiled tubing, fluid and nitrogen pumping and hydraulic fracturing solutions. Our combination of modern equipment along with our commitment to safety and quality execution has differentiated STEP in plays where wells are deeper, have longer laterals and higher pressures. STEP has a high-performance, safety-focused culture and its experienced technical office and field professionals are committed to providing innovative, reliable and cost-effective solutions to its clients.

Founded in 2011 as a specialized deep capacity coiled tubing company, STEP has grown into a North American service provider delivering completion and stimulation services to exploration and production (“E&P”) companies in Canada and the U.S. Our Canadian services are focused in the Western Canadian Sedimentary Basin (“WCSB”), while in the U.S., our coiled tubing services are concentrated in the Permian and Eagle Ford in Texas, the Uinta-Piceance, and Niobrara-DJ basins in Colorado and the Bakken in North Dakota.

Our four core values - **Safety, Trust, Execution** and **Possibilities** - inspire our team of professionals to provide differentiated levels of service, with a goal of flawless execution and an unwavering focus on safety.
