*Strong insider and investor participation underscores long-term confidence
ahead of TSX Venture Exchange listing*

Toronto, Ontario – (Newsfile Corp. – November 5, 2025) – AIM6 Ventures Inc. (TSXV: AIMF.P) ("**AIM6**" or the "**Company**") and ElevateDesign Ventures Inc. ("**Elevate**") are pleased to announce the successful second and final closing of Elevate's upsized brokered private placement (the "**Private Placement**") of 1,150,000 subscription receipts (the "**Subscription Receipts**") at a price of \$1.00 per Subscription Receipt for gross proceeds of \$1,150,000. Together with the first tranche gross proceeds of \$7,938,000, the Private Placement has raised aggregate gross proceeds of \$9,088,000, well above the initial \$5,000,000 target.

Directors, officers, insiders and affiliated investors subscribed for approximately \$4,525,000 of the Private Placement.

The upsized Private Placement, led by Beacon Securities Limited and a syndicate of agents including Richardson Wealth Limited and Venum Financial Corp. (collectively, the "**Agents**"), reflects strong investor conviction for Elevate's strategy to build a national, integrated platform of essential facility services across Canada.

"This strong response – including significant insider participation – underscores the support for Elevate's strategy" said Paul Bissett, proposed Chief Executive Officer of the Resulting Issuer (as defined below). "We are building a scalable platform that brings together complementary service business with robust operating track records, reoccurring revenue, and strong profitability to deliver value, quality and efficiency for national clients."

The Private Placement was completed in connection with the proposed business combination (the "**Transaction**") between AIM6 and Elevate which will constitute AIM6's "Qualifying Transaction" under Policy 2.4 of the TSX Venture Exchange ("**TSXV**"). Upon completion of the Transaction, AIM6 will be renamed Elevate Service Group Inc. (the "**Resulting Issuer**") and is expected to trade on the TSXV under the ticker symbol "SERV" as a Tier 1 Industrial Issuer.

Upon completion of the Transaction, the Resulting Issuer will have approximately 32.6 million common shares outstanding, of which approximately 25 million (77%) will be subject to a one-year voluntary lock-up and/or escrow policies of the TSXV. This structure provides a stable, long-term shareholder base as Elevate transitions to the public markets.

"Our family office has made a significant investment alongside management and insiders, underscoring our conviction in Elevate's long-term strategy," said Romeo Di Battista Jr., proposed Chairman of the Resulting Issuer and CEO of Westmount Park Investments Inc. "We are deeply aligned with shareholders and focused on building a durable, cash-generating platform through disciplined acquisitions and operational excellence."

The Transaction is expected to be completed on or about November 10, 2025, paving the way for Elevate's public listing and next phase of national expansion.

In connection with the Private Placement, the Agents received a cash commission of \$38,000 (a portion of which has been escrowed pending the satisfaction or waiver of all conditions precedent to the Transaction and certain other ancillary conditions customary for transactions of this nature (collectively, the "**Release Conditions**"). The Agents also received 38,000 options (the "**Compensation Options**"), each of which entitles the holder to acquire one common share of Elevate at an exercise price of \$1.00 per share for two years following the satisfaction of the Release Conditions. Upon closing of the Transaction, the Compensation Options will be exchanged for options to purchase common shares of the Resulting Issuer having the same exercise price and expiry date as the Compensation Options.

Please refer to the press release dated October 9, 2025 for additional details on the Private Placement.
