

Lithium Argentina Publishes 2024 Sustainability Report

ZUG, Switzerland, May 07, 2025 -- Lithium Argentina AG. ("**Lithium Argentina**" or the "**Company**") (TSX: LAR) (NYSE: LAR) announces the release of its 2024 Sustainability Report, "*Lithium With Purpose*" (the "**Report**"). The Report highlights the Company's overall Environmental, Social and Governance ("**ESG**") progress from January 1 to December 31, 2024.

Some of the highlights included in the Report included the following ESG related achievements at Cauchari-Olaroz:

- Completion of an updated materiality assessment and a community survey which showed a 68% positive opinion from local communities
- 52% carbon emission reduction per tonne of lithium carbonate produced
- 67% water footprint reduction per tonne of lithium carbonate produced
- Receipt of three ISO certifications: ISO 45001 (Health and safety), ISO 9001 (Quality) and ISO 14001 (Environmental)
- Improved safety metrics in 2024 compared to 2023

The report can be found on our website at www.lithium-argentina.com

ABOUT LITHIUM ARGENTINA

Cauchari-Olaroz is a lithium carbonate operation located in Jujuy province, in the northwestern region of Argentina. The Company owns 44.8% of the operation through its ownership interest in Minera Exar, a company incorporated under the laws of Argentina.

The Company, in partnership with Ganfeng, operates the Cauchari-Olaroz lithium brine operation in Argentina and is advancing additional lithium resources in the region. Lithium Argentina currently trades on the TSX and on the NYSE under the ticker LAR.
