

December 22, 2021

The interim financial statements and MD&A of Spout AI Inc. (the “Corporation”) for the period ended August 31, 2021 (the “Statements”), which were filed earlier on November 1, 2021, were inadvertently filed without the necessary “Notice of No Auditor Review of Interim Condensed Consolidated Financial Statements” notice (the “Notice”).

Revised and corrected interim financial statements were filed on December 22, 2021. There were no other changes to the Statements other than the inclusion of the Notice.
