# Medical Facilities Corporation to Announce Fourth Quarter 2024 Financial Results on March 13, 2025

**TORONTO, Ontario, February 20, 2025** - Medical Facilities Corporation (TSX: DR) ("Medical Facilities" or "MFC") will release its fourth quarter and full-year 2024 financial results prior to market open on Thursday, March 13, 2025. MFC's year-end financial statements and its management's discussion and analysis for the three and twelve-month periods ended December 31, 2024 will be filed on SEDAR+ at [www.sedarplus.ca](http://www.sedarplus.ca) following the release, and will also be available on the same day on MFC's website at [www.medicalfacilitiescorp.ca](http://www.medicalfacilitiescorp.ca). Management will host an earnings conference call to review the financial results at 8:30 a.m. ET the same morning.

### Earnings Call Dial in Instructions

Interested parties may join the conference call by dialing 1-888-699-1199 approximately 15 minutes prior to the call to secure a line. You will be put on hold until the conference call begins. A question-and-answer session will follow management's prepared remarks, at which time the operator will provide instructions to qualified equity analysts for submitting questions. To join the call without operator assistance, you may register and enter your phone number at <https://emportal.ink/40YgaYi> to receive an instant automated call back.

### Webcast Registration

A live audio webcast of the call will be available at <https://app.webinar.net/qYWDyGdV4wa>. Please connect at least 15 minutes prior to the conference call to ensure adequate time for any software download that may be required to join the webcast. The webcast will be archived on MFC's website following the call date.

### About Medical Facilities Corporation

Medical Facilities, in partnership with physicians, owns a portfolio of highly rated, high-quality surgical facilities in the United States. Medical Facilities' ownership includes controlling interests in three specialty surgical hospitals located in Arkansas, Oklahoma, and South Dakota, and an ambulatory surgery center ("ASC") located in California. The specialty surgical hospitals perform scheduled surgical, imaging, diagnostic and other procedures, including primary and urgent care, and derive their revenue from the fees charged for the use of their facilities. The ASC specializes in outpatient surgical procedures, with patient stays of less than 24 hours.
