MANAGEMENT INFORMATION CIRCULAR

The information contained in this Management Information Circular, unless otherwise indicated, is as of November 12, 2024.

This Management Information Circular is being mailed by the management of SHINE MINERALS CORP. (the “Company” or “SMR”) to shareholders of record at the close of business on Tuesday, November 12, 2024, which is the date that has been fixed by the directors of the Company as the record date (the “Record Date”) to determine the shareholders who are entitled to receive notice of the meeting. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual General and Special meeting (the “**Meeting**”) of the shareholders that is to be held on **Thursday, December 19, 2024, at 9:30 AM (PST)** at Suite 750- 1620 Dickson Avenue, Kelowna BC V1Y 9Y2. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54- 101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* to distribute copies of proxy- related materials in connection with the Meeting by posting them on a website.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, ended June 30, 2024, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors.

SECTION 1 - VOTING

WHO CAN VOTE?

If you are a registered shareholder of the Company as at **November 12, 2024**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, TSX Trust Company ("TSX Trust"), Proxy Department, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, or by fax at 1-416-595-9593 or by mail to the 100 Adelaide St W #301, Toronto, ON M5H 4H1, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

What Is A Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing A Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting. For more information about these matters, see "*Section 3 - The Business of the Meeting*".

The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting. At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite 750 – 1620 Dickson Avenue, Kelowna, British Columbia, Canada V1Y 9Y2 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 9:30AM (PST) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by one of the following options:

- (a) complete, date and sign the enclosed form of Proxy and returning it to the Company’s transfer agent, TSX Trust Company (“**TMX Equity**”), Proxy Department, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, or by fax at 1-416-595-9593 or by mail to the 100 Adelaide St W #301, Toronto, ON M5H 4H1; or
- (b) use the internet through the website of the Company’s transfer agent at www.voteproxyonline.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder’s account number and the control number.

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered holders of Common Shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a holder (a “**Non- Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

Pursuant to NI 54-101 of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders. Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an

OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the

Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare as described under "**Voting By Proxy**" above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the "**Act**"), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

SECTION 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of Common Shares without par value. As at the close of business on the Record Date being November 12, 2024, **26,995,388** Common Shares were issued and outstanding. Each shareholder entitled to receive notice of and to vote at the Meeting is entitled to one vote for each Common Share registered in his or her name at the close of business on **November 12, 2024**.

Under the Company's Articles, the quorum for the transaction of business at a Meeting of shareholders is two or more persons, present in person or by proxy, holding not less than five percent (5%) of the voting shares of the Company entitled to be voted at the Meeting.

To the knowledge of the Company's directors and executive officers, there are no persons who, beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all the outstanding shares except for the person(s) noted below:

Shareholder Name	Number of Common Shares Held	Percentage of Issued Common Shares
Devinder Randhawa	3,874,824	14.35%

(1) The above information was supplied to the Company by the shareholder directly and from insider reports available at www.sedi.ca.

SECTION 3 - THE BUSINESS OF THE MEETING

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

1. FINANCIAL STATEMENTS

The audited financial statements of the Company for the financial year ended June 30, 2024, will be placed before you at the Meeting. They have been mailed to the shareholders who have requested they receive a copy of same together with the Notice of Meeting and this Information Circular. The audited financial statements are available at www.sedarplus.ca.

No approval or other action needs to be taken at the Meeting in respect of these documents.

Pursuant to National Instrument 51-102 *Continuous Disclosure Obligations* and National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, both of the Canadian Securities Administrators, a person or corporation who in the future wishes to receive annual and interim financial statements from the Company must deliver a written request for such material to the Company. Shareholders who wish to receive annual and interim financial statements are encouraged to complete the appropriate section on the Financial Statement Request Form attached to this Information Circular and send it to the Company.

Under the Company's Articles and pursuant to the *Business Corporations Act* (British Columbia), the number of directors may be set by ordinary resolution but shall not be fewer than three. The Company's management recommends that the shareholders vote in favour of the resolution setting the number of directors at four (4). Unless you give other instructions, the Management Proxyholders intend to vote FOR the resolution setting the number of directors at four (4).

Nominees for Election

Directors of the Company are elected for a term of one year. Each of the nominees has agreed to stand for election and management of the Company is not aware of any intention of any of them not to do so. Management does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or

No proposed nominee for election as a director of the Company is, or has been, within 10 years before the date of this Information Circular:

1. a director, chief executive officer or chief financial officer of any company (including the Company and any personal holding company of the proposed director) that, while that person was acting in that capacity:

- (a) was subject to a cease trade order (including any management cease trade order which applied to directors or executive officers of a company, whether or not the person is named in the order) or an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (an "**Order**"); or

The Company's management recommends that the shareholders vote in favour of the election of the proposed nominees as directors of the Company for the ensuing year. Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the nominees named in this Information Circular.

3. APPOINTMENT OF THE AUDITOR

At the Meeting, Shareholders will be asked to vote to re-appoint Davidson & Company, Chartered Professional Accountants, of Vancouver, British Columbia, as auditors of the Company until the next annual meeting of Shareholders and to authorize the Board to fix the remuneration. Davidson & Company, Chartered professional Accountants was first appointed as the independent auditors of the Company effective October 24, 2018.

Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the re- appointment of Davidson & Company, Chartered Professional Accountants, as the auditor until the close of its next annual general meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

4. APPROVAL OF STOCK OPTION PLAN

Under the policies of the TSX Venture Exchange (“**TSXV**”), a “rolling” stock option plan must be re-approved on a yearly basis by shareholders. Accordingly, the shareholders will be asked to pass an ordinary resolution approving the Company’s 10% rolling stock option plan (the “**Plan**”). The details of the Plan are set forth below. Management recommends, and the persons named in the enclosed form of proxy intend to vote in favour of, the re-approval of the Plan. The purpose of the Plan is to provide an incentive to employees, directors, officers, management companies and consultants who provide services to the Company, and to reduce the cash compensation the Company would otherwise have to pay. The Plan will also assist the Company in attracting, retaining and motivating employees, directors, officers, management companies and consultants.

The following summary of the Plan does not purport to be complete and is qualified in its entirety by reference to the Plan. Shareholders may also obtain copies of the Plan from the Company prior to the Meeting on written request.

Eligible Participants.

Options may be granted under the Plan to directors and senior officers of the Company or its subsidiaries, management company employees (collectively, the “**Directors**”), employees of the Company or its subsidiaries (collectively, the “**Employees**”) or consultants of the Company or its subsidiaries (collectively, the “**Consultants**”). The Board, in its discretion, determines which of the Directors, Employees or Consultants will be awarded options under the Plan.

Number of Shares Reserved.

The number of Common Shares which may be issued pursuant to options granted under the Plan may not exceed 10% of the issued and outstanding Common Shares at the date of granting of options.

Limitations.

Under the Plan, the aggregate number of options granted to any one person (including companies wholly- owned by that person) in a 12-month period must not exceed 5% of the issued and outstanding Common Shares of the Company, calculated on the date the option is granted. The aggregate number of options granted to any one Consultant in a 12-month period must not exceed 2% of the issued and outstanding Common Shares of the Company, calculated at the date the option is granted. The aggregate number of options granted to all persons retained to provide investor relations services to the Company (including those whose role and duties primarily consist of providing investor relations services) must not exceed 2% of the issued and outstanding Common Shares of the Company in any 12-month period, calculated at the date an option is granted to any such person.

Exercise Price.

The exercise price of options granted under the Plan is determined by the Board, provided that it is not less than the discounted market price, as that term is defined in the TSXV policy manual or such other minimum price as is permitted by the TSXV in accordance with the policies in effect at the time of the grant, or, if the Common Shares are no longer listed on the TSXV, then such other exchange or quotation system on which the Common Shares are listed or quoted for trading. The exercise price of stock options granted to insiders may not be decreased without disinterested Shareholder approval at the time of the proposed amendment.

Term of Options.

Subject to the termination and change of control provisions noted below, the term of any options granted under the Plan is determined by the Board and may not exceed ten (10) years from the date of grant.

Vesting.

All options granted pursuant to the Plan will be subject to such vesting requirements as may be prescribed by the TSXV, if applicable, or as may be imposed by the Board. Options issued to persons retained to provide Investor Relations Activities must vest in stages over 12 months with no more than one-quarter of the options vesting in any three-month period.

Shareholders will be asked at the Meeting to approve, with or without variation, the following ordinary resolution:

“BE IT RESOLVED THAT:

- a) the Company’s Stock Option Plan be approved, and that in connection therewith a maximum of 10% of the issued and outstanding Common Shares at the time of each grant be approved for granting as options; and
- b) any director or officer of the Company be authorized and directed to do all acts and things and to execute and deliver all documents required, as in the opinion of such director or officer may be necessary or appropriate in order to give effect to this resolution.”

A copy of the Plan is available on request from the Company. Or can be accessed on SEDAR+. Management of the Company believes the re-approval of the Plan as described above is in the best interests of the Company and recommends that shareholders vote in favour of the ordinary resolution re-approving the Plan.

Proxies received in favour of management will be voted in favour of the Plan Resolution unless the Shareholder has specified in the Proxy that his or her Shares are to be voted against such resolution. In the absence of instructions to the contrary, the persons named in the enclosed form of Proxy intend to vote the Shares represented thereby in favour of passing the Plan Resolution.

5. OTHER BUSINESS

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof. Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. Should any other matters properly come before the Meeting the Common Shares represented by the proxies solicited hereby will be voted on such matter in accordance with the best judgement of the persons voting by proxy.

GENERAL

The primary objectives of the Company's executive compensation program are to attract, motivate and retain highly trained, experienced and committed executive officers who have the necessary skills, education, experience and personal qualities required to manage the Company's business for the benefit of its shareholders, and to align their success with that of the shareholders.

Salaries or Consulting Fees: Future base executive compensation, in the form of salaries or consulting fees, will provide a fixed level of compensation for discharging the specific duties and responsibilities of the executive. The Board recognizes that the size of the Company may prohibit executive compensation from matching those of larger companies in the Company's industry. The Board also believes that long-term equity interests, in the form of options (described above), will compensate for lower base fees. This compensation strategy is similar to the strategies of many other companies similar in size to the Company.

Stock Based Compensation: Under the terms of both the Company's Stock Option Plan and Equity Incentive Plan, the Board or a committee of the Board may grant either incentive stock options or Awards to the Company's directors, officers, employees and consultants to purchase Shares. The purpose of these two plans are to provide direct long-term incentive to improve shareholder value over time. The level of grant is determined by reference to standards of practice within the junior mining industry and the individual's level of responsibility within the Company. The Company does not have a program or regular annual grant of options. When determining options or Awards to be allocated, a number of factors are considered, including the number of outstanding options and/or Awards held by an individual, the value of such options and/or Awards, and the total number of options and Awards available for granting.

When determining executive compensation, the Board will review the compensation policies of companies engaged in businesses similar to the Company's, however, the Company has not identified a specific peer group. Although the Company has not obtained any industry reports regarding compensation, at the appropriate time the Board will review publicly available information with respect to compensation paid to the executives of companies that are also engaged in the acquisition, exploration and development of oil and gas properties.

In setting the base compensation levels for individuals, consideration will be given to objective factors such as the level of responsibility, experience and expertise, as well as subjective factors such as leadership and contribution to corporate performance. Fees will be reviewed annually and adjustments may be made based upon corporate and personal performance, market conditions and the level of responsibility attributed to specific executives.

"Company" means Shine Minerals Corp.;

EQUITY INCENTIVE PLAN

ELIGIBILITY

The Equity Incentive Plan provides flexibility to the Company to grant equity-based incentive awards in the form of restricted share units (“**RSUS**”), performance share units (“**PSUS**”) and deferred share units (“**DSUS**”) (collectively, the “**Awards**”) to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries, excluding any persons who perform investor relations activities on behalf of the Company or any of its subsidiaries (collectively, the “**Equity Incentive Plan Participants**”).

NUMBER OF SHARES ISSUABLE

The aggregate number of common Shares in the capital of the Company that may be issued to Equity Incentive Plan Participants under the Equity Incentive Plan may not exceed **2,699,538** subject to adjustment as provided for in the Equity Incentive Plan and approved by disinterested shareholders at a duly called meeting.

LIMITS ON PARTICIPATION

The Equity Incentive Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the TSXV, unless disinterested shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the Exchange:

- (i) the maximum number of Shares that may be issued to any one Equity Incentive Plan Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly owned by the Equity Incentive Plan Participant) under the Equity Incentive Plan, together with any other security-based

compensation arrangements, within a twelve (12) month period, may not exceed 5% of the issued Shares calculated on the date of grant;

(ii) the maximum number of Shares that may be issued to insiders collectively under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 10% of the issued Shares calculated on the date of grant; and

(iii) the maximum number of Shares that may be issued to insiders collectively under the Equity Incentive Plan, together with any other security-based compensation arrangements, may not exceed 10% of the issued Shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Shares that may be granted to any one consultant under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 2% of the issued Shares calculated on the date of grant.

ADMINISTRATION

The plan administrator of the Equity Incentive Plan (the “**Equity Incentive Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Equity Incentive Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Awards under the Equity Incentive Plan; determine any vesting provisions or other restrictions on Awards; determine conditions under which Awards may be granted, vested or settled, including establishing performance goals; establish the form of Award agreement (“**Award Agreement**”); interpret the Equity Incentive Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Equity Incentive Plan.

Subject to any required regulatory or shareholder approvals, the Equity Incentive Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Equity Incentive Plan Participants, amend, modify, change, suspend or terminate the Awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the Equity Incentive Plan or any Award granted pursuant thereto may materially impair any rights of an Equity Incentive Plan Participant or materially increase any obligations of an Equity Incentive Plan Participant under the Equity Incentive Plan without the consent of such Equity Incentive Plan Participant, unless the Equity Incentive Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the Equity Incentive Plan.

All of the Awards are subject to the conditions, limitations, restrictions, vesting, settlement and forfeiture provisions determined by the Equity Incentive Plan Administrator, in its sole discretion, subject to such limitations provided in the Equity Incentive Plan and will be evidenced by an Award Agreement. In addition, subject to the limitations provided in the Equity Incentive Plan and in accordance with applicable law, the Equity Incentive Plan Administrator may accelerate the vesting or payment of Awards, cancel or modify outstanding Awards and waive any condition imposed with respect to Awards or Shares issued pursuant to Awards.

Subject to the terms and conditions of the Equity Incentive Plan, the Plan Administrator, may, in its discretion, credit outstanding Share Units and DSUs with dividend equivalents in the form of additional Share Units and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents credited to an Equity Incentive Plan Participant’s accounts shall vest in proportion to the Share Units and DSUs to which they relate, and shall be settled in accordance with terms of the Plan. Where the issuance of Shares pursuant to the settlement of dividend equivalents will result in the Company having insufficient Shares available for issuance or would result in the Company breaching its limits on grants of Awards, as set out above, the Company shall settle such dividend equivalents in cash.

SETTLEMENT OF VESTED SHARE UNITS

The Equity Incentive Plan provides for the grant of restricted share units (each, a “**RSU**”). A RSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof for each vested RSU. RSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, following a period of continuous employment of the Equity Incentive Plan Participant with the Company or a subsidiary of the Company.

The Equity Incentive Plan also provides for the grant of performance share units (each, a “**PSU**”, together with **RSUs**, the “**Share Units**”), which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested PSU. PSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, subject to the attainment of certain performance goals and satisfaction of such other conditions to vesting, if any, as many be determined by the Equity Incentive Plan Administrator.

Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company, no Share Unit shall vest prior to the first anniversary of its date of grant. Upon settlement of the Share Units, which shall be within sixty (60) days of the date that the applicable vesting criteria are met, deemed to have been met or waived, and in any event no later than three years following the end of the year in respect of which the Share Units are granted, holders of the Share Units will receive any, or a combination of, the following (as determined solely at the discretion of the Equity Incentive Plan Administrator):

- (i) one fully paid and non-assessable Share issued from treasury in respect of each vested Share Unit;
or
- (ii) a cash payment, which shall be determined by multiplying the number of Share Units redeemed for cash by the market value of a Share (calculated with reference to the five (5) day volume weighted average trading price, and subject to a minimum price as set out in the Equity Incentive Plan) (the “Market Price”) on the date of settlement.

The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a Share Unit settlement at any time up until payment is actually made. If a settlement date for an Share Unit occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the Share Unit shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

SETTLEMENT OF VESTED DSUS

The Equity Incentive Plan also provides for the grant of deferred share units (each, a “**DSU**”). A DSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested DSU on a future date following the Equity Incentive Plan Participant’s separation of services from the Company or its subsidiaries. Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company and as set out below, no DSU shall vest prior to the first anniversary of its date of grant. Upon settlement of the DSUs, which shall be no earlier than the date of the Equity Incentive Plan Participant’s termination of services to the Company or its subsidiaries and no later than one (1) year after such date, holders of DSUs will receive any or a combination of the following (as determined solely at the discretion of the Equity Incentive Plan Administrator):

- (i) one (1) fully paid and non-assessable Share issued from treasury in respect of each vested DSU; or
- (ii) a cash payment, determined by multiplying the number of DSUs redeemed for cash by the Market Price of a Share on the date of settlement.

In addition to grants made by the Equity Incentive Plan Administrator to all Equity Incentive Plan Participants, directors of the Company may elect, subject to acceptance by the Company, in whole or in part, of such election, to receive any portion of their director's fees to be payable in DSUs. The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a DSU settlement at any time up until payment is actually made. If a settlement date for a DSU occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the DSU shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

TERMINATION OF EMPLOYMENT OR SERVICES AND CHANGE IN CONTROL

The following describes the impact of certain events that may, unless otherwise determined by the Equity Incentive Plan Administrator or as set forth in an Award Agreement, lead to the early expiry of Awards granted under the Equity Incentive Plan. Any Awards granted to an Equity Incentive Plan Participant under the Equity Incentive Plan shall terminate at a date no later than twelve (12) months from the date such Equity Incentive Plan Participant ceases to be an Equity Incentive Plan Participant.

Termination by the Company for cause:	Forfeiture of all unvested Awards. The Plan Administrator may determine that all vested Awards shall be forfeited, failing which all vested Awards shall be settled in accordance with the Equity Incentive Plan.
Voluntary resignation of an Equity Incentive Plan Participant:	Forfeiture of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Termination by the Company other than for cause:	Acceleration of vesting of a portion of unvested Awards in accordance with a prescribed formula as set out in the Equity Incentive Plan. Forfeiture of the remaining unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Death or disability of an Equity Incentive Plan Participant:	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.
Termination or voluntary resignation for good reason within twelve (12) months of a change in control:	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company's assets, the Plan Administrator may, without the consent of the Equity Incentive Plan Participant, cause all or a portion of the Awards granted to terminate upon the occurrence of such event, subject to any necessary approvals.

AMENDMENT OR TERMINATION OF THE EQUITY INCENTIVE PLAN

Subject to the approval of the Exchange, where required, the Equity Plan Administrator may from time to time, without notice to or approval of the Equity Incentive Plan Participants or Shareholders, terminate the Equity Incentive Plan. Amendments made to the Equity Incentive Plan shall require regulatory and Shareholder approval,

except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the Equity Incentive Plan and which do not have the effect of altering the scope, nature and intent of such provisions.

Other Provisions

The Stock Option Plan contains provisions governing the acceleration of the vesting of options in the event of a change of control of the Company or in the event of a take-over proposal.

Oversight and description of director and named executive officer compensation

Compensation of Directors

All tasks related to developing and monitoring the Company's approach to the compensation of NEOs and directors are performed by the members of the Board. The compensation of NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Issuer are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions relating to their respective compensation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest caliber, and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has a short-term compensation component in place, which includes the accrual and/or payment of salaries and management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of Options under the Stock Option Plan. The Company intends to further develop these compensation components. The Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Issuer and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium-term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of its employees with the interests of the stockholders. Therefore, a significant portion of total compensation granted by the Issuer, being the grant of Options, is based upon overall corporate performance. The Company relies on Board discussion without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans currently in place or proposed at this time.

NI 52-110 provides that an individual is “financially literate” if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

In addition, each of the members of the Audit Committee have knowledge of the role of an audit committee in the realm of reporting companies from their years of experience as directors or officers of public companies other than the Company. See Section 6 - Corporate Governance – Directorships in Other Public Companies.

SECTION 6 - CORPORATE GOVERNANCE

GENERAL

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company’s systems of corporate governance with reference to National Policy 58-201 – *Corporate Governance Guidelines* (the “**Guidelines**”). Where a company’s corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company’s approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its Shareholders and contribute to effective and efficient decision making. National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company’s practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. NI 58-101 mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

All of the proposed nominees for election as a director at the 2024 Annual General Meeting are current directors of the Company. Form 58-101F1 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship that could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Three of the four current directors of the Company are independent. Messrs. Bannerman, Potts and Minhas are considered to be independent directors since they are independent of management and free from any material relationship with the Company. Mr. Devinder Randhawa is not considered to be "independent", within the meaning of NI 52-110, as a result of his current position as an officers or other material relationships with the Company.

The Board regularly reviews executive compensation and the grant of stock options.

To facilitate the directors of the Company functioning independent of management, where appropriate, during regularly scheduled meetings, non-independent directors and members of management are excluded from certain discussions.

MANDATE OF THE BOARD

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer’s business, and

ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

The following directors of the Company are also directors of other reporting issuers (or the equivalent) as set forth below:

DIRECTOR NAME	REPORTING ISSUER
Devinder Randhawa	F3 Uranium Corp. - TSXV Genesis AI Corp. - CSE Strathmore Plus Uranium Corp - TSXV
Jamie Bannerman	Genesis AI Corp. - CSE
Jordan Potts	Comet Lithium Corp. - TSXV Strathmore Plus Uranium Corp. – TSXV Genesis AI Corp - CSE

ORIENTATION AND CONTINUING EDUCATION

The Board has not adopted a formal policy on the orientation and continuing education of new and current directors. When a new director is appointed, the Board delegates individual directors the responsibility for providing an orientation and education program for any new director. This may be delivered through informal meetings between the new directors and the Board and senior management, complemented by presentations on the main areas of the Company's business. When required the Board may arrange for topical seminars to be provided to members of the Board or committees of the Board. Such seminars may be provided by one or more members of the Board and management or by external professionals.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "Election of Directors" for a description of the current principal occupations of the members of the Company's Board.

ETHICAL BUSINESS CONDUCT

Some of the directors of the Company also serve as directors and officers of other companies engaged in similar business activities. As such, the Board must comply with the conflict of interest provisions of the British Columbia *Business Corporations Act*, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote at meetings of directors which evoke any such conflict.

NOMINATION OF DIRECTORS

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the CEO. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed and discussed amongst the members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

COMPENSATION

The Company has not established a formal compensation committee. The Board of Directors reviews, as needed, compensation to directors and to officers with respect to industry comparables and with regards to the particular circumstances of the Company.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board currently has no standing committees other than the Audit Committee. The Audit Committee is appointed by the Board to assist in monitoring: (i) the integrity of the financial statements of the Company; (ii) the compliance by the Company with the legal and regulatory requirements; and (iii) the qualification, appointment, independence and performance of the Company's external auditors and senior financial executives.

ASSESSMENTS

The board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the board's current size facilitates informal discussion and evaluation of members' contributions within that framework.

SECTION 7 - OTHER INFORMATION

INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS

Since the beginning of the most recently completed financial year ended June 30, 2024, and as at the date of this Information Circular, no director, executive officer or employee or former director, executive officer or employee of the Company, nor any nominee for election as a director of the Company, nor any associate of any such person, was indebted to the Company for other than "routine indebtedness", as that term is defined by applicable securities legislation; nor was any indebtedness to another entity the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Company.
