## ***Latin Metals Appoints Vice President Investor Relations***

NR25-05

April 2, 2025

Vancouver, B.C. – Latin Metals Inc. ("Latin Metals" or the "Company") - (TSXV: LMS) (OTCQB: LMSQF) is pleased to announce the appointment of Elyssia Patterson as Vice President, Investor Relations, effective immediately. Ms. Patterson originally joined Latin Metals in 2020, initially supporting digital communications and corporate outreach. Over the past four years, she has played a growing role in the company's investor strategy, leading efforts to expand capital markets engagement and enhance visibility across key North American, South American, and European investor audiences.

"Elyssia has become an integral part of the Latin Metals team," commented Keith Henderson, President & CEO. "Her contributions to our investor engagement and brand positioning have been significant, and this appointment reflects her commitment, leadership, and the value she brings to our corporate strategy."

In her new role, Ms. Patterson will continue to lead investor communications and stakeholder engagement as the Company advances its project portfolio through joint ventures and strategic partnerships.

"I'm proud to step into this role at such a pivotal time for Latin Metals," said Elyssia Patterson. "We have a strong portfolio in two of the most prolific mining jurisdictions in the world—Argentina and Peru—and we are actively advancing projects with tier-one partners. With increased market focus on gold, copper, and silver—commodities that are not only critical to the global economy but central to our exploration thesis—I believe Latin Metals is well-positioned for a transformative year. I'm excited to continue working alongside Keith and the exceptional technical team as we build on our proven prospect generator model."

### ***Upcoming Events***

Latin Metals is pleased to announce its participation in several upcoming industry conferences, providing a platform to connect with investors, industry leaders, and potential partners:

- **121 Mining Investment Conference** – London, May 12–13, 2025
- **Deutsche Goldmesse Spring 2025** – Frankfurt, May 16–17, 2025
- **The Mining Event** – Quebec City, June 3–5, 2025

These events offer valuable opportunities to share Latin Metals' exploration progress in Argentina and Peru, highlight the advantages of its low-dilution prospect generator model, and explore strategic investment and partnership opportunities across its gold, copper, and silver-focused portfolio.

***Incentive Stock Options***

The Company announces that it has granted 1,500,000 common share stock options (each, an "Option") to certain directors, officers, and consultants of the Company. The Options entitle the holder to purchase shares at a price of \$0.12 per share for a period of 36 months from the grant date. Including this issuance, the Company has now set Options representing 7.9% of the issued and outstanding stock.

***About Latin Metals***

Latin Metals Inc. is a copper, gold and silver exploration company operating in Peru and Argentina under a prospect generator model, minimizing risk and dilution while maximizing discovery potential. With 18 projects, the company secures option agreements with major mining companies to fund exploration. Current option holders include AngloGold Ashanti (Organullo Gold Project) and Moxico Resources (Esperanza & Huachi Copper-Gold Projects). This approach provides early-stage exposure to high-value mineral assets. Latin Metals is actively seeking new strategic partners to advance its portfolio.

***Cautionary Note Regarding Forward-Looking Statements***

*This news release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation, including the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, included herein including,*

without limitation, the anticipated content, commencement, timing and cost of exploration programs in respect of the Property and otherwise, anticipated exploration program results from exploration activities, and the Company's expectation that it will be able to enter into agreements to acquire interests in additional mineral properties, the discovery and delineation of mineral deposits/resources/reserves on the Properties, and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Often, but not always, forward looking information can be identified by words such as "pro forma", "plans", "expects", "may", "should", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates", "believes", "potential" or variations of such words including negative variations thereof, and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. In making the forward-looking statements in this news release, the Company has applied several material assumptions, including without limitation, market fundamentals will result in sustained precious and base metals demand and prices, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future development of the Company's Argentine projects in a timely manner, the availability of financing on suitable terms for the development, construction and continued operation of the Company projects, and the Company's ability to comply with environmental, health and safety laws.

Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information. Such risks and other factors include, among others, operating and technical difficulties in connection with mineral exploration and development and mine development activities at the Properties, including the geological mapping, prospecting and sampling programs being proposed for the Properties (the "Programs"), actual results of exploration activities, including the Programs, estimation or realization of mineral reserves and mineral resources, the timing and amount of estimated future production, costs of production, capital expenditures, the costs and timing of the development of new deposits, the availability of a sufficient supply of water and other materials, requirements for additional capital, future prices of precious metals and copper, changes in general economic conditions, changes in the financial markets and in the demand and market price for commodities, possible variations in ore grade or recovery rates, possible failures of plants, equipment or processes to operate as anticipated, accidents, labour disputes and other risks of the mining industry, delays or the inability of the Company to obtain any necessary permits, consents or authorizations required, any current or future property acquisitions, financing or other planned activities, changes in laws, regulations and policies affecting mining operations, hedging practices, currency fluctuations, title disputes or claims limitations on insurance coverage and the timing and possible outcome of pending litigation, environmental issues and liabilities, risks related to joint venture operations, and risks related to the integration of acquisitions, as well as those factors discussed under the heading as well as those factors discussed under the heading "Risk Factors" in the Company's annual management's discussion and analysis and other filings of the Company with the Canadian Securities Authorities, copies of which can be found under the Company's profile on the SEDAR+ website at [www.sedarplus.ca](http://www.sedarplus.ca).

Readers are cautioned not to place undue reliance on forward looking statements. Except as otherwise required by law, the Company undertakes no obligation to update any of the forward-looking information in this news release or incorporated by reference herein.
