

SAGA Metals Announces Non-Brokered Private Placement and Provides Corporate Update

NOT FOR DISTRIBUTION TO U.S. NEWS WIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES.

VANCOUVER, British Columbia, May 02, 2025 -- **SAGA Metals Corp. (the “Company” or “SAGA”) (TSXV: SAGA) (OTCQB: SAGMF) (FSE: 20H)**, a North American exploration company focused on critical mineral discovery in Canada, is pleased to announce that it intends to complete a financing by way of a non-brokered private placement for aggregate gross proceeds of C\$2,500,000 comprised of: (i) 2,500,000 flow-through common share units of the Company (the “**FT Units**”) at C\$0.30 per FT Unit for gross proceeds of C\$750,000, and, (ii) 7,000,000 hard dollar common share units of the Company (the “**HD Units**”, and together with the FT Units, the “**Securities**”) at C\$0.25 per HD Unit for gross proceeds of C\$1,750,000 (collectively, the “**Offering**”).

Financing Overview:

Each FT Unit consists of one flow-through common share (a “**FT Share**”) as defined in subsection 66(15) of the *Income Tax Act* (Canada) (the “**Tax Act**”), and one transferable common share purchase warrant (a “**Warrant**”). Each Warrant will entitle its holder to purchase one common share in the capital of the Company (a “**Warrant Share**”) at a price of C\$0.50 for 24 months from the closing date of the Offering (the “**Closing Date**”). The Warrants and the Warrant Shares underlying the FT Units will not qualify as “flow-through shares” under the Tax Act.

Each HD Unit consists of one common share (a “**HD Share**”) and one Warrant. Each Warrant will entitle its holder to purchase one Warrant Share at a price of C\$0.50 for 24 months from the Closing Date.

Each of the Warrants will be subject to the right of the Company to accelerate the expiry date of the Warrants to a date that is 30 days following dissemination of a news release announcing such acceleration if, at any time, after the Closing Date, the closing price of the Company’s common shares equals or exceeds C\$0.75 for a period of ten consecutive trading days on the TSX Venture Exchange.

All securities issued in connection with the Offering are subject to a hold period of four months and one day following the Closing Date pursuant to applicable securities laws. The Company may pay finder’s fees in connection with the Offering.

The gross proceeds from the FT Units will be used by the Company for “Canadian exploration expenses” that are “flow-through critical mineral mining expenditures” (as such terms are defined in the Tax Act) on the Company’s Labrador, Canada properties, including the Company’s flagship asset, the Double Mer Uranium Project. The net proceeds of the HD Units will be used by the Company for administrative and general working capital.

The securities of SAGA have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**U.S. Securities Act**”), or any state securities laws, and may not be offered or sold, within the United States, unless exemptions from the registration requirements of the U.S. Securities Act and applicable state securities laws are available.

No securities regulatory authority has reviewed or approved of the contents of this news release. This news release does not constitute an offer to sell or a solicitation of an offer to buy any securities of SAGA in any jurisdiction in which such offer, solicitation or sale would be unlawful.

Digital Marketing Services Agreement with Machai Capital Inc.

The Company further reports that it entered into a digital marketing services agreement dated May 1, 2025 (the “**Marketing Agreement**”) with Machai Capital Inc. (“**Machai**”). Pursuant to the Marketing Agreement, Machai will, among other things, provide the Company with certain marketing services to expand investor awareness of the Company’s business and to communicate with the investment community (the “**Machai Services**”). The Machai Services will be provided by Machai over a 60-day term. The Marketing Agreement may be terminated at any time by mutual consent of both parties.

The Machai Services will include, among other things: (i) branding, content and data optimization to assist the Company to create in-depth marketing campaigns, and (ii) tracking, organizing and executing the Machai Services through search engine optimization, search engine marketing, lead generation, digital marketing, social media marketing, email marketing, and brand marketing. In consideration of the Machai Services, and pursuant to the terms and conditions of the Marketing Agreement, the Company has agreed to pay Machai a fee of C\$200,000 (plus applicable taxes) over a 60-day term, which will be paid using the Company’s available working capital. This agreement may be terminated at any time, with mutual consent of both parties.

The Machai Services will be rendered primarily online through a variety of news and investment community communications channels. The terms and conditions of the Consulting Agreement remain subject to approval of the TSX Venture Exchange.

About SAGA Metals Corp.

SAGA Metals Corp. is a North American mining company focused on the exploration and discovery of critical minerals that support the global transition to green energy. The company’s flagship asset, the Double Mer Uranium Project, is located in Labrador, Canada, covering 25,600 hectares. This project features uranium radiometrics that highlight an 18km east-west trend, with a confirmed 14km section producing samples as high as 0.428% U₃O₈ and uranium uranophane was identified in several areas of highest radiometric response (2024 Double Mer Technical Report).

In addition to its uranium focus, SAGA owns the Legacy Lithium Property in Quebec’s Eeyou Istchee James Bay region. This project, developed in partnership with Rio Tinto, has been expanded through the acquisition of the Amirault Lithium Project. Together, these properties cover 65,849 hectares and share significant geological continuity with other major players in the area, including Rio Tinto, Winsome Resources, Azimut Exploration, and Loyal Lithium.

SAGA also holds additional exploration assets in Labrador, where the company is focused on the discovery of titanium, vanadium, and iron ore. With a portfolio that spans key minerals crucial to the green energy transition, SAGA is strategically positioned to play an essential role in the clean energy future.
