## **World Copper Closes Financing Provides ATM Quarterly Report**

FOR IMMEDIATE RELEASE...Vancouver, British Columbia: World Copper Ltd. ("**World Copper**" or the "**Company**"; TSXV: WCU, OTCQB: WCUFF, FSE:7LY0) reports that pursuant to their news release dated November 27, 2024, they have closed the non-brokered private placement (the "Placement"), issuing 2,837,500 units (the "Units") at a price of \$0.08 per Unit (the "Offering") for gross proceeds of \$227,000. Each Unit consists of one common share of the Company (a "Share") and one common share purchase warrant (a "Warrant"), entitling the holders to acquire one additional share of the Company for a period of three years from the date of issuance at a price of \$0.16 per share.

Finders' fees were paid to SPC Resource Finance LP (\$700.00 and 8,750 finder's warrants) and Canaccord Genuity Corp. (\$7,000 and 87,500 finder's warrants). Finder's warrants are non-transferable otherwise they have the same terms as the subscribers.

All securities issued in the Offering are subject to a four-month hold period expiring on June 15, 2025.

Closing of the Offering is subject to TSXV acceptance.

Net proceeds from the Offering will be used for general working capital and Zonia work programs.

This press release does not constitute an offer of sale of any of the foregoing securities in the United States. None of the foregoing securities have been and will not be registered under the U.S. Securities Act of 1933, as amended (the "1933 Act") or any applicable state securities laws and may not be offered or sold in the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the 1933 Act) or persons in the United States absent registration or an applicable exemption from such registration requirements. This press release does not constitute an offer to sell or the solicitation of an offer to buy nor will there be any sale of the foregoing securities in any jurisdiction in which such offer, solicitation or sale would be unlawful.

### **At-The-Market Quarterly Report**

The Company also reports that, in accordance with the policies of the TSX Venture Exchange, and further to the at-the-market ("ATM") offering of shares made pursuant to the Prospectus Supplement dated July 17, 2024, World Copper issued 20,664,000 common shares and raised gross proceeds of \$1,340,203 pursuant to ATM distributions during the period September 30, 2024 to December 31, 2024. Bank of Montreal ("BMO") received fees of \$40,206 during the period. **At-The-Market Quarterly Report**

## ABOUT WORLD COPPER LTD.

World Copper Ltd., headquartered in Vancouver, BC, is a Canadian resource company focused on the exploration and development of its copper porphyry projects: Escalones in Chile, and Zonia in Arizona. Two of these projects have estimated resources with significant soluble copper mineralization, and each has additional copper porphyry targets with exciting potential to expand the resource base.

Detailed information is available at World Copper's website at [www.worldcopperltd.com](http://www.worldcopperltd.com), and for general Company updates you may follow us on our social media pages via [Facebook](#), [Twitter](#) & [LinkedIn](#).

## Cautionary Note Regarding Forward-Looking Statements

*This news release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation, including the United States Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact, included herein including, without limitation, statements with respect to the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: "believes", "expects", "anticipates", "intends", "estimates", "plans", "may", "should", "would", "will", "potential", "scheduled" or variations of such words and phrases and similar expressions, which, by their nature, refer to future events or results that may, could, would, might or will occur or be taken or achieved. In making the forward-looking statements in this news release, the Company has applied*

*several material assumptions, including without limitation, that market fundamentals will result in sustained copper and precious metals demand and prices, the receipt of any necessary permits, licenses and regulatory approvals in connection with the future development of the Company's projects in a timely manner, the availability of financing on suitable terms for the development, construction and continued operation of the Company's projects and the Company's ability to comply with environmental, health and safety laws.*

*Forward-looking statements involve known and unknown risks, uncertainties and other factors which may cause the actual results, performance or achievements of the Company to differ materially from any future results, performance or achievements expressed or implied by the forward-looking information. Such risks and other factors include, among others, requirements for additional capital, actual results of exploration activities, including on the Escalones Project and the Cristal Project, the reasonability of the economic assumptions at the basis of the results of the PEA for the Zonia Project, the estimation or realization of mineral reserves and mineral resources, future prices of copper, changes in general economic conditions, changes in the financial markets and in the demand and market price for commodities, lack of investor interest in the Private Placement, accidents, labour disputes and other risks of the mining industry, delays in obtaining governmental approvals (including acceptance of the Private Placement by the TSXV), permits or financing or in the completion of development or construction activities, risks relating to epidemics or pandemics, including the impact of an epidemic or pandemic on the Company's business, financial condition and results of operations, changes in laws, regulations and policies affecting mining operations, title disputes, the timing and possible outcome of any pending litigation, environmental issues and liabilities, as well as the risk factors described in the Company's annual and quarterly management's discussion and analysis and in other filings made by the Company with Canadian securities regulatory authorities under the Company's profile at [www.sedar.com](http://www.sedar.com).*

*Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this news release or incorporated by reference herein, except as otherwise required by law.*
