## **Cautionary Statement Regarding Forward Looking Information**

This press release contains forward-looking information within the meaning of applicable securities laws. All statements that are not historical facts, including without limitation, statements regarding future estimates, plans, programs, forecasts, projections, objectives, assumptions, expectations or beliefs of future performance, statements regarding Rubicon Organics' goal of achieving industry leading profitability are "forward-looking statements". Forward-looking information can be identified by the use of words such as "will" or variations of such word or statements that certain actions, events or results "will" be taken, occur or be achieved. Such forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause actual results, events or developments to be materially different from any future results, events or developments expressed or implied by such forward looking statements. The forward-looking information in this press release is based on certain assumptions that management considers reasonable under the circumstances, including the Company's participation in the Planet MicroCap Showcase: VEGAS 2025 and ICBC Berlin B2B, the potential benefits of such event, the Company's financial performance, strategic expansion plans, market position, and future industry developments. These statements are based on current expectations, estimates, and projections about the Company's business and the industry in which it operates. Risks and uncertainties associated with the forward-looking information in this press release include, among others, risks related to regulatory approvals, changes in market conditions, competition, supply chain disruptions, the Company's ability to maintain certification standards, and the successful implementation of its business strategy. These factors should be considered

carefully, and readers are cautioned not to place undue reliance on such forward-looking statements. Although Rubicon Organics has attempted to identify important risk factors that could cause actual actions, events or results to differ materially from those described in forward-looking statements, there may be other risk factors that cause actions, events or results to differ from those anticipated, estimated or intended. There can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in forward-looking statements. Rubicon Organics assumes no obligation to update any forward-looking statement, even if new information becomes available as a result of future events, new information or for any other reason except as required by law.
