

# Fiera Capital Corporation Selected by Independent Advisor Solutions to manage Canadian High Conviction Equities strategy

MONTREAL, June 5, 2025 /CNW/ - Fiera Capital Corporation (TSX: FSZ) ("Fiera Capital" or "Fiera") is pleased to announce its selection by Independent Advisor Solutions Inc. (iAS), a subsidiary of Wellington-Altus Financial Inc., to manage its new MiBLOX strategy, Canadian High Conviction Equities.

Launching in June, the fund will provide Wellington-Altus advisors and their clients with access to Fiera's Canadian Equity strategy. The strategy is managed by the Fiera Canadian Large Cap Equities team, led by Nessim Mansoor, Head of Canadian Large Cap Equities, and is built around a disciplined selection of high-quality Canadian companies with strong fundamentals and consistent earnings performance. The fund will also be added to select Wellington-Altus Platinum Private Portfolios.

"We are proud to collaborate with Independent Advisor Solutions to make this strategy available to a broader advisor audience," said Maxime Ménard, President and CEO, Fiera Canada and Global Private Wealth. "iAS continues to distinguish itself as a platform that values high-conviction, research-driven investment solutions. We're pleased to contribute one of our flagship strategies to support that vision."

"We identify, and align with, investment managers who are among the very best at what they do to deliver unique answers for advisors and their clients," said Jon Kilfoyle, President of Independent Advisor Solutions. "We are the first to provide access to Fiera's flagship Canadian equity strategy in a dedicated structure for the wealth channel and we believe it will continue to be a strong performing standalone investment, as well as an ideal complement to our existing solutions for portfolio construction purposes."

This partnership reflects Fiera Capital's ongoing commitment to expanding access to institutional-quality strategies through leading independent wealth channels.
