About Savaria Corporation

Savaria Corporation (savaria.com) is a global leader in the accessibility industry. It provides accessibility solutions for the physically challenged to increase their comfort, their mobility and their independence. Its product line is one of the most comprehensive on the market. Savaria designs, manufactures, distributes and installs accessibility equipment, such as stairlifts for straight and curved stairs, vertical and inclined wheelchair lifts and elevators for home and commercial use. It also manufactures and markets a comprehensive selection of pressure management products for the medical market, medical beds for the long-term care market, as well as an extensive line of medical equipment and solutions for the safe handling of patients, including ceiling lifts and slings. The Corporation operates a sales network of dealers worldwide and direct sales offices in North America, Europe (UK, The Netherlands, Switzerland, Italy, Germany, Poland and Czech Republic), Australia and China. Savaria employs approximately 2,400 people globally and its plants are located across Canada, the United States, Mexico, Europe and China.
