Any such interest not so punctually paid or duly provided for, and interest on such Default Interest, at the interest rate borne by the Debentures, to the extent lawful, shall forthwith cease to be payable to the Holder on such Regular Record Date, and may be paid to the Person in whose name this Debenture (or one or more Predecessor Securities) is registered at the close of business on a Special Record Date for the payment of such Default Interest to be fixed by the Trustee, notice whereof shall be given to Holders of Debentures not less than 10 days prior to such Special Record Date, or may be paid at any time in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Debentures may be listed, and upon such notice as may be required by such exchange, all as more fully provided in said Indenture.

Payment of the principal of (and premium, if any) and interest on this Debenture will be made at the office or agency of the Company maintained for that purpose in the City of Toronto (which initially shall be the Corporate Trust Office of the Trustee), and if the Company shall designate and maintain an additional office or agency for such purpose, also at such additional office or agency, in Canadian dollars; *provided, however*, that payment of interest may be made at the option of the Company by check mailed to the address of the Person entitled thereto as such address shall appear on the Security Register; *provided, further*, that all payments of the principal of (and premium, if any) and interest on Debentures, the Holders of which have given wire transfer instructions to the Company or the Paying Agent at least 10 Business Days prior to the applicable payment date and hold at least Cdn\$1,000,000 in principal amount of Debentures, will be required to be made by wire transfer of immediately available funds to the accounts specified by such Holders in such instructions. Any such wire transfer instructions received by the Company or the Paying Agent shall remain in effect until revoked by such Holder. Notwithstanding the foregoing, the final payment of principal shall be payable only upon surrender of this Debenture to the Paying Agent.

For any interim period, interest on this Debenture shall be computed on the basis of a 365-day year, based on the number of days elapsed in the period.

Reference is hereby made to the further provisions of this Debenture set forth on the reverse hereof, which further provisions shall for all purposes have the same effect as if set forth at this place.

Unless the certificate of authentication hereon has been duly executed by the Trustee referred to on the reverse hereof by manual signature, this Debenture shall not be entitled to any benefit under the Indenture, or be valid or obligatory for any purpose.

2.3 Form of Reverse of Debenture

This Debenture is one of a duly authorized issue of securities of the Company designated as its 2.016% Debentures due 2031 (herein called the “**Debentures**”), which may be issued under an indenture (as the same may from time to time be supplemented or amended (other than by a Series Supplement), herein called the “**Base Indenture**”) dated as of September 30, 2013 between the Company and Computershare Trust Company of Canada, as trustee (herein called the “**Trustee**”, which term includes any successor trustee thereunder), as supplemented and amended by the Sixth Supplemental Indenture dated as of February 12, 2021 among the Company and the Trustee (herein called the “**Supplemental Indenture**” and, together with the Base Indenture, the “**Indenture**”), to which the Indenture reference is hereby made for a statement of the respective rights, limitations of rights, duties, obligations and immunities thereunder of the Company, the Trustee and the Holders of the Debentures, and of the terms upon which the Debentures are, and are to be, authenticated and delivered.

On or before each Interest Payment Date, the Company shall deliver or cause to be delivered to the Trustee or the Paying Agent an amount in Canadian dollars sufficient to pay the amount due on such payment date.

The Debentures will be subject to redemption upon not less than 10 nor more than 60 days’ prior notice (except that redemption notices may be delivered with more than 60 days’ prior notice if the notice is issued in connection with a defeasance of the Debentures) by first-class mail or by electronic transmission at the address of the Holders appearing in the security register or otherwise in accordance with the procedures of the Depository, at any time, as a whole or in part, in amounts of Cdn\$1,000 or any integral multiple thereof, at the option of the Company, at a Redemption Price equal to: (a) at any time prior to November 12, 2030, the greater of: (i) 100% of the aggregate principal amount outstanding on the Debentures to be redeemed; and (ii) the Canada Yield Price; in each case together with accrued and unpaid interest to, but not including, the Redemption Date; and (b) on and after November 12, 2030, 100% of the aggregate principal amount outstanding on the Debentures to be redeemed together with accrued and unpaid interest thereon to, but not including, the Redemption Date.

At the Company’s discretion, any redemption may be subject to one or more conditions (including conditions relating to completion of an offering, issuance of indebtedness or other corporate transaction or event), and may be revoked by the Company if any or all such conditions are not satisfied. If such redemption is subject to the satisfaction of one or more conditions precedent, the related notice shall describe each such condition and state that such notice may be

rescinded in the event that any or all such conditions shall not have been satisfied or waived by the Redemption Date.

In the case of any redemption of Debentures, interest installments whose Stated Maturity is on or prior to the Redemption Date will be payable to the Holders of record of such Debentures, or one or more Predecessor Securities, at the close of business on the relevant Regular Record Date referred to on the face hereof. Debentures (or portions thereof), for whose redemption and payment provision is made in accordance with the Indenture, shall cease to bear interest from and after the Redemption Date. In the event of redemption of this Debenture in part only, a replacement Debenture or Debentures for the unredeemed portion hereof shall be issued in the name of the Holder hereof upon the cancellation hereof.

If an Event of Default shall occur and be continuing, the principal amount of all the Debentures may be declared due and payable in the manner and with the effect provided in the Indenture.

The Indenture contains provisions for defeasance at any time of the entire indebtedness of the Company on this Debenture and certain covenants and the related Defaults and Events of Default, upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Debenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders under the Indenture at any time by the Company and the Trustee with the approval of the Holders of not less than 66 $\frac{2}{3}$ % in aggregate principal amount of the Outstanding Debentures that are present (in person or by proxy) at a meeting of Holders. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Debentures at the time Outstanding, on behalf of the Holders of all the Debentures, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by or on behalf of the Holder of this Debenture shall be conclusive and binding upon such Holder and upon all future Holders of this Debenture and of any Debenture issued upon the registration of transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such consent or waiver is made upon this Debenture.

No reference herein to the Indenture and no provision of this Debenture or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of (and premium, if any) and interest on this Debenture at the times, place, and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Debenture is registrable on the Security Register, upon surrender of this Debenture for registration of transfer at the Corporate Trust Office of the Trustee or any other office or agency of the Company designated pursuant to the Indenture duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or its attorney duly authorized in writing, and thereupon one or more replacement Debentures of any authorized denomination or denominations, of a like

aggregate principal amount and containing identical terms and provisions, will be issued to the designated transferee or transferees.

The Debentures are issuable only in registered form without coupons in denominations of Cdn\$1,000 or any integral multiple thereof.

No service charge shall be made for any registration of transfer or exchange or redemption of Debentures, but the Company may require payment of a sum sufficient to pay all documentary, stamp or similar issue or transfer taxes or other governmental charges payable in connection with any registration of transfer or exchange.

Prior to the time of due presentment of this Debenture for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Debenture is registered as the owner hereof for all purposes except as otherwise provided, whether or not this Debenture be overdue, and neither the Company, the Trustee nor any agent shall be affected by notice to the contrary.

All terms used in this Debenture which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Additional Debentures ranking *pari passu* with the Securities issued on the date hereof may be created and issued under the Indenture from time to time by the Company without notice to or consent of the Holders, subject to the Company complying with any applicable provision of the Indenture. Any additional Debentures created and issued shall have the same terms and conditions as the Debentures initially issued, except for their date of issue, issue price and first Interest Payment Date, and shall be consolidated with and form a single Series with the Debentures initially issued.

The Debentures shall be direct, unsecured, unsubordinated obligations of the Company ranking *pari passu* with any other present or future unsecured, unsubordinated obligations of the Company.

The Debentures shall be denominated in, and all principal of, and interest and premium (if any) on, the Debentures shall be payable in Canadian dollars.

The Debentures may be redeemed at the option of the Company at the prices, at the times and on such other terms and conditions as are specified in the form of the Debenture in Article 2 hereof. The Debentures shall be subject to the covenants (and the related definitions) set forth in Articles 7 and 9 of the Indenture and, except as otherwise provided herein, to any other covenant in the Indenture, and to the defeasance and discharge provisions set forth in Article 3 thereof.

3.2 Denominations

The Debentures shall be issuable only in fully registered form without coupons and in denominations of Cdn\$1,000 or an integral multiple thereof.

For so long as any of the Debentures remain Outstanding, the Company shall maintain at least one rating from a Specified Rating Agency for the Debentures, provided that such rating is available on commercially reasonable terms.

4.2 Negative Pledge

The Company shall not, and shall not permit any Material Subsidiary to, directly or indirectly, create, assume, incur or permit to exist any Lien, other than Permitted Liens, on any asset now owned or hereafter acquired by the Company or any Material Subsidiary, or on any income or profits therefrom, or assign or convey any right to receive income therefrom to secure any Indebtedness for Borrowed Money, unless (i) the Debentures are secured on an equal and rateable basis with the obligations so secured until such time as such Indebtedness for Borrowed Money is no longer secured by a Lien, or (ii) if such Lien secures Indebtedness for Borrowed Money that is subordinate to the Debentures, any such Lien shall not be enforceable for so long as any Debentures remain outstanding.

4.3 Limitation on Indebtedness for Borrowed Money

The Company shall not permit any Material Subsidiary to, directly or indirectly, Incur any Indebtedness for Borrowed Money except Permitted Indebtedness.

4.4 Repurchase on Change of Control of Principal Subsidiary Triggering Event

If a Change of Control of Principal Subsidiary Triggering Event occurs, then, unless prior to the date on which such Change of Control of Principal Subsidiary Triggering Event occurs the Company has exercised its right to redeem all of the Debentures then Outstanding, the Company shall make a Change of Control of Principal Subsidiary Offer in accordance with Article 5 of this Supplemental Indenture.

4.5 Waiver of Certain Covenants

Pursuant to Section 9.7 of the Indenture and subject to Section 8.2 of the Indenture, the Company may omit in any particular instance to comply with any covenant or condition in the Indenture and any covenant or condition of this Supplemental Indenture if, before or after the time for such compliance, the Holders of not less than 66 $\frac{2}{3}$ % of the principal amount of the Debentures at the time Outstanding shall, by requisition in writing, instruct the Trustee to waive such compliance in such instance with such covenant or condition, but no such waiver shall extend to or affect such covenant or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such covenant or condition shall remain in full force and effect. For greater certainty, the power of the Holders to waive compliance with any covenant or condition pursuant to this Section 4.5 is in addition to the powers of the Holders exercisable by Extraordinary Resolution pursuant to Article 8 of the Indenture.

To the extent that the provisions of any applicable securities laws and regulations conflict with the provisions herein relating to a Change of Control of Principal Subsidiary Triggering Event, the Company will be required to comply with such applicable securities laws and regulations and will not be deemed to have breached its obligations to repurchase the Debentures by virtue of such conflict.

Notwithstanding the foregoing, the Company shall not be obligated to make a Change of Control of Principal Subsidiary Offer upon a Change of Control of Principal Subsidiary Triggering Event if a third party makes such an offer substantially in the manner, at the times and in compliance with the requirements for a Change of Control of Principal Subsidiary Offer (and for at least the same

purchase price payable in cash) and such third party purchases all Debentures properly tendered and not withdrawn under its offer.

5.2 Effect of Change of Control of Principal Subsidiary Purchase Notice

Upon receipt by the Company of the Change of Control of Principal Subsidiary Purchase Notice specified in Section 5.1(b) hereof, the Holder of the Debenture in respect of which such Change of Control of Principal Subsidiary Purchase Notice was given shall (unless such Change of Control of Principal Subsidiary Purchase Notice is withdrawn as specified in the following two paragraphs of this Section) thereafter be entitled to receive solely the Change of Control of Principal Subsidiary Purchase Price with respect to such Debenture. A Change of Control of Principal Subsidiary Purchase Notice may be withdrawn before or after delivery by the Holder to the Paying Agent at the office of the Paying Agent of the Debenture to which such Change of Control of Principal Subsidiary Purchase Notice relates, by means of a written notice of withdrawal delivered by the Holder to the Paying Agent at the office of the Paying Agent or to the office or agency referred to in Section 9.4 of the Indenture to which the related Change of Control of Principal Subsidiary Purchase Notice was delivered at any time prior to the close of business on the Change of Control of Principal Subsidiary Payment Date specifying, as applicable:

- (a) the certificate number of the Debenture in respect of which such notice of withdrawal is being submitted,
- (b) the principal amount of the Debenture (which shall be Cdn\$1,000 or an integral multiple thereof) with respect to which such notice of withdrawal is being submitted, and
- (c) the principal amount, if any, of such Debenture (which shall be Cdn\$1,000 or an integral multiple thereof) that remains subject to the original Change of Control of Principal Subsidiary Purchase Notice and that has been or will be delivered for purchase by the Company.

The Paying Agent will promptly return to the respective Holders thereof any Debentures with respect to which a Change of Control of Principal Subsidiary Purchase Notice has been withdrawn in compliance with this Supplemental Indenture.

5.3 Deposit of Change of Control of Principal Subsidiary Purchase Price

No later than 11:00 a.m. (Toronto, Ontario time) on the Business Day following the Change of Control of Principal Subsidiary Payment Date the Company shall deposit or cause to be

5.4 Repayment to the Company

As provided in the Debentures, the Trustee and the Paying Agent shall return to the Company any cash that remains unclaimed, together with interest and dividends, if any, thereon (subject to the provisions of Section 5.7 of the Indenture), held by them for the payment of the Change of Control of Principal Subsidiary Purchase Price; provided, however, that, to the extent that the aggregate amount of cash deposited by the Company pursuant to Section 5.3 hereof exceeds the aggregate Change of Control of Principal Subsidiary Purchase Price of the Debentures or portions thereof to be purchased, then the Trustee shall hold such excess for the Company and promptly after the Business Day following the Change of Control of Principal Subsidiary Payment Date the Trustee shall upon demand return any such excess to the Company together with interest and dividends, if any, thereon (subject to the provisions of Section 5.7 of the Indenture).

IN WITNESS WHEREOF, the parties hereto have caused this Supplemental Indenture to be duly executed all as of the day and year first above written.
