

# Canadian Copper Receives Approval Milestone for Caribou Transaction and Appoints Vice President, Projects

Toronto, Ontario--(Newsfile Corp. - April 7, 2026) - Canadian Copper Inc. (CSE: CCI) ("Canadian Copper" or the "**Company**") announces it has received Lieutenant-Governor for the Province of New Brunswick approval for the Minister of Natural Resources to enter into a Limited Environmental Liability Agreement ("LELA" or "Approval Milestone") with the Company for the Caribou Complex ("Caribou"). Further, the Company also announces that Christian Brousseau, P. Eng., MBA, has been appointed as the Company Vice President of Projects.

Simon Quick, CEO of Canadian Copper stated, *"Receiving this Approval Milestone for the Caribou transaction is excellent news. Commensurate with nearing the transaction close, we are also pleased to announce Mr. Brousseau's appointment to Vice President, Projects, responsible for delivering the Murray Brook and Caribou integrated development project. The CCI team is growing, and I am really looking forward to learning from, and working with, Christian on building New Brunswick's next critical minerals mine. I think Christian brings the right technical expertise, temperament, and project delivery experience to achieve our Company production objectives."*

## Summary of Next Steps to Close Caribou Complex Transaction

With the LELA approval now received, the Company anticipates the following next steps to close the Caribou transaction:

1. The Company, as buyer, and FTI Consulting Canada Inc. ("FTI"), the court appointed Receiver of Trevali Mining New Brunswick Ltd., as seller, will finalize the Asset Purchase Agreement ("APA") as described in the Caribou Transaction Term Sheet [announced on October 28, 2024](#).
2. Following the completion of the APA, FTI will schedule a hearing to seek court approval of the APA and a vesting order for the Caribou Complex transaction.
3. Following court approval, customary exchange of closing documents between the Company, the Receiver, and the New Brunswick Government, is expected with Caribou title transfer expected to occur in Q2, 2026.

## Appointment of Christian Brousseau to Vice President of Projects

Mr. Brousseau is a seasoned mining project executive with 35 years of experience in engineering, construction, and project management for both greenfield and brownfield projects across precious and base metal development assets. Christian's project execution history includes some of Canada's largest mining projects such as Osisko Mining's Malartic project, Detour Gold's Detour Lake project, and Goldcorp's Elenore project. Mr. Brousseau spent eight years with Falconbridge in various capital projects including Raglan, Kidd Creek, and the Horne Smelter. Mr. Brousseau obtained his Engineering degree from École Polytechnique de Montréal, is a registered P. Eng. in Quebec and Ontario and holds an MBA from Université du Québec.

Mr. Brousseau was awarded 500,000 Stock Options in the Corporation exercisable at \$0.60 per Stock Option for up to five years from the date of grant. The stock options vest in equal installments of one-third per year, commencing on the first anniversary of the date of issuance.
