Sranan Gold announces upsize of non-brokered private placement

VANCOUVER, BC, CANADA – Sranan Gold Corp. (CSE: SRAN) (FSE & Tradegate: P84) (“Sranan” or the “Company”) announces that further to its news release dated May 30, 2025, Sranan has increased its Offering to up to 20,000,000 shares (the “Shares”) at a price of C\$0.40 per Share for proceeds of up to C\$8 million (the “Offering”). The net proceeds will be used for general working capital and the Company’s expanded drilling program of up to 10,000 meters at the Tapanahony Gold Project in Suriname.

All securities issued will be subject to a four-month and a day hold period from any closing date. Sranan may pay finder’s fees to arm’s length finders (each a “Finder”) on the Shares sold by such Finder. The Offering is subject to the approval of the Canadian Securities Exchange (“CSE”) and any finder’s fees payable will be issued in accordance with the policies of the CSE and applicable securities laws.

About Sranan Gold

Sranan Gold Corp. is engaged in the business of mineral exploration and the acquisition of mineral property assets in Suriname. The highly prospective Tapanahony Project is located in the heart of Suriname's modern-day gold rush. Tapanahony covers 29,000 hectares in one of the oldest and largest small-scale mining areas in Suriname. There is significant production from saprolite by local miners along a 4.5-kilometre trend, where several areas of mining have been opened.

Sranan Gold is also exploring its Aida Property consisting of five mineral claims covering an area of 2,335.42 hectares on the Shuswap Highland within the Kamloops Mining Division.

Forward-looking statements

Certain statements in this release constitute “forward-looking statements” or “forward-looking information” within the meaning of applicable securities laws including, without limitation, the timing, nature, scope and details regarding the Company’s exploration plans and results. Such statements and information involve known and unknown risks, uncertainties and other factors that may cause the actual results, performance or achievements of the Company, its projects, or industry results, to be materially different from any future results, performance or achievements expressed

or implied by such forward-looking statements or information. Such statements can be identified by the use of words such as “may”, “would”, “could”, “will”, “intend”, “expect”, “believe”, “plan”, “anticipate”, “estimate”, “scheduled”, “forecast”, “predict” and other similar terminology, or state that certain actions, events or results “may”, “could”, “would”, “might” or “will” be taken, occur or be achieved. These statements reflect the company’s current expectations regarding future events, performance and results and speak only as of the date of this release.

Forward-looking statements in this release but are not limited to, statements with respect to the expectations of management regarding the Offering, the expectations of management regarding the use of proceeds of the Offering, closing conditions for the Offering, and no objection from the CSE in respect of the Offering. These forward-looking statements are subject to a variety of risks and uncertainties and other factors that could cause actual events or results to differ materially from those projected in the forward-looking information. Risks that could change or prevent these statements from coming to fruition include the CSE objecting to the Offering; the proceeds of the Offering may not be used as stated in this release; Sranan may be unable to satisfy all of the conditions to the closing required by the CSE. Sranan does not undertake to update any forward-looking statements or information except as may be required by applicable securities laws.
