

Brookfield Corporation Announces Pricing of \$650 Million Notes Due 2036

BROOKFIELD, NEWS, August 13, 2025 (GLOBE NEWSWIRE) – Brookfield Corporation (“Brookfield”) (NYSE: BN, TSX: BN) today announced the pricing of a public offering of \$650 million principal amount of senior notes due 2036 (the “notes”), which will bear interest at a rate of 5.330% per annum. The offering is expected to close on August 20, 2025, subject to the satisfaction of customary closing conditions.

The notes will be issued by Brookfield Finance Inc., an indirect wholly-owned subsidiary of Brookfield, and will be fully and unconditionally guaranteed by Brookfield. It is expected that the net proceeds from the sale of the notes will be used for general corporate purposes.

The notes are being offered under Brookfield and the issuer’s existing base shelf prospectus filed in the United States and Canada and pursuant to an effective registration statement on Form F-10 on file with the U.S. Securities and Exchange Commission (File No. 333-279601). Copies of the prospectus supplement and accompanying base shelf prospectus may be obtained free of charge on EDGAR at www.sec.gov/edgar or on SEDAR+ at www.sedarplus.ca. Before you invest, you should read these documents and other public filings by Brookfield for more complete information about Brookfield and this offering.

Alternatively, copies can be obtained from the joint book-running managers and underwriters:

About Brookfield Corporation

Brookfield Corporation is a leading global investment firm focused on building long-term wealth for institutions and individuals around the world. We have three core businesses: Alternative Asset Management, Wealth Solutions, and our Operating Businesses which are in renewable power, infrastructure, business and industrial services, and real estate.

We have a track record of delivering 15%+ annualized returns to shareholders for over 30 years, supported by our unrivaled investment and operational experience. Our conservatively managed balance sheet, extensive operational experience, and global sourcing networks allow us to consistently access unique opportunities. At the center of our success is the Brookfield Ecosystem, which is based on the fundamental principle that each group within Brookfield benefits from being part of the broader organization. Brookfield Corporation is publicly traded in New York and Toronto (NYSE: BN, TSX: BN).

Forward-Looking Statements

This news release contains “forward-looking information” within the meaning of Canadian provincial securities laws and “forward-looking statements” within the meaning of the U.S. Securities Act of 1933, the U.S. Securities Exchange Act of 1934, “safe harbor” provisions of the United States Private Securities Litigation Reform Act of 1995 and in any applicable Canadian securities regulations (collectively, “forward-looking statements”). Forward-looking statements include statements that are predictive in nature, depend upon or refer to future results, events or conditions, and include, but are not limited to, statements which reflect management’s current estimates, beliefs and assumptions and which in turn are based on our experience and perception of historical trends, current conditions and expected future developments, as well as other factors management believes are appropriate in the circumstances. The estimates, beliefs and assumptions of Brookfield are inherently subject to significant business, economic, competitive and other uncertainties and contingencies regarding future events and as such, are subject to change. Forward-looking statements are typically identified by words such as “expect”, “anticipate”, “believe”, “foresee”, “could”, “estimate”, “goal”, “intend”, “plan”, “seek”, “strive”, “will”, “may” and “should” and similar expressions. In particular, the forward-looking statements contained in this news release include statements referring to the offering, the expected use of proceeds from the offering and the expected closing date of the offering.

Although Brookfield believes that such forward-looking statements are based upon reasonable estimates, beliefs and assumptions, certain factors, risks and uncertainties, which are described from time to time in our documents filed with the securities regulators in Canada and the United States, not presently known to Brookfield, or that Brookfield currently believes are not material, could cause actual results to differ materially from those contemplated or implied by forward-looking statements.

Readers are urged to consider these risks, as well as other uncertainties, factors and assumptions carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such forward-looking statements, which are based only on information available to us as of the date of this news release. Except as required by law, Brookfield undertakes no obligation to publicly update or revise any forward-looking statements, whether written or oral, that may be as a result of new information, future events or otherwise.
