

## NEWS RELEASE

### Metasphere Labs Announces Upcoming Special Meeting

**Vancouver, British Columbia – June 17, 2025 / The Newswire/ – Metasphere Labs Inc.** (“Metasphere” or the “Company”) (CSE: [LABZ](#)) (OTC: [LABZF](#)) (FRA: [H1N](#)), announces that it will hold its special meeting (the “SM”) on July 21, 2025.

At the SM, the Company intends to seek shareholder approval for a proposed share consolidation of its issued and outstanding common shares (the “**Common Shares**”) on the basis of four (4) pre-consolidation Common Shares for one (1) post-consolidation Common Share (the “**Consolidation**”). No fractional shares will be issued, and any resulting fraction will be rounded to the nearest whole number. The Company's CUSIP and ISIN numbers will change upon completion of the Consolidation.

If the Consolidation is approved by shareholders, the effective date of the Consolidation will be announced by news release if and when the board of directors considers it to be in the best interests of the Company to proceed with the Consolidation.

The Consolidation will also be subject to acceptance by the Canadian Securities Exchange. Notwithstanding shareholder approval, the Board of Directors reserves the right to revoke the resolutions approving the Consolidation at any time prior to implementation if deemed in the best interest of the Company.

Shareholders of record on June 5, 2025 will be entitled to vote at the SM and will receive the Company's management's information circular and related proxy materials, all of which will also be available under the Company's profile at [www.sedarplus.ca](http://www.sedarplus.ca) in due course.

## Forward-Looking Information

*This news release contains "forward-looking statements." Statements in this news release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans, expectations, or intentions regarding the future. Forward-looking information in this release includes, but is not limited to, statements regarding the proposed share consolidation (the "Consolidation"), the anticipated approval by shareholders, the potential implementation of the Consolidation, the timing of its effectiveness, the development of the carbon credit protocol initiative, other open metaverse and blockchain projects, and the development of virtual world projects.*

*Forward-looking information is based on management's expectations, estimates, and projections as of the date of this release and is subject to risks and uncertainties, many of which are beyond the Company's control. These risks and uncertainties include, but are not limited to: the risk that shareholder approval for the Consolidation may not be obtained; the possibility that the Company may decide not to proceed with the Consolidation even if approved; fluctuations in the Company's share price and liquidity following the Consolidation; regulatory approvals and compliance risks; general economic, market, and business conditions, the continued growth and adoption of NFT, metaverse and blockchain offerings; the cost of developing and designing NFTs and metaverses is economically viable; the Company being able to attract and retain a sufficient workforce with desired skillsets to develop the Company's digital offerings; the availability of offerings provided by third-parties in the NFT, metaverse development and online gaming market to identify potential transactions; the increasing adoption of NFTs as a solution for various online gaming, entertainment and collectible uses; the Company having the ability to mitigate the risks associated with the blockchain and NFT industry; and the ability to compete with other businesses in the NFT, metaverse development, content creation and collectibles market.*

*Although management considers these assumptions to be reasonable based on information currently available to it, they may prove to be incorrect. These forward-looking statements are only predictions and involve known and unknown risks, uncertainties and other factors, including: the risk that the Company's offerings are not accepted by the consumer, the risk that other competitors may offer similar digital offerings; the risk that there may be negative changes in general economic and business conditions; the risk that the Company may have negative operating cash flow and not enough capital to complete the development of any of its technologies; the risk that the Company may not be able to obtain additional financing as necessary; the risk that there may be increases in capital and operating costs; the risk that the NFT technology may be subject to fraud and other failures; the risk that there may be technological changes and developments in the blockchain that make the NFT solutions obsolete; risks relating to regulatory changes or actions which may impede the development or operation of the blockchain solutions; the risk that other competitors may release similar blockchain offerings; the potential future unviability of the NFT market in general; the volatile cost of the amount of computational effort required to execute specific operations on the blockchain, and other general risks involved in the blockchain solutions.*

*Risks and uncertainties about the Company's business are more fully discussed in the Company's disclosure materials, including its reports filed with the Canadian securities regulators and which can be obtained from [www.sedarplus.ca](http://www.sedarplus.ca).*

*Any of these risks may cause the Company's actual results, levels of activity, performance or achievements to be materially different from any future results, levels of activity, performance or achievements expressed or implied by these forward-looking statements. Further, although the Company has attempted to identify factors that could cause actual results, levels of activity, performance or achievements to differ materially from those described in forward-looking statements, there may be other factors that cause results, levels of activity, performance or achievements not to be as anticipated, estimated or intended. These forward- looking statements are made as of the date of this news release, and the Company assumes no obligation to update the forward-looking statements, or to update the reasons why actual results could differ from those projected in the forward-looking statements, except as required by applicable law, including the securities laws of the United States and Canada. Although the Company believes that any beliefs, plans, expectations and intentions contained in this news release are reasonable, there can be no assurance that any such beliefs, plans, expectations or intentions will prove to be accurate. The Company does not assume any liability for disclosure relating to any other company mentioned herein.*
