

## **CANCAMBRIA ENERGY CORP. ENGAGES EUROSWEISS EQUITY GROUP**

**Vancouver, BC – May 14, 2025** – CanCambria Energy Corp. (TSXV: CCEC) (FSE: 4JH) (“CanCambria” or the “Company”) is pleased to announce that it has entered into an agreement with EuroSwiss Capital Partners (“EuroSwiss”) of Switzerland pursuant to which EuroSwiss will assist the Company with business development, financial consulting, media awareness and provide key introductions to the European investment community.

Under the agreement, CanCambria will pay EuroSwiss a fee of CAD \$60,000 up front for an initial six-month period. After the initial 6-month-period the agreement can be renewed and extended if both parties agree, and subject to the prior approval of the Exchange.

Euroswiss is a reputable investor relations firm headquartered in Lucerne, Switzerland and offers a unique investor relations program tailored to the specific requirements of junior mining companies. Their focus is on garnering support from high-net-worth individuals, family offices, institutional investors, and retail investors as well as introduction to possible off-takers. Euroswiss currently holds 270,000 shares in the capital of the Company. The consulting agreement with Euroswiss was negotiated through arm's length negotiations.

The agreement is subject to approval by the TSX Venture Exchange.

### **About CanCambria Energy Corp.**

CanCambria Energy Corp. is a Canadian-based exploration and production company specializing in tight gas development. With a globally experienced leadership team, CanCambria focuses on high-quality, de-risked projects with direct access to profitable markets. Leveraging industries' most advanced technologies they aim to commercialize their flagship asset, the 100% owned Kiskunhalas Project in southern Hungary, a significant gas-condensate resource in the heart of Europe.

### **CAUTIONARY NOTE ON FORWARD-LOOKING STATEMENTS**

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.

Certain information other than statements of historical facts contained in this news release constitutes “forward-looking information” or “forward-looking statements” (collectively, “forward-looking information”). Without limiting the foregoing, such forward-looking information includes statements regarding the Company’s business plans, expectations, capital costs and objectives. In this news release, words such as “may”, “would”, “could”, “will”, “likely”, “believe”, “expect”, “anticipate”, “intend”, “plan”, “estimate” and similar

words and the negative form thereof are used to identify forward-looking information. Forward-looking information should not be read as guarantees of future performance or results, and will not necessarily be accurate indications of whether, or the times at or by which, such future performance will be achieved. Forward-looking information is based on information available at the time and/or the Company management's good faith belief with respect to future events and is subject to known or unknown risks, uncertainties, assumptions and other unpredictable factors, many of which are beyond the Company's control. The forward-looking information set forth herein reflects the Company's expectations as at the date of this news release and is subject to change after such date. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise, other than as required by law.
