

## **E VENTURES INC. ANNOUNCES CORRECTIVE DISCLOSURE REGARDING ADOPTION OF SEMI-ANNUAL REPORTING**

Toronto, Ontario--(Newsfile Corp. - May 5, 2025) - **E Ventures Inc.** ("**E Ventures**" or the "**Company**") is issuing this news release to correct disclosure previously provided in its News Release dated April 30, 2026 (the "**Original Disclosure**").

### **Description of Correction**

The Original Disclosure stated that the Company meets the eligibility criteria under Coordinated Blanket Order 51-933 Exemptions to Permit Semi-Annual Reporting for Certain Venture Issuers ("**SAR**"), specifically, the Company would like to clarify the following:

**Previous Statement:** "The Company confirms it meets the pilot program's eligibility criteria, which include being a venture issuer with annual revenues of less than \$10 million in its most recently completed financial year and maintaining a clean 12-month continuous disclosure record with no outstanding material defaults under securities legislation."

**Corrected Statement:** "The Company does not meet the eligibility criteria under the SAR program as it is not listed on the CSE or the TSX-V exchanges. Accordingly, the Company's adoption of the SAR program is hereby withdrawn, and the Company will revert to its quarterly financial reporting obligations."

At the request of staff of the **Ontario Securities Commission** in connection with a staff review, the Company has identified that it does not satisfy the exchange-listing eligibility requirement under the SAR program.

The Company will resume filing unaudited interim financial statements and the related MD&A for the three-month period ending March 31, 2026 and all subsequent quarterly periods, in accordance with National Instrument 51-102 - Continuous Disclosure Obligations.
