

WPC Resources to Be Rebranded as Blue Star Gold Corp.

Vancouver, British Columbia--(Newsfile Corp. - January 16, 2019) - WPC Resources Inc. (TSXV: WPQ) ("WPC") is pleased to announce that effective January 18, 2019, the Company will change its name to Blue Star Gold Corp. ("Blue Star" or the "Company"). The new name of the Company was taken from the official flag of Nunavut. The flag's blue and gold colours are meant to symbolize the riches of the land, sea and sky. The blue star on the flag is Niqirtsuituq, the North Star that is the historical navigation guide and is symbolic of the leadership of the elders in the community.

The Company is undertaking its name change to reflect its other announced major changes to its Management team and to the Board of Directors (see news releases dated October 4, 2018 and December 18, 2018, respectively). In addition, the new name should better represent the Company's dedication and focus on Canada's north with its potential for significant, world-class gold and silver deposits.

Blue Star will be listed on the TSX Venture Exchange with the trading symbol: BAU. There will be no change to the number of shares issued and outstanding.

Stephen Wilkinson, CEO and President commented, "The Company under its new name, Blue Star, has a much clearer focus. Our Board and Management team are fully committed to expansion of the measured and indicated resources of the Ulu property. At the same time, we plan to explore and drill the several high-grade gold occurrences within both the Ulu property and the Hood River Concessions."
