NEWS RELEASE

AISIX Solutions Launches AGORACOM Platform for Online Marketing and Verified Discussion Forum for Clean Social Media Engagement

Vancouver, British Columbia – January 22, 2025 – **AISIX Solutions Inc.** (“AISIX” or “the Company”) (TSXV: AISX) (OTCQB: AISXF) (FSE: QT7), a frontrunner in climate risk assessment and modeling announces the launch of a 12-month online marketing campaign through AGORACOM to target new potential investors specifically interested in the Company's business model, as well as engage current shareholders.

The Company will utilize AGORACOM's cashless, fully compliant shares-for-services program. Total fees of \$125,000 + HST will be paid by the issue of \$25,000 worth of shares (+HST) in 5 instalments:

- \$25,000 + HST at commencement
- \$25,000 + HST shares for services at the end of the third month: April 15, 2025
- \$25,000 + HST shares for services at the end of the sixth month: July 15, 2025
- \$25,000 + HST shares for services at the end of the ninth month: October 15, 2025
- \$25,000 + HST shares for services at the end of the term: January 30, 2026

The deemed price of the securities to be issued will be determined after the date services are provided to the advertiser in each period, calculated using the closing price on the TSX Venture Exchange on each of the dates as stated above. The issuance of the securities to AGORACOM is subject to approval by the TSX Venture Exchange. The agreement was signed effective as of January 15, 2025.

The Company is also announcing the launch of the AISIX HUB and a “CEO Verified” Discussion Forum on AGORACOM.

The AISIX HUB will receive significant exposure through continuous brand impressions, content marketing, search engine marketing, and social media engagement across the entire AGORACOM network. The AISIX HUB, containing multiple landing pages, videos, photos, and other helpful information updated in real-time, can be found at:

Forward Looking Statements

Certain information in this news release constitutes forward-looking statements and forward-looking information (collectively, the “**forward-looking statements**”) within the meaning of Canadian securities laws, and is subject to numerous risks, uncertainties, and assumptions, many of which are beyond the Company's control. This forward-looking information includes, among other things, information with respect to the Company's beliefs, plans, expectations, anticipations, estimates and intentions. The words “may”, “could”, “should”, “would”, “suspect”, “outlook”, “believe”, “anticipate”, “estimate”, “expect”, “intend”, “plan”, “target” and similar words and expressions are used to identify forward-looking information, including the expected issuance of shares to AGORACOM and the expected effectiveness of the marketing campaign. The forward-looking information in this news release describes the Company's expectations as of the date of this news release.

The results or events anticipated or predicted in such forward-looking information may differ materially from actual results or events. Material factors which could cause actual results or events to differ materially from such forward-looking information include, among others, the Company's ability to engage and retain qualified key personnel, employees and affiliates, the Company's ability to obtain capital and credit on reasonable terms, the Company's ability to compete and the Company's ability protect its intellectual property rights.

The Company cautions that the foregoing list of material factors is not exhaustive. When relying on the Company's forward-looking information to make decisions, investors and others should carefully consider the foregoing factors and other uncertainties and potential events. The Company has assumed a certain progression, which may not be realized. It has also been assumed that the material factors referred to in the previous paragraph will not cause such forward-looking information to differ materially from actual results or events. However, the list of these factors is not exhaustive and is subject to change and there can be no assurance that such assumptions will reflect the actual outcome of such items or factors.
