

## EURO SUN MINING INCLUDED ON EUROPEAN UNION'S LIST OF STRATEGIC ASSETS

March 25, 2025 Toronto, Ontario

**Euro Sun Mining Inc.,** (TSX: ESM) ("**Euro Sun**" or the "**Company**") is proud to announce that the company's Rovina Valley Project has been included on the European Union's first list of strategic assets following their May 27, 2024 call for applications under the *Critical Raw Materials Act*. This decision allows Euro Sun to fast-track the permitting process under new European legislative guidelines to facilitate the development of the Rovina Valley Project.

Commentating on this development, Mr. Grant Sboros (CEO Euro Sun) said, "We are extremely excited by this news, not just for the people of Romania, but also for our loyal and patient shareholders. Euro Sun Mining now has European Union support to help secure permits for a project that can deliver critical raw materials quickly in support of European strategic interests. This news also propels Romania to the forefront of critical raw material supply. On a personal level, I am also so happy that the European Union has recognized the importance of the Rovina Valley Project for Romania and Europe. There is now much work to done, but I would like to take this opportunity to thank our incredible shareholders and organisations like the International Copper Association for their unwavering support".

## **About Euro Sun Mining Inc.**

Euro Sun is a Toronto Stock Exchange listed mining company focused on the exploration and development of its 100%-owned Rovina Valley gold and copper project located in west-central Romania, which hosts the second largest gold deposit in Europe.

The Rovina Valley Project unlocks much needed investment and job creation in Hunedoara County and, delivers critical minerals necessary for Europe's green energy transition.
