"U.S. Government Securities Business Day" means any day except for (i) a Saturday, (ii) a Sunday or (iii) a day on which the Securities Industry and Financial Markets Association recommends that the fixed income departments of its members be closed for the entire day for purposes of trading in United States government securities.

1.2 Accounting Principles

Unless otherwise specifically provided herein, any accounting term used in this Agreement shall have the meaning customarily given such term in accordance with IFRS, and all financial computations hereunder shall be computed in accordance with IFRS consistently applied and used in the preparation of the consolidated Financial Statements of the Borrower. That certain items or computations are explicitly modified by the phrase “in accordance with IFRS” shall in no way be construed to limit the foregoing. If there occurs after the date hereof any change in IFRS from that used in the preparation of the financial statements referred to herein or, after the date hereof, the Borrower adopts any other accounting principles for use in the preparation of their financial statements (such changes in IFRS and such adoption being referred to herein as “**Accounting Changes**”) that affects in any respect the calculation of any covenants contained in this Agreement (including those in Section 5.3), the Lender and the Borrower shall discuss whether they wish to amend any relevant provisions of this Agreement that relate to the calculation of such covenants with the intent of having their respective positions after such Accounting Changes conform as nearly as possible to their respective positions as of the date of this Agreement. Unless any such amendments have been agreed upon by all parties hereto in writing, compliance with the financial covenants in this Agreement shall be determined as if no such Accounting Change had occurred. In such event, the financial statements required to be provided by the Borrower hereunder shall be prepared in accordance with IFRS in effect on the date of such financial statements (after giving effect to such Accounting Change), and the Borrower shall concurrently deliver to the Lender a reconciliation in form and substance satisfactory to the Lender showing all adjustments made to financial statements in order to determine compliance with such financial covenants on the basis of IFRS in effect prior to such Accounting Change.

1.3 Currency References

All amounts referred to in this Agreement are in US Dollars unless otherwise noted.

1.4 References to Statutes

Whenever in this Agreement reference is made to a statute or regulations made pursuant to a statute, such reference shall, unless otherwise specified, be deemed to include all amendments to such statute or regulations from time to time and all statutes or regulations which may come into effect from time to time substantially in replacement for the said statutes or regulations.

1.5 Extended Meanings

Terms defined in the singular have the same meaning when used in the plural, and vice versa. When used in the context of a general statement followed by a reference to one or more specific items or matters, the term “including” shall mean “including, without limitation”, and the term “includes” shall mean “includes, without limitation”. Any reference herein to the exercise of discretion by the Lender (including phrases such as “in the discretion of”, “in the opinion of”, “to the satisfaction of” and similar phrases) shall mean that such discretion is absolute and unfettered and shall not imply any obligation to act reasonably, unless otherwise expressly stated herein.

ARTICLE 2 THE FACILITIES

2.1 Establishment of Facilities

2.1.1 Subject to the terms and conditions in this Agreement, and on the basis more particularly provided in Section 2.5 below, the Lender hereby establishes a committed, revolving credit facility ("**Facility A**") for the Borrower in the maximum principal amount of the Facility A Maximum Amount. Advances under Facility A shall be used by the Borrower to finance day to day operating requirements of the Borrower. Facility A shall be a revolving facility. For greater certainty, the Borrower shall, subject to the terms of this Agreement, be entitled to obtain advances under Facility A from time to time to repay all or any portion of the Outstanding Advances under Facility A from time to time, provided that the outstanding advances under Facility A at any time shall not exceed the Facility A Maximum Amount in effect at such time.

2.1.2 Subject to the terms and conditions in this Agreement, the Lender hereby establishes a committed, non-revolving term facility ("**Facility B**") for the Borrower available by way of a single Advance on the Facility Closing Date in the maximum amount of the Facility B Maximum Amount. The Advance under Facility B shall be used by the Borrower to finance the Borrower's purchase of the Transferred Assets. Any unused portion of Facility B following the Facility Closing Date shall be automatically cancelled.

2.1.3 Subject to the terms and conditions in this Agreement, the Lender hereby establishes a risk management facility ("**Facility C**") for the Borrower of US\$800,000 representing deemed risk content as determined by the Lender on terms and conditions acceptable to the Lender and on the basis more particularly provided in Section 2.7 below.

2.2 Availment Options

2.2.1 Subject to the restrictions contained in this Agreement (and in particular, Sections 2.5, 3.2 and 3.3), the Borrower may from time to time receive Advances from the Lender under Facility A by way of US Dollar Base Rate Loans by way of Overdrafts in US Dollars or Term SOFR Loans with a period of one (1), three (3) or six (6) months, subject to market availability.

2.2.2 Subject to the restrictions contained in this Agreement (and in particular, Sections 3.2 and 3.3), the Borrower may receive a single Advance under Facility B by any one or more of the following Availment Options (or any combination thereof), and may from time to time convert all or any portion of the Outstanding Advances under such Facility in the form of any such Availment Option into another said Availment Option:

- (a) US Dollar Base Rate Loans; or
- (b) Term SOFR Loans with a period of one (1), three (3) or six (6) months, subject to market availability.

2.2.3 Term SOFR Loans may not be converted into another Availment Option prior to the maturity thereof, and will not be issued with a maturity later than the earlier of:

- (a) 90 days after its date of issuance or advance; and
- (b) the fifth Business Day prior to the Maturity Date.

2.3 Interest and Fees

2.3.1 The Borrower agrees to pay the following:

- (a) interest on Overdrafts in US Dollars and US Dollar Base Rate Loans at the Base Rate plus the Applicable Margin per annum, payable monthly in arrears on the first business day of each and every month;
- (b) interest on Term SOFR Loans at Adjusted Term SOFR plus the Applicable Margin per annum calculated on the basis of a year of three hundred and sixty (360) days, payable on the Interest Payment Date;
- (c) a standby fee payable in US Dollars to the Lender with respect to the unused portion of Facility A, calculated on a daily basis as being the difference between (i) the Facility A Maximum Amount; and (ii) the Outstanding Advances under Facility A, multiplied by the Applicable Margin and divided by 365; which standby fee shall be paid monthly in arrears on the first day of each and every month based on the number of days in the immediately preceding month and on the Maturity Date;
- (d) an annual review fee to the Lender in the amount of US\$[amount redacted], which shall be payable on each anniversary of the Facility Closing Date until the Maturity Date; and
- (e) an upfront fee payable to the Lender in the amount of US\$[amount redacted], which shall be payable on the Facility Closing Date.

2.3.2 Except as otherwise provided in this Agreement, all such payments referred to in this Section 2.3 shall be made to the Lender. The Borrower also agrees to pay to the Lender (for its own account) fees in respect of Banking Services Agreements between the Borrower and the Lender as they may agree in writing from time to time.

2.4 Repayments

2.4.1 The Obligations under Facility A and Facility B shall become due and payable on the earlier of:

- (a) the Maturity Date; and
- (b) the Acceleration Date.

2.4.2 If at any time the Outstanding Advances under Facility A exceed the Facility A Maximum Amount for any reason, the Borrower agrees that within three Business Days after receipt of a written request from the Lender, it will make a repayment under Facility A in such amount as will result in Outstanding Advances under Facility A not exceeding the Facility A Maximum Amount; provided that nothing in this Section is intended to limit, delay or restrict the Lender from availing itself of the rights and remedies available under Article 8 of this Agreement or to limit or restrict the right of the Lender to refuse to honour a cheque, draft, overdraft, Draw Request, or other availment request that would result in the Outstanding Advances under Facility A exceeding the Facility A Maximum Amount.

2.4.3 In addition to all other Repayments required under this Section 2.4, if a Credit Party receives Net Proceeds from an insurance policy in respect of property which is lost, damaged or destroyed, including any property of the Cheba Hut Parties which is lost, damaged or destroyed:

- (a) if a Default (but not an Event of Default) has occurred and is continuing, the Lender shall hold such proceeds until such Default no longer exists or has become an Event of Default, after which the remaining provisions in this Section 2.4.1(a) shall apply;
- (b) if an Event of Default has occurred and is continuing, such proceeds shall be deemed to constitute Proceeds of Realization and shall be applied in accordance with Section 9.1;
- (c) if no Event of Default has occurred and is continuing such Credit Party may utilize all or any portion of such Net Proceeds to repair or replace such property within 180 days after receipt of such Net Proceeds; provided however that if such Net Proceeds are in excess of US\$[amount redacted] such Credit Party shall deposit such Net Proceeds into a separate bank account established by the Borrower with the Lender, and such Credit Party may withdraw monies from such account from time to time within such 180-day period to repair or replace such property provided that at the time of each such withdrawal no Event of Default has occurred and is continuing; and
- (d) the portion of such Net Proceeds not so utilized shall be paid to the Lender as a Repayment within five Business Days after the expiry of the said 180-day period.

2.4.4 In addition to all other Repayments required pursuant to this Section 2.4, the Borrower agrees to make a Repayment to the Lender in an amount equal to the Net Proceeds from the sale or other disposition of any individual asset or group of related assets of one or more Credit Parties in one or a series of related transactions having an aggregate value greater than US\$[amount redacted] unless, within 180 days after such disposition, such Credit Party has used the Net Proceeds to purchase similar

assets useful in its business, which Repayment shall be made within 180 days from the date of such disposition (to the extent required hereunder).

2.4.5 In addition to all other Repayments required pursuant to this Section 2.4, the Borrower agrees to make a Repayment to the Lender in an amount equal to the Net Issuance Proceeds upon any transaction involving the raising of capital by way of equity (including by way of subscription for additional Equity Securities) or by the creation of any Funded Debt other than Permitted Funded Debt.

2.4.6 Each Repayment required to be made pursuant to Section 2.4.3, 2.4.4 and 2.4.5 above shall be applied firstly against the Outstanding Advances under Facility B (in the inverse order of maturity) and secondly against the Outstanding Advances under Facility A.

2.5 Facility A - Overdrafts

Facility A shall be subject to the following terms and conditions, in addition to any other applicable terms and conditions contained in this Agreement:

- (a) The Outstanding Advances under Facility A shall not at any time exceed the Facility A Maximum Amount.
- (b) Advances to and repayments by the Borrower under Facility A shall be made by way of Overdrafts in the following manner:
 - (i) The Lender will make Advances to the Borrower into a US Dollar account designated by the Borrower from time to time as required in order to honour cheques drawn by the Borrower on such account which are presented to the Lender for payment.
 - (ii) As deposits are made into such account by the Borrower, the Lender shall withdraw funds from such account from time to time and apply such funds as repayments under Facility A.
- (c) No Draw Request shall be required in connection with Advances made under Facility A. All Advances and Repayments under Facility A shall be without notice to or from the Borrower and shall be on a dollar for dollar basis (i.e., not subject to multiples).

2.6 Voluntary Repayments

Upon delivery of an executed Repayment Notice to the Lender not less than two (2) Business Days' prior to making a Repayment, the Borrower may make Repayments on account of the Outstanding Advances under US Dollar Base Rate Loans from time to time, without payment of any penalty or fee. For greater certainty however, Term SOFR Loans may not be repaid prior to the maturity thereof (but the obligations thereunder may be secured by cash collateral as more particularly provided in Section 3.6).

2.7 Facility C – Risk Management Products

2.7.1 Each Secured Hedge Transaction entered into between the Borrower and the Lender shall be upon such terms as may be offered by the Lender in its discretion, subject to the terms of this Agreement.

2.7.2 Secured Hedge Transactions may be available by way of floating to fixed interest rate swaps in US Dollars with lender market out clause with right to renew spread, may not be entered into for speculative purposes, may only be used by the Borrower to facilitate hedging of interest rate risk (floating to fixed interest rate swaps in United States Dollars), and shall mature on or before the Maturity Date.

2.7.3 In respect of each Secured Hedge Transaction entered into between the Borrower and the Lender, the Borrower agrees to execute and deliver to the Lender all such agreements as it may reasonably require (for greater certainty, specifically including an ISDA Master Agreement).

2.7.4 The Security shall secure all obligations of the Borrower under or in respect of each Secured Hedge Transaction on a *pari passu* basis with all other Obligations.

2.7.5 Each Secured Hedge Transaction between the Borrower and the Lender shall include the Lender's standard early termination events. Without limiting the generality of the foregoing, each Secured Hedge Transaction shall also stipulate that the termination of all or any of the Facilities shall constitute an Early Termination Event (as defined in the applicable ISDA Master Agreement) and the Affected Party (as defined in such ISDA Master Agreement) shall be the counter-party to the Lender in such contract. The Lender shall have the right to choose the payment measure and the payment method (as such terms are understood in the ISDA Master Agreement) in respect of such Early Termination Event.

2.7.6 On or before the Maturity Date the Borrower shall (i) unwind all Secured Hedge Transactions (and pay all applicable unwinding costs in respect thereof); or (ii) provide cash collateral in favour of the Lender in respect of all outstanding Secured Hedge Transactions in an amount satisfactory to the Lender, acting reasonably (which amount may exceed the aggregate deemed hedge risk determined by the Lender in respect of all such Secured Hedge Transactions). For greater certainty, the Lender shall have no obligation to release all or any portion of the Security unless and until all Secured Hedge Transactions are terminated or such cash collateral is provided in respect thereof.

2.8 Facility B Accordion Feature

At any time prior to the Maturity Date and after June 17, 2026, the Borrower may from time to time, by no less than sixty (60) days' prior written notice to the Lender (an "**Increase Request**"), request a one-time increase to the Facility B Maximum Amount (a "**Facility B Increase**") to an amount which results in the Facility B Increase not exceeding US\$[amount redacted] and further provided that any increase must be in a minimum increment of US\$[amount redacted]. An Increase Request shall be substantially in the form of Exhibit "F" and shall be accompanied by a Compliance Certificate (calculated on a current basis as well as a pro forma basis after giving effect to any potential Advance (whether or not an Advance is made) in connection with the proposed Facility B Increase) including such satisfactory financial statements (on a proforma basis where requested) as may be required by the Lender. Interest rates and fees in connection with any Facility B Increase will be determined at the time the Facility B Increase is approved and will be for the account of the Borrower. Any Facility B Increase requested by the Borrower shall be subject to the following additional conditions being satisfied:

- (a) The Borrower shall have provided to the Lender such financial projections and pro forma financial statements as the Lender may require, including without limitation:
 - (i) annual audited consolidated Financial Statements of DIV prepared in accordance with IFRS, and related management discussion and analysis of DIV. For greater certainty, the annual audited consolidated Financial Statements will include those

of DIV and its subsidiaries, with a supplemental schedule detailing the balance sheet, income statement, and cash flow statement by entity;

- (ii) annual audited combined financial statements of the Cheba Hut Parties; provided, however, that such financial statements of the Cheba Hut Parties may exclude any member or members of the Cheba Hut Parties other than Cheba Franchising so long as the aggregate EBITDA of such excluded members of the Cheba Hut Parties is less than [percentage redacted]% of the combined aggregate EBITDA of all members of the Cheba Hut Parties; and
- (iii) quarterly unaudited combined financial statements of the Cheba Hut Parties;
- (iv) financial projections covering three years of operations of the Cheba Hut Parties; and
- (v) financial projections covering three years of operations of the Borrower;
- (b) The representations and warranties in Article 4 herein are true and correct in all material respects immediately prior to the effective date of the Facility B Increase and will remain true and correct in all material respects immediately after the effective date of the Facility B Increase;
- (c) No Default or Event of Default has occurred and is continuing immediately prior to or immediately after the effective date of the Facility B Increase;
- (d) The Borrower and the Lender shall have agreed in writing upon the interest rates that will be applicable in respect of the Facility B Increase;
- (e) The Borrower shall have paid to the Lender any upfront fee in respect of the Facility B Increase in such amount as agreed in writing between the Borrower and the Lender; and
- (f) The execution and delivery of an amendment to this Agreement made among the Borrower, any Credit Parties which have granted guarantees and security as at the effective date of the Facility B Increase, and the Lender, together with security confirmations, guarantee confirmations, officers' certificates, legal opinions and other documents as the Lender may consider necessary or desirable.

For greater certainty, the Facility B Increase is uncommitted and the Lender may decide to provide the Facility B Increase in its discretion and any request for a Facility B Increase will only be funded to the extent committed to by the Lender in its sole discretion. As soon as practicable after receipt of an Increase Request the Lender will advise the Borrower in writing whether the Lender has agreed to provide the Facility B Increase requested by the Borrower.

ARTICLE 3

GENERAL CONDITIONS

3.1 Matters relating to Interest

3.1.1 Unless otherwise indicated, interest on any outstanding principal amount and all other amounts payable hereunder (other than Term SOFR Loans but including unpaid interest on US Dollar Base Rate Loans) shall be calculated daily and shall be payable monthly in arrears on the first day of each and every month; and if the maturity date of a Facility is not the end of a month, all accrued and unpaid interest in respect of such Facility shall be paid on such maturity date. If the last day of a month is not a Business Day, the interest payment due on such day shall be made on the next Business Day, and interest shall continue to accrue on the said principal amount and shall also be paid on such next Business Day. Interest shall accrue from and including the day upon which an Advance is made or is deemed to have been made, and ending on but excluding the day on which such Advance is repaid or satisfied. Any change in the Base Rate shall cause an immediate adjustment of the interest rate applicable to US Dollar Base Rate Loans without the necessity of any notice to the Borrower.

3.1.2 Interest on Term SOFR Loans shall be calculated on the basis of a 360 day year and shall be payable on the maturity of the interest period selected for such Term SOFR Loan or on Maturity, whichever occurs first. If the maturity of the Term SOFR Loan is not a Business Day, the interest payment due on such day shall be made on the next Business Day, and interest shall continue to accrue on the said principal amount and shall also be paid on such next Business Day. Interest shall accrue from and including the day upon which an Advance is made or is deemed to have been made, and ending on but excluding the day on which such Advance is repaid or satisfied.

3.1.3 Unless otherwise stated in this Agreement, if reference is made herein to a rate of interest, discount fee or other amount "per annum" or a similar expression is used, such interest, discount fee or other amount shall be calculated on the basis of a year of 365 or 366 days, as the case may be. If the amount of any interest, discount fee or other amount is determined or expressed on the basis of a period of less than one year of 365 or 366 days, as the case may be, the equivalent yearly rate is equal to the rate so determined or expressed, divided by the number of days in the said period, and multiplied by the actual number of days in that calendar year.

3.1.4 Notwithstanding any other provisions of this Agreement, if the amount of any interest, premium, fees or other monies or any rate of interest stipulated for, taken, reserved or extracted under the Loan Documents would otherwise contravene the provisions of Section 347 of the *Criminal Code* (Canada), Section 8 of the *Interest Act* (Canada) or any successor or similar legislation, or would exceed the amounts which the Lender is legally entitled to charge and receive under any law to which such compensation is subject, then such amount or rate of interest shall be reduced to such maximum amount as would not contravene such provision; and to the extent that any excess has been charged or received the Lender shall apply such excess against the Outstanding Advances and refund any further excess amount.

3.1.5 Any adjustment to the Applicable Margin in respect of any Availment Option under a Facility shall be determined by the Lender based upon the information contained in the Compliance Certificate received by the Lender in respect of the most recently completed Fiscal Quarter, and shall take effect commencing on the fifth Business Day following receipt of such Compliance Certificate 45 days after the

end of the Fiscal Quarter by the Lender (in this paragraph called the “effective date”). For greater certainty:

- (a) the interest rates and fees applicable to all Advances made on or after the effective date shall be based upon the said adjusted Applicable Margin;
- (b) from and after the effective date, the interest rates and fees applicable to all Loans outstanding on the effective date shall be based upon the said adjusted Applicable Margin;
- (c) no readjustment shall be made in respect of any Term SOFR Loan which is outstanding on the effective date, and the said adjusted Applicable Margin shall only apply to all Term SOFR Loans issued or made on or after the effective date; and
- (d) no downward adjustment to the Applicable Margin in respect of any Availment Option shall be made if any Default or Event of Default shall have occurred and be continuing.

3.1.6 The determination of such adjustments by the Lender shall be deemed to be correct absent manifest error. If the Lender does not receive a Compliance Certificate on a date required pursuant to Section 5.4(a), then (unless otherwise agreed in writing by the Lender in its discretion) from and after the date such Compliance Certificate was required to have been delivered, the Applicable Margin in respect of each Availment Option shall be the highest Applicable Margin relating thereto, until the fifth Business Day following receipt by the Lender of the required Compliance Certificate.

3.2 Notice Periods

3.2.1 The Borrower shall provide written notice to the Lender in respect of Advances, Rollovers, Conversions and Repayments as set out below:

- (a) no notice is required for Advances and Repayments under Facility A;
- (b) notwithstanding the foregoing, if an Advance, Rollover or Conversion relates to a Term SOFR Loan, three (3) Business Days' notice is required before 1:00 p.m. Toronto time;
- (c) except as provided in clause (a) and (b) above, notice is required for each voluntary Repayment under any Facility in accordance with Section 2.6; and
- (d) except as provided in clauses (a) and (b) above, two Business Days' notice is required before 1:00 p.m. Toronto time in respect of any Advance, Rollover or Conversion.

3.2.2 Notice of any Advance, Rollover or Conversion or Repayment shall be given in the form of a Draw Request, Rollover Notice, Conversion Notice or Repayment Notice, as the case may be, attached hereto as Exhibits, and shall be given to the Lender at its address set out in Section 9.12.

3.2.3 If notice is not provided as contemplated herein with respect to the maturity of any Term SOFR Loan, the Lender may in its discretion convert such Term SOFR Loan upon its maturity into a US Dollar Base Rate Loan.

3.2.4 Any conversion from one form of Availment Option to another shall be subject to satisfaction of all of the terms and conditions applicable to the form of the new Availment Option.

3.3 Minimum Amounts, Multiples and Procedures re Draws, Conversions and Repayments

3.3.1 US Dollar Base Rate Loan Advances under Facility A shall be on a dollar for dollar basis and not subject to a minimum amount or a required multiple.

3.3.2 Each request by the Borrower for an Advance or Conversion in the form of a US Dollar Base Rate Loan (other than an Overdraft under Facility A) shall not be subject to a minimum amount or a required multiple.

3.3.3 Each request by the Borrower for an Advance or Conversion by way of a Term SOFR Loan shall be in a minimum amount of US\$[amount redacted] and in a multiple of US\$[amount redacted] with terms of one (1), three (3) or six (6) months, subject to market availability, and a floor of [percentage redacted]%.

3.4 Place of Repayments, etc.

All payments of principal, interest and other amounts to be made by the Borrower to the Lender pursuant to this Agreement shall be made at its address noted in Section 9.12 or to such other address as the Lender may direct in writing from time to time. All such payments received by the Lender on a Business Day before 1:00 p.m. (Vancouver time) shall be treated as having been received by the Lender on that day; payments made after such time on a Business Day shall be treated as having been received by the Lender on the next Business Day. The Borrower hereby authorizes and directs the Lender to debit automatically, by mechanical, electronic or manual means, any bank account maintained by it with the Lender for all amounts due and payable by it under this Agreement, including the repayment of principal and the payment of interest, fees and all charges relating to the operation of such bank account. The Lender shall notify the Borrower as to the particulars of such debits in accordance with its usual practice.

3.5 Evidence of Obligations (Noteless Advances)

The Lender may, but shall not be obliged to, request the Borrower to execute and deliver from time to time such promissory notes as may be required as additional evidence of the Obligations, in form and substance satisfactory to the Lender, acting reasonably. The Lender shall open and maintain, in accordance with its usual practice, accounts evidencing the Obligations, and the information entered in such accounts shall constitute prima facie evidence of the Obligations absent manifest error.

3.6 Term SOFR Loans

3.6.1 The following provisions are applicable to Term SOFR Loans made by the Lender to the Borrower:

- (a) Upon receipt by the Lender from the Borrower of a Draw Request, Conversion Notice or Rollover Notice in respect of a Term SOFR Loan, the Lender will forthwith advise the Borrower of the Term SOFR Reference Rate, such rate to be determined as at approximately 10:00 a.m. Toronto, Ontario time, two (2) Business Days before the commencement of the Applicable Tenor for such Term SOFR Loan. If the Lender is unable to determine the applicable Term SOFR Reference Rate or if for any reason the Applicable Tenor requested by the Borrower is not reasonably available to the Lender, then the Lender shall notify the Borrower of the foregoing and the Lender shall not be obliged to make the requested Term SOFR Loan; and if such determination takes place after the Lender has already made Advances in the expectation that such Advances will

constitute a Term SOFR Loan for the Applicable Tenor requested, the Lender may by written notice to the Borrower require the Borrower to select another Applicable Tenor or convert the said Term SOFR Loan into a US Dollar Base Rate Loan with interest payable thereon at the rate and in the manner as provided in paragraph 2.3 with respect to US Dollar Base Rate Loans under the Facility.

- (b) The Borrowers acknowledge that the ability of the Lender to maintain or provide any Term SOFR Loan and/or to charge interest on any Term SOFR Loan at a Term SOFR Reference Rate or Adjusted Term SOFR based rate is and will be subject to any statute, law, regulation, rule or direction by any Governmental Authority having jurisdiction which may prohibit or restrict or limit such loans and/or such interest. The Borrower agrees that the Lender shall have the right to comply with any such requirements and, if the Lender acting reasonably determines it to be necessary as a result of such requirement, the Lender may convert any Term SOFR Loan to a US Dollar Base Rate Loan with interest payable thereon as set out in paragraph (a) above or require immediate repayment of all Term SOFR Loans and accrued interest thereon.
- (c) Each Term SOFR Loan shall have a Applicable Tenor of either one (1), three (3) or six (6) months, subject to market availability and interest on each Term SOFR Loan shall be payable in accordance with Section 2.3.
- (d) Notwithstanding anything to the contrary herein or in any other Loan Document (and any interest rate swap agreement shall be deemed not to be a "Loan Document" for the purposes of this Section 3.6(d)):
 - (i) *Benchmark Replacement.* Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Borrower without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document.
 - (ii) *Benchmark Replacement Conforming Changes.* In connection with the use, administration, adoption or implementation of a Benchmark Replacement, the Lender will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective

without any further action or consent of any other party to this Agreement or any other Loan Document.

- (iii) *Notice; Standards for Decisions and Determinations.* The Lender will promptly notify the Borrower of (i) the implementation of any Benchmark Replacement and (ii) the effectiveness of any Conforming Changes in connection with the use, administration, adoption or implementation of a Benchmark Replacement. The Lender will promptly notify the Borrower of the removal or reinstatement of any tenor of a Benchmark pursuant to Section 3.6(d). Any determination, decision or election that may be made by the Lender pursuant to this Section 3.6(d), including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.6(d).
- (iv) *Unavailability of Tenor of Benchmark.* Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Lender in its reasonable discretion or (B) the administration of such Benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks, then the Lender may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable, non-representative, non-compliant or non-aligned tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not or will not be representative or in compliance with or aligned with the International Organization of Securities Commissions (IOSCO) Principles for Financial Benchmarks for a Benchmark (including a Benchmark Replacement), then the Lender may modify the definition of "Interest Period" (or any similar or analogous definition) for all Benchmark settings at or after such time to reinstate such previously removed tenor.
- (v) *Benchmark Unavailability Period.* Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a Term SOFR Loan Advance of, conversion to or continuation of Term SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to US Dollar Base Rate Loans. During a Benchmark Unavailability

Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of Base Rate.

- (vi) *Interest Rates.* The Lender does not warrant or accept responsibility for, and shall not have any liability with respect to (a) the continuation of, administration of, submission of, calculation of or any other matter related to the Benchmark, any component definition thereof or rates referred to in the definition thereof, or any alternative, successor or replacement rate thereto (including any Benchmark Replacement), including whether the composition or characteristics of any such alternative, successor or replacement rate (including any Benchmark Replacement) will be similar to, or produce the same value or economic equivalence of, or have the same volume or liquidity as, the Benchmark or any other Benchmark prior to its discontinuance or unavailability, or (b) the effect, implementation or composition of any Conforming Changes. The Lender and its affiliates or other related entities may engage in transactions that affect the calculation of the Benchmark, any alternative, successor or replacement rate (including any Benchmark Replacement) and/or any relevant adjustments thereto, in each case, in a manner adverse to the Borrower. The Lender may select information sources or services in its reasonable discretion to ascertain the Benchmark or any other Benchmark, in each case pursuant to the terms of this Agreement, and shall have no liability to the Borrower or any other person or entity for damages of any kind, including direct or indirect, special, punitive, incidental or consequential damages, costs, losses or expenses (whether in tort, contract or otherwise and whether at law or in equity), for any error or calculation of any such rate (or component thereof) provided by any such information source or service.
- (vii) *SOFR Loans.* Each SOFR Loan made or maintained by the Lender shall bear interest during each Interest Period it is outstanding (computed on the basis of a year of 360 days and actual days elapsed) on the unpaid principal amount thereof from the date such SOFR Loan is advanced or continued, or created by conversion from a U.S. Prime Rate Loan, until maturity (whether by acceleration or otherwise) at a rate per annum equal to the sum of the Applicable Margin *plus* the Adjusted Term SOFR applicable to such Interest Period, payable by Borrower on each Interest Payment Date and at maturity (whether by acceleration or otherwise).
- (viii) *Rate Determinations.* The Lender shall determine each interest rate applicable to the SOFR Loans and any other Obligations hereunder, and its determination thereof shall be conclusive and binding except in the case of manifest error. In connection with the use or administration of Term SOFR, the Lender will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Loan Document. The Lender will promptly notify the Borrower of the effectiveness of

any Conforming Changes in connection with the use or administration of Term SOFR.

- (ix) *Change in Law.* Notwithstanding any other provisions of this Agreement or any other Loan Document, if at any time any Change in Law or regulation or in the interpretation thereof makes it unlawful for the Lender to make or continue to maintain any SOFR Loans or to perform its obligations as contemplated hereby, the Lender shall promptly give notice thereof to Borrower and the Lender's obligations to make or maintain SOFR Loans under this Agreement shall be suspended until it is no longer unlawful for the Lender to make or maintain SOFR Loans. Borrower shall prepay on demand the outstanding principal amount of any such affected SOFR Loans, together with all interest accrued thereon and all other amounts then due and payable to the Lender under this Agreement; provided, that, subject to all of the terms and conditions of this Agreement, Borrower may then elect to borrow the principal amount of the affected SOFR Loans from the Lender by means of U.S. Prime Rate Loans from the Lender.
- (x) *Inability to Determine Rates.* Subject to Section 3.7, if, on or prior to the first day of any Interest Period for any SOFR Loan:
 - (A) the Lender determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof, or
 - (B) the Lender determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to the Lender of funding such Loan,

then the Lender will promptly so notify the Borrower. Upon notice thereof by the Lender to the Borrower, any obligation of the Lender to make or continue SOFR Loans shall be suspended (to the extent of the affected SOFR Loans and, in the case of a SOFR Loan, the affected Interest Periods) until the Lender revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans and, in the case of a SOFR Loans, the affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for an Advance of or conversion to U.S. Prime Rate Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into U.S. Prime Rate Loans at the end of the applicable Interest Period

3.7 Determination of Equivalent Amounts

3.8 Cash Collateral for Term SOFR Loans

3.8.1 The Borrower acknowledges that Term SOFR Loans may not be repaid prior to the maturity thereof.

3.8.2 If there are any Term SOFR Loans outstanding at the time the Facility are terminated (either by the Borrower or by the Lender), the Borrower shall immediately deposit funds with the Lender in an amount equal to the aggregate of the face amount of all Term SOFR Loans then outstanding under the Facility.

3.8.3 The Borrower may in its discretion from time to time deposit funds with the Lender and instruct the Lender to apply such funds on account of any outstanding Term SOFR Loans upon the maturity thereof.

- (a) a First-Ranking Security Interest in favour of the Lender; and
- (b) a right of set-off pursuant to Section 8.3 of this Agreement.

3.8.6 The Lender shall have no obligation to invest or pay interest on any funds deposited by the Borrower referred to in this Section 3.8.

3.9 Illegality

The obligation of the Lender to make Advances hereunder shall be suspended if and for so long as it is unlawful or impossible for the Lender to make Advances hereunder as a result of the adoption of any Applicable Law, or any change in any Applicable Law, rule or regulation, or any change in the interpretation or administration thereof by any Governmental Authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by the Lender with any request or directive (whether or not having the force of law) of any such Governmental Authority, central bank or comparable agency.

3.10 Breakage Costs

If any Advance made by the Lender in the form of a Term SOFR Loan is repaid or converted prior to the scheduled maturity date thereof (whether as a result of acceleration or otherwise), the Borrower agrees to pay to the Lender upon demand all losses, damages, costs and expenses which the Lender

has incurred or may incur as a result of such repayment, conversion or unwinding prior to the said scheduled maturity date, as determined by the Lender in accordance with its usual practice acting reasonably. The Lender shall provide the Borrower with a written certificate showing in reasonable detail the basis for such claim, which shall be deemed to be prima facie correct absent manifest error. For greater certainty, Term SOFR Loans may not be repaid prior to the maturity thereof.

3.11 Application of Payments

All amounts paid by the Borrower to the Lender (unless otherwise agreed in writing) shall, prior to default by the Borrower, be applied firstly to reduce compound interest, secondly to reduce interest (other than compound interest), thirdly to reduce principal and fourthly to reduce any other amount owing by the Borrower to the Lender. In addition to any other liability of the Credit Parties hereunder, the Credit Parties hereby agree to indemnify and save harmless the Indemnitees from and against all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements (including reasonable legal fees on a solicitor and his own client basis) of any kind or nature whatsoever (but excluding any consequential damages and damages for loss of profit) which may be imposed on, incurred by or asserted against the Indemnitees (except to the extent arising from the negligence or wilful misconduct of such Indemnitees) which relate to or arise out of or result from:

- (a) any failure by the Borrower to pay and satisfy its obligations hereunder including, without limitation, any costs or expenses incurred by reason of the liquidation or re-employment in whole or in part of deposits or other funds required by the Lender to fund or maintain the Facilities or as a result of the Borrower's failure to take any action on the date required hereunder or specified by it in any notice given hereunder;
- (b) any investigation by Governmental Authorities or any litigation or other similar proceeding related to any use made or proposed to be made by the Borrower of the proceeds of any Advance; and
- (c) any instructions given to the Lender to stop payment on any cheque issued by the Borrower or to reverse any wire transfer or other transaction initiated by the Lender at the request of the Borrower.

9.6 Environmental Indemnity

In addition to any other liability of the Credit Parties hereunder, the Credit Parties hereby agree to indemnify and save harmless the Indemnitees from and against:

- (a) any losses suffered by them for, in connection with, or as a direct or indirect result of, the failure of any Credit Party to comply with Environmental Law;
- (b) any losses suffered by the Indemnitees for, in connection with, or as a direct or indirect result of, the presence of any Hazardous Material situated in, on or under any property owned by a Credit Party or upon which any Credit Party carries on business, specifically including any diminution of value of the business, property and assets of any Credit Party; and
- (c) any and all liabilities, losses, damages, penalties, expenses (including reasonable legal fees) and claims which may be paid, incurred or asserted against the Indemnitees for, in connection with, or as a direct or indirect result of, any legal or administrative proceedings with respect to the presence of any Hazardous Material on or under any property owned by a Credit Party or upon which it carries on business, or the discharge, emission, spill, radiation or disposal by a Credit Party of any Hazardous Material into or upon any land, the atmosphere, or any watercourse or body of water; including the costs of defending and/or counterclaiming or claiming against third parties in respect of any action or matter and any cost, liability or damage arising out of a settlement entered into by the Indemnitees of any such action or matter;

except to the extent arising from the gross negligence or wilful misconduct of such Indemnitees. The obligations of the Credit Parties under this Section shall survive the termination of this Agreement.

9.7 Currency Indemnity

9.7.1 Currency Indemnity

Without limiting the generality of Section 9.5, if:

- (a) any amount payable under, or in connection with any matter relating to or arising out of, the Loan Documents is received by the Lender in a currency (the “**Payment Currency**”) other than that agreed to be payable hereunder or thereunder (the “**Agreed Currency**”), whether voluntarily or pursuant to an order, judgment or decision of any court, tribunal, arbitration panel or administrative agency or as a result of any bankruptcy, receivership, liquidation or other insolvency type proceedings or otherwise; and
- (b) the amount so produced by converting the Payment Currency so received into the Agreed Currency is less than the relevant amount of the Agreed Currency;

then:

- (c) the amount so received shall constitute a discharge of the liability of the Borrower under or in connection any of the Loan Documents only to the extent of the amount received following the conversion described in paragraph (ii) above; and
- (d) the Borrower shall indemnify and save the Lender harmless from and against such deficiency and any loss or damage arising as a result thereof.

9.7.2 Conversion at Exchange Rate

Any conversion pursuant to Section 9.7.1 shall be made at the Exchange Rate on the date the Payment Currency is received by the Lender and in such market as is determined by the Lender as being the most appropriate for such conversion. The Borrower shall in addition pay the costs of such conversion.

9.7.3 Independent Obligation

The indemnity set out in Section 9.7.1:

- (a) is an obligation of the Borrower which is separate and independent from all other obligations of the Borrower under any of the Loan Documents;
- (b) gives rise to a separate and independent cause of action;
- (c) applies irrespective of any indulgence granted by or on behalf of the Lender; and
- (d) continues in full force and effect notwithstanding, and does not merge with, any order, judgment or decision of any court, tribunal, arbitration panel or administrative agency or as a result of any bankruptcy, receivership, liquidation or other insolvency type

proceeding or otherwise as to any amount due under the Loan Documents or in connection herewith or therewith.

9.8 Manner of Payment and Taxes

9.8.1 All payments to be made by the Borrower pursuant to the Loan Documents are to be made without set off, compensation or counterclaim, free and clear of and without deduction for or on account of any Tax, including but not limited to withholding taxes, except for Taxes on the overall net income of the Lender (such taxes applicable to the overall net income of the Lender are herein referred to as “**Excluded Taxes**”). If any Tax, other than Excluded Taxes, is deducted or withheld from any payments under the Loan Documents the Borrower shall promptly remit to the Lender in the currency in which such payment was made, the equivalent of the amount of Tax so deducted or withheld together with the relevant receipt addressed to the Lender. If the Borrower is prevented by operation of law or otherwise from paying, causing to be paid or remitting such Tax, the interest or other amount payable under the Loan Documents will be increased to such rates as are necessary to yield and remit to the Lender the principal sum advanced or made available together with interest at the rates specified in the Loan Documents after provision for payment of such Tax. If following the making of any payment by the Borrower under this Section 9.8, the Lender is granted a credit against or refund in respect of any Tax payable by it in respect of such Taxes to which such payment by the Borrower relates that the Lender would not have received had the Borrower not made the payment, the Lender shall (subject to the Borrower having paid the relevant amount) to the extent that it is satisfied that it can do so without prejudice to the retention of the amount of such credit or refund, reimburse the Borrower such amount as the Lender shall certify to be the proportion of such credit or refund as will leave the Lender, after such reimbursement in no worse or better position than it would have been in if the relevant Taxes had not been imposed, or the relevant Taxes had not been deducted or withheld in respect of the payment by the Borrower as aforesaid. The Lender shall, at the Borrower's request and cost, file such documentation and do such commercially reasonable things as may be necessary to obtain such credit or refund, but the Lender shall not be obligated to disclose any information to the Borrower or any other Person concerning its income or taxes that is not otherwise publicly available.

9.8.2 If the Borrower makes any payment under this Section 9.8.1 for the account of the Lender, the Lender shall take reasonable steps to minimize the net amount payable by the Borrower under this Section, but the Lender shall not be obliged to disclose any information to the Borrower concerning its income or taxes that is not otherwise publicly available.

9.9 Increased Costs

If the introduction of or change in or in the interpretation of, or any change in its application to the Borrower of, any law or any regulation or guideline from any central bank or other governmental authority (whether or not having the force of law), including but not limited to any reserve or special deposit requirement or any Tax or exemption from any tax or any capital requirement, has due to the compliance by the Lender therewith the effect, directly or indirectly, of: (i) increasing the cost to the Lender of performing its obligations hereunder; (ii) reducing any amount received or receivable by the Lender hereunder or its effective return hereunder or on its capital; or (iii) causing the Lender to make any payment or to forego any return based on any amount received or receivable by the Lender hereunder, then upon demand from time to time the Borrower shall pay such amount as shall compensate the Lender for any such cost, reduction, payment or foregone return that is not fully offset by an increase in the applicable interest rate or rates or fees hereunder (collectively, the “**Additional Compensation**”). Any

certificate of the Lender in respect of the foregoing will be conclusive evidence of the foregoing, except for manifest error.

9.10 Survival of Certain Obligations despite Termination of Agreement

The termination of this Agreement shall not relieve the Credit Parties from their obligations to the Lender arising prior to such termination, such as obligations arising as a result of or in connection with any breach of this Agreement, any failure to comply with this Agreement or the inaccuracy of any representations and warranties made or deemed to have been made prior to such determination, and obligations arising pursuant to all indemnity obligations contained herein. Without limiting the generality of the foregoing, the obligations of the Credit Parties to the Lender arising under or in connection with Sections 9.4, 9.5 and 9.6 of this Agreement shall continue in full force and effect despite any termination of this Agreement.

9.11 Interest on Unpaid Costs and Expenses

If the Borrower fails to pay when due any amount in respect of costs or expenses or any other amount required to be paid by it hereunder (other than principal or interest on any Advance), it shall pay interest on such unpaid amount from the time such amount is due until paid at the highest rate of interest then applicable under the Facilities.

9.13 Severability

Any provision of this Agreement which is illegal, prohibited or unenforceable in any jurisdiction, in whole or in part, shall not invalidate the remaining provisions hereof; and any such illegality, prohibition or unenforceability in any such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

9.14 Further Assurances

The Borrower shall, at its expense, promptly execute and deliver or cause to be executed and delivered to the Lender, upon request, all such other and further documents, agreements, opinions, certificates and instruments from time to time reasonably required by the Lender in compliance with this Agreement, or if reasonably necessary or desirable to more fully record or evidence the obligations intended to be entered into herein, or to make any recording, file any notice or obtain any consent reasonably required to give full force and effect to this Agreement.

9.15 Time of the Essence

Time shall be of the essence of this Agreement.

9.16 Assignment by the Borrower

Neither the Borrower nor any Subsidiary may assign or transfer all or any part of its rights or obligations under the Loan Documents without the prior written consent of the Lender.

9.17 Assignment and Participation by the Lender

9.17.1 The Lender may, from time to time sell or assign the Facilities and the Lender's rights and obligations under the Loan Documents to one or more financial institutions, subject to a minimum assignment amount of Cdn.\$[amount redacted], subject to the assignor holding at least Cdn.\$[amount redacted] thereafter and, in the event the assignee is not a financial institution, the consent of the Borrower shall be required, which consent shall not be unreasonably withheld or delayed. Upon the occurrence of an Event of Default, no consent of the Borrower is required for any assignment of the Lender's rights and obligations hereunder.

9.17.2 The Borrower and the Lender acknowledge that the Lender is entitled to charge a processing and recording fee to any assignee in connection with each assignment hereunder.

9.17.3 Upon receipt of notice the assignment or grant of participation, the Borrower shall execute and deliver at the request and expense of the Lender, such further documentation as the Lender requests and considers necessary and advisable to effect the assignment or grant of participation, provided that such documents do not adversely modify any of the rights or increase any of the Obligations of the Borrower from that as set forth in this Agreement and the other Loan Documents.

9.18 Tombstone Marketing

For the purpose of "tombstone marketing" the Borrower hereby authorizes and consents to the reproduction, disclosure and use by the Lender of its name, identifying logo and the Facilities (limited to

the type of credit facilities, term and list of Lender) to enable the Lender to publish promotional “tombstones”, provided that such disclosure shall be made only after the Acquisition Transaction has been disclosed to the public by the Borrower. The Borrower acknowledges and agrees: that, the Lender shall be entitled to determine whether to use such information; that no compensation will be payable by the Lender in connection therewith; and that the Lender shall have no liability whatsoever to it or any of its employees, officers, directors, affiliates or shareholders in obtaining and using such information as contemplated herein.

9.19 Entire Agreement; Waivers and Amendments to be in Writing

This Agreement supersedes all discussion papers, term sheets and other writings which may have been issued by the Lender prior to the Facility Closing Date relating to the Facilities, which shall have no force or effect; and this Agreement and any other documents or instruments contemplated herein or therein shall constitute the entire agreement and understanding among the Credit Parties and the Lender relating to the subject-matter hereof. No provision of this Agreement, or any other document or instrument in existence among the parties may be modified, waived or terminated except by an instrument in writing executed by the party against whom such modification waiver or termination is sought to be enforced.

9.20 Inconsistencies with Security

To the extent that there is any inconsistency between a provision of this Agreement and a provision of any document constituting part of the Security, the provision of this Agreement shall govern. For greater certainty and without limiting the generality of the foregoing, to the extent that there is any inconsistency between the representations, covenants, indemnities and other provisions contained in any third party environmental report delivered by the Borrower pursuant hereto and the representations, covenants, indemnities and other provisions relating to environmental matters contained in this Agreement, the said provisions of this Agreement shall govern.

9.21 Confidentiality, etc.

9.21.1 The Borrower agrees not to file a copy of this Agreement or any other Loan Document (except the Security) in any public manner, or otherwise publicly disclose any information contained therein, except (i) on a confidential basis to the Credit Parties and their respective shareholders, partners, trustees, officers, directors, employees, accountants, lawyers and other professional advisors; (ii) to any bona fide existing or prospective lender, investor or purchaser of an equity interest in any Credit Party or all or substantially all of the assets of any Credit Party, provided that such Person agrees to maintain the confidentiality of such information consistent with the provisions of this Section; and (iii) as may be required pursuant to Applicable Law. If any such disclosure is required pursuant to Applicable Law, the Borrower will provide reasonable prior written notice to the Lender before making such disclosure and during such period the Lender acting reasonably may advise the Borrower as to which portions of such Loan Documents shall be redacted in order to protect the rights of the Lender to maintain the confidentiality of information which the Lender believes is confidential and proprietary to them. The Borrower agrees to comply with any such request and the prior notice provision unless such compliance would contravene Applicable Law.

9.21.2 The Lender agrees that all documentation and other information made available by the Borrower to them under or in connection with this Agreement shall (except to the extent such documentation or other information is publicly available or hereafter becomes publicly available other than by their actions), be held in confidence by them and used solely in the evaluation, administration and enforcement of the

Advances and all matters related to this Agreement and the Security and the transactions contemplated hereby and thereby, and in the prosecution or defence of legal proceedings arising in connection herewith and therewith. Notwithstanding the foregoing, nothing contained herein shall be construed to prevent the Lender from:

- (a) making disclosure of any information:
 - (i) if required to do so by Applicable Law;
 - (ii) to any Governmental Authority having or claiming to have authority to regulate or oversee any aspect of the business of the Lender or the Credit Parties in connection with the exercise of such authority or claimed authority and that compels or requires the disclosure of such information;
 - (iii) pursuant to any subpoena or if otherwise compelled in connection with any litigation or administrative proceeding;
 - (iv) to any prospective participant or assignee of all or any portion of the rights and obligations or the Lender hereunder provided that such prospective assignee executes and delivers to the Borrower a confidentiality agreement in form and substance acceptable to them, acting reasonably; or
 - (v) to the extent necessary for the Lender to effect or preserve its Security or to enforce any remedy provided in this Agreement or the Security or otherwise available by Law; or
- (b) making, on a confidential basis, such disclosures as the Lender reasonably deem necessary or appropriate to their legal counsel, accountants or other advisers, agents or representatives (including outside auditors). Notwithstanding the foregoing, the Credit Parties consent to the release of confidential information regarding their businesses by the Lender to certain BMO Financial Group business groups and/or subsidiaries for the purpose of assisting the BMO Financial Group and supporting those businesses with its strategic plan.

9.21.3 The obligations of the respective parties under this Section shall survive the termination of this Agreement.

9.22 Execution by Fax and Counterparts

This Agreement may be executed in several counterparts, each of which, when so executed, shall be deemed to be an original and which counterparts together shall constitute one and the same Agreement. Any signatory hereto may deliver an executed copy of this Agreement by facsimile, .pdf, electronic mail or other electronic method and such electronic copy shall be binding and effective against such party to the same extent as an originally executed copy of this Agreement. The words "execution," "signed," "signature," and words of like import in this consent shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law.

9.23 Binding Effect

This Agreement shall be binding upon and shall enure to the benefit of the parties and their respective successors and permitted assigns; "successors" includes any corporation resulting from the amalgamation of any party with any other corporation.
