

FORM 52-109FV2
CERTIFICATE OF INTERIM FILINGS
Venture Issuer Basic Certificate

This certificate is being filed on the same date that Sprout AI Inc. (the “Issuer”) has filed the Management Discussion and Analysis for the three month period ended October 31, 2024 Financial Statement.

I, Pedro Silva, Chief Financial Officer of Sprout AI Inc., certify the following:

1. Review: I have reviewed the **amended** quarterly financial statements and MD&A (together, the “Quarterly Filings”) of the Issuer for the interim period ended October 31, 2024.

2. Explanation of Amendment: The Amended Interim Filings were made to reflect changes recommended by the Company’s auditors during the course of completing the review of the interim condensed consolidated financial statements for the three-month and nine-month periods ended October 31, 2024, and 2023. These adjustments mainly refer to the monthly allocation of certain accruals of annual costs, without affecting the total annual values previously audited. They do not represent changes to previously reported cash flows, nor materially relevant modifications to the company’s financial position. The amendments were made to ensure consistency and clarity across all financial reporting periods.

3. No misrepresentations: Based on my knowledge, having exercised reasonable diligence, the Interim Filings do not contain any untrue statement of a material fact or omit to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances under which it was made, with respect to the period covered by the Interim Filings.

4. Fair presentation: Based on my knowledge, having exercised reasonable diligence, the Interim financial statements together with the other financial information included in the Interim Filings fairly present in all material respects the financial condition, financial performance and cash flows of the Issuer, as of the date of and for the periods presented in the Interim Filings.

Date: May 30, 2025

NOTE TO READER

In contrast to the certificate required for non-venture issuers under National Instrument 52-109 Certification of Disclosure in Issuers’ Annual and Interim Filings (NI 52-109), this Venture Issuer Basic Certificate does not include representations relating to the establishment and maintenance of disclosure controls and procedures (DC&P) and internal control over financial reporting (ICFR), as defined in NI 52-109. In particular, the certifying officers filing this certificate are not making any representations relating to the establishment and maintenance of

i) controls and other procedures designed to provide reasonable assurance that information required to be disclosed by the issuer in its annual filings, interim filings or other reports filed or submitted under securities legislation is recorded, processed, summarized and reported within the time periods specified in securities legislation; and

ii) a process to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with the issuer’s GAAP.

The issuer’s certifying officers are responsible for ensuring that processes are in place to provide them with sufficient knowledge to support the representations they are making in this certificate. Investors should be aware that inherent limitations on the ability of certifying officers of a venture issuer to design and implement on a cost effective basis DC&P and ICFR as defined in NI 52-109 may result in additional risks to the quality, reliability, transparency and timeliness of interim and annual filings and other reports provided under securities legislation.
