SITKA GOLD ANNOUNCES \$25 MILLION BOUGHT DEAL FINANCING

*NOT FOR DISTRIBUTION TO UNITED STATES NEWS WIRE SERVICES OR FOR
DISSEMINATION IN THE UNITED STATES*

VANCOUVER, CANADA – October 8, 2025: Sitka Gold Corp. (“Sitka” or the “Company”) (TSX-V:SIG) is pleased to announce it has entered into an agreement pursuant to which Beacon Securities Limited (“Beacon”), as lead underwriter, on behalf of a syndicate of underwriters (together with Beacon, the “Underwriters”), has agreed to purchase, on a “bought deal” private placement basis, 16,235,000 common shares that will qualify as “flow-through shares” within the meaning of the *Income Tax Act* (Canada) (the “FT Shares”) of the Company at a price of \$1.54 per FT Share (the “FT Issue Price”) for gross proceeds to the Company of \$25,001,900 (the “Offering”).

“This bought deal financing, completed at a significant premium to market, highlights the growing recognition of our flagship RC Gold Project, which is rapidly evolving from an initial discovery into a major gold camp,” said Cor Coe, Director and CEO of Sitka. *“Combined with our current treasury, this financing provides funding and the ability to accelerate our efforts to further advance RC Gold as we focus on unlocking additional value from this exciting, district-scale gold discovery.”*

The Company will use an amount equal to gross proceeds from the sale of the FT Shares to incur eligible “Canadian exploration expenses” that will qualify as “flow-through mining expenditures” as such terms are defined in the *Income Tax Act* (Canada) (the “**Qualifying Expenditures**”) related to the Company’s RC Gold Project in the Yukon Territory, Canada on or before December 31, 2026. All Qualifying Expenditures will be renounced in favour of the subscribers effective December 31, 2025.

Subject to compliance with applicable regulatory requirements, the FT Shares will be offered to purchasers resident in all Provinces of Canada pursuant to (i) the accredited investor exemption under National Instrument 45-106 – *Prospectus Exemptions* (“**NI 45-106**”) for aggregate gross proceeds of \$5 million; and (ii) the listed issuer financing exemption under Part 5A of NI 45-106 and in reliance on the amendments to Part 5A of NI 45-106 set forth in Coordinated Blanket Order 45-935 – *Exemptions from Certain Conditions of the Listed Issuer Financing Exemption* (collectively, the “**Listed Issuer Financing Exemption**”) for aggregate gross proceeds of \$20 million. Any offering of FT Shares in Quebec pursuant to the Listed Issuer Financing Exemption will not commence until such time as the French Form 45-106F19 has been filed and posted on SEDAR+. The FT Shares sold pursuant to the Listed Issuer Financing Exemption will not be subject to resale restrictions under applicable Canadian securities laws. The FT Shares sold pursuant to the accredited investor exemption of NI 45-106 will be subject to the statutory hold period of four months and one day from the date of issuance in accordance with applicable Canadian securities laws.

The FT Shares may be donated by the initial purchasers to one or more charities and subsequently sold by the charities or may be sold by the initial purchasers to investors in follow-on transactions on a private placement basis in offshore jurisdictions as permitted and in the United States pursuant to an exemption from the registration requirements of the *United States Securities Act of 1933* (the “**U.S. Securities Act**”), as amended.

There is an offering document related to the Offering (the “**LIFE Offering Document**”) that can be accessed under the Company's profile on SEDAR+ at www.sedarplus.ca and on the Company's website at www.sitkagoldcorp.com. Prospective investors of the FT Shares being issued pursuant to the Listed Issuer Financing Exemption should read this LIFE Offering Document before making an investment decision.

Certain shareholders of the Company that hold participation rights may elect to purchase common shares of the Company at the FT Issue Price on a non-brokered private placement basis (the “**Non-Brokered Offering**”).

The Company has agreed to pay the Underwriters a cash commission of 6.0% of the gross proceeds raised under the Offering and issue to the Underwriters such number of compensation options (each a “**Compensation Option**”), equal to 6.0% of the number of FT Shares sold pursuant to the Offering. Each Compensation Option shall entitle the holder thereof to acquire one common share of the Company at the FT Issue Price for a period of 24 months from the closing date of the Offering. No commission will be payable to the Underwriters with respect to the concurrent Non-Brokered Offering. The Compensation Options will be subject to a four month hold period under applicable Canadian securities laws.

The Offering and Non-Brokered Offering, if applicable, are expected to close on or about October 30, 2025 and are subject to the Company receiving all necessary regulatory approvals, including the approval from the TSX Venture Exchange.

The securities to be offered pursuant to the Offering have not been, and will not be, registered under the U.S. Securities Act or any U.S. state securities laws, and may not be offered or sold in the United States or to, or for the account or benefit of, United States persons absent registration or any applicable exemption from the registration requirements of the U.S. Securities Act and applicable U.S. state securities laws.
