- (a) all intercompany items between the Company and any Restricted Subsidiary or between Restricted Subsidiaries, and
- (b) all current maturities of long-term Debt.

“*Consolidated Interest Coverage Ratio*” means, as of any date of determination, the ratio of:

- (a) the aggregate amount of EBITDA for the most recent four consecutive fiscal quarters for which financial statements are publicly available prior to such determination date to
- (b) Consolidated Interest Expense for such four fiscal quarters;

provided, however, that:

- (1) if
 - (A) since the beginning of such period the Company or any Restricted Subsidiary has Incurred any Debt that remains outstanding or has Repaid any Debt, or
 - (B) the transaction giving rise to the need to calculate the Consolidated Interest Coverage Ratio is an Incurrence or Repayment of Debt,

then Consolidated Interest Expense for such period shall be calculated on a Pro Forma basis and also giving pro forma effect to such Incurrence or Repayment as if such Debt was Incurred or Repaid on the first day of such period (except that in making such computation, the amount of Debt under any revolving credit facility outstanding on the date of such calculation will be deemed to be (i) the average daily balance of such Debt during such four fiscal quarters or such shorter period for which such facility was outstanding or (ii) if such facility was created after the end of such four fiscal quarters, the average daily balance of such Debt during the period from the date of creation of such facility to the date of such calculation); and

(C) since the beginning of such period any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Company or any Restricted Subsidiary since the beginning of such period) shall have made such an Asset Sale or other disposition, Investment or acquisition,

then EBITDA for such period shall be calculated on a Pro Forma basis and also giving pro forma effect to such Asset Sale or other disposition, Investment or acquisition as if such Asset Sale or other disposition, Investment or acquisition had occurred on the first day of such period.

If any Debt bears a floating rate of interest and is being given pro forma effect, the interest expense on such Debt shall be calculated as if the base interest rate in effect for such floating rate of interest on the date of determination had been the applicable base interest rate for the entire period (taking into account any Interest Rate Agreement applicable to such Debt). If any Debt bears interest, at the option of the Company or a Restricted Subsidiary, at a rate of interest based on a prime or similar rate, a eurocurrency interbank offered rate or other fixed or floating rate, and such Debt is being given pro forma effect, the interest expense with respect to such Debt shall be calculated for the entire period by applying such optional rate as shall be in effect as of the date of determination. Interest on a Capital Lease Obligation shall be deemed to accrue at an interest rate determined in good faith by a responsible financial or accounting officer of the Company to be the rate of interest implicit in such Capital Lease Obligation in accordance with GAAP. In addition, in the event the Capital Stock of any Restricted Subsidiary is sold during the period, the Company shall be deemed, for purposes of clause (1) above, to have Repaid during such period the Debt of such Restricted Subsidiary to the extent the Company and its continuing Restricted Subsidiaries are no longer liable for such Debt after such sale.

“Consolidated Interest Expense” means, for any period, the total interest expense, net of any interest income of the Company and its Restricted Subsidiaries and excluding interest expense relating to (i) employee future benefits and other liabilities, (ii) amortization or write-off of debt issuance costs, deferred financing fees, commission, fees and expenses, (iii) any expensing of bridge, commitment and other financing fees, (iv) any prepayment fee or premium paid in connection with the refinancing or repayment of any Debt, in each case of the Company and its Restricted Subsidiaries, (v) unrealized gain or loss on interest rate hedging agreements and (vi) foreign exchange gain or loss on debt *plus*, to the extent not included in such total interest expense (and not otherwise excluded pursuant to clauses (i) through (vi) above), and to the extent Incurred by the Company or its Restricted Subsidiaries:

(a) interest expense attributable to leases constituting part of a Sale and Leaseback Transaction and to Capital Lease Obligations;

(b) amortization of debt discount; *provided, however*, that any amortization of bond premium will be credited to reduce Consolidated Interest Expense unless, pursuant to GAAP, such amortization of bond premium has otherwise reduced Consolidated Interest Expense;

(c) capitalized interest;

(d) non-cash interest expense (but excluding any non-cash interest expense attributable to the movement in the mark-to-market valuation of Hedging Obligations or other derivative instruments pursuant to GAAP);

(e) commissions, discounts and other fees and charges owed with respect to letters of credit and bankers' acceptance financing;

(f) net payments associated with Interest Rate Agreements (including amortization of fees); *provided* that if Interest Rate Agreements result in net receipts rather than net payments, such payments shall be credited to reduce Consolidated Interest Expense unless, pursuant to GAAP, such net payments are otherwise reflected in Consolidated Net Income;

(h) Preferred Stock Dividends to the extent made to Persons other than the Company or a Restricted Subsidiary;

(i) interest Incurred in connection with Investments in discontinued operations;

"*Consolidated Net Income*" means, for any period, the net income (loss) of the Company and its Restricted Subsidiaries (determined in accordance with GAAP); *provided, however*, that there shall not be included in such Consolidated Net Income:

(a) any net income (loss) of any Person (other than the Company) if such Person is not a Restricted Subsidiary, except that subject to the exclusion contained in clause (c) below, the equity of the Company and its Restricted Subsidiaries in the net income of any such Person for such period shall be included in such Consolidated Net Income up to the aggregate amount of cash distributed by such Person during such period to the Company or a Restricted Subsidiary as a dividend or other distribution (subject, in the case of a dividend or other distribution to a Restricted Subsidiary, to the limitations contained in clause (b) below);

(b) any net income (loss) of any Restricted Subsidiary (other than a Subsidiary Guarantor or the Co-Issuer) if such Restricted Subsidiary is subject to restrictions, directly or indirectly, on the payment of dividends or the making of distributions, directly or indirectly, to the Company, except that:

(1) subject to the exclusion contained in clause (c) below, the equity of the Company and its Restricted Subsidiaries in the net income of any such Restricted Subsidiary for such period shall be included in such Consolidated Net Income up to the aggregate amount of cash distributed by such Restricted Subsidiary during such period to the Company or another Restricted Subsidiary as a dividend or other distribution (subject,

in the case of a dividend or other distribution to another Restricted Subsidiary, to the limitation contained in this clause), and

(2) equity of the Company and its Restricted Subsidiaries in a net loss of any such Restricted Subsidiary for such period shall be included in determining such Consolidated Net Income;

(c) any gain (loss) realized upon the sale or other disposition of any Property of the Company or any of its Restricted Subsidiaries or any Permitted Joint Venture (including pursuant to any Sale and Leaseback Transaction) that is not sold or otherwise disposed of in the ordinary course of business (*provided* that sales or other dispositions of assets in connection with any Qualified Receivables Transaction shall be deemed to be in the ordinary course), and fees and expenses relating to any sale or other disposition or acquisition of Property, including any such proposed transaction whether or not consummated;

(d) the effect of any non-cash items resulting from any amortization, write-up, write-down, asset impairment charge or write-off of assets (including intangible assets, goodwill and deferred financing costs but excluding inventory) of the Company or any of its Restricted Subsidiaries or any Permitted Joint Venture Incurred subsequent to the Issue Date (excluding any such non-cash item to the extent that it represents an accrual of or reserve for cash expenditures in any future period except to the extent such item is subsequently reversed);

(e) any extraordinary, non-recurring or unusual gains or losses (including fees and expenses relating thereto), or income and expense (including, without limitation, relating to plant or office closures, severance, relocation, new product or new facility introduction, litigation settlements, environmental remediation costs or other restructuring costs) and income or loss from discontinued operations;

(f) any gain or loss arising from any refinancing, repurchase or extinguishment of Debt (for the avoidance of doubt, including any fees, expenses or charges relating thereto, including any such proposed transaction whether or not consummated);

(g) any unrealized gain or loss attributable to the movement in the mark to market valuation of Hedging Obligations, other derivative instruments and other items pursuant to GAAP;

(h) the cumulative effect of a change in accounting principles;

(i) any gain or loss arising from foreign currency fluctuations on foreign currency denominated Debt; and

(j) any non-cash compensation expense realized for grants of performance shares, stock options or other rights (or any other stock-based compensation) to officers, directors and employees of the Company or any Restricted Subsidiary.

(b) For the avoidance of doubt, if the Company has made an LCT Election, (1) if any of the ratios, tests or baskets for which compliance was determined or tested as of the LCT Test Date would at any time after the LCT Test Date have been exceeded or otherwise failed to have been complied with as a result of fluctuations in any such ratio, test or basket, including due to fluctuations in EBITDA or Consolidated Net Tangible Assets or other financial test or ratio or other metric of the Company or the Person subject to such Limited Condition Transaction, such baskets, tests or ratios will not be deemed to have been exceeded or failed to have been complied with as a result of such fluctuations; (2) if any related requirements and conditions (including as to the absence of any continuing Default or Event of Default) for which compliance or satisfaction was determined or tested as of the LCT Test Date would at any time after the LCT Test Date not have been complied with or satisfied (including due to the occurrence or continuation of a Default or Event of Default), such requirements and conditions will not be deemed to have been failed to be complied with or satisfied (and such Default or Event of Default shall be deemed not to have occurred or be continuing); and (3) in calculating the availability under any ratio, test or basket in connection with any action or transaction unrelated to such Limited Condition Transaction following the relevant LCT Test Date and prior to the earlier of the date on which such Limited Condition Transaction is consummated or the date that the definitive agreement for such Limited Condition Transaction is terminated or expires, as applicable, without consummation of such Limited Condition Transaction, any such ratio, test or basket shall be determined or tested giving pro forma effect to such Limited Condition Transaction.

ARTICLE 2.

THE NOTES

Section 2.01. **Form and Dating.**

(a) **General.** The Notes and the Trustee's certificate of authentication shall be substantially in the form of Exhibit A hereto, which is hereby incorporated in and expressly made part of this Indenture. The Notes may have notations, legends or endorsements required by law, stock exchange rule or usage in addition to those set forth on Exhibit A. Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of US\$2,000 and integral multiples of US\$1,000 in excess thereof. The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Issuers, the Subsidiary Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

(b) **Form of Notes.** Notes shall be issued initially in global form and shall be substantially in the form of Exhibit A attached hereto (including the Global Note Legend provided in Section 2.06(f)(ii) hereof and the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend provided in Section 2.06(f)(ii) hereof and without the "Schedule of Exchanges of Interests in the Global Note" attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified therein and each shall provide that it shall represent the aggregate principal amount of outstanding Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions and transfers of interests therein. Any endorsement of a Global Note

to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be made by the Trustee or the Custodian, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.06 hereof.

(c) **Book-Entry Provisions.** This Section 2.01(c) shall only apply to Global Notes deposited with the Depositary. Participants and Indirect Participants shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depositary or under such Global Note, and the Depositary shall be treated by the Issuers, the Trustee and any agent of the Issuers or the Trustee as the absolute owner of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuers, the Trustee or any agent of the Issuers or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depositary or impair, as between the Depositary and its Participants or Indirect Participants, the Applicable Procedures or the operation of customary practices of the Depositary governing the exercise of the rights of a holder of a beneficial interest in any Global Note.

(d) **Euroclear and Clearstream Procedures Applicable.** The provisions of the “Operating Procedures of the Euroclear System” and “Terms and Conditions Governing Use of Euroclear” and the “General Terms and Conditions of Clearstream” and “Customer Handbook” of Clearstream shall be applicable to transfers of beneficial interests in Global Notes that are held by Participants through Euroclear or Clearstream.

(e) **Certificated Securities.** If at any time the Depositary notifies the Issuers that it is unwilling or unable to continue as Depositary or if at any time the Depositary shall no longer be eligible under this Section 2.01, the Issuers shall appoint a successor Depositary. If a successor Depositary is not appointed by the Issuers within 90 days after the Issuers receive such notice or becomes aware of such ineligibility, the Issuers will execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of Definitive Notes, will authenticate and deliver Definitive Notes, in authorized denominations, in an aggregate principal amount and like terms and tenor equal to the principal amount of the Global Notes in exchange for such Global Notes.

The Issuers may at any time and in their sole discretion determine that Global Notes shall no longer be represented by such Global Notes. In such event, the Issuers will execute, and the Trustee, upon receipt of an Authentication Order for the authentication and delivery of Definitive Notes of the same terms and tenor, will authenticate and deliver Definitive Notes, in authorized denominations, and in an aggregate principal amount equal to the principal amount of the Global Notes in exchange for such Global Notes.

If specified by the Issuers pursuant to Section 2.06 with respect to Global Notes, the Depositary may surrender Global Notes in exchange in whole or in part for Definitive Notes and of like terms and tenor on such terms as are acceptable to the Issuers and such Depositary. Thereupon, the Issuers shall execute, and the Trustee upon receipt of an Authentication Order for the authentication and delivery of Definitive Notes, shall authenticate and deliver, without service charge to the holders:

(i) to each Person specified by such Depositary a new Definitive Note or Notes of the same tenor, in authorized denominations, in an aggregate principal amount equal to and in exchange for such Person’s beneficial interest in the Global Note; and

(ii) to such Depositary a new Global Note in a denomination equal to the difference, if any, between the principal amount of the surrendered Global Note and the aggregate principal amount of the Definitive Notes delivered to holders pursuant to clause (i) above.

Upon the exchange of a Global Note for Definitive Notes, such Global Note shall be cancelled by the Trustee or an agent of the Issuers or the Trustee. Definitive Notes issued in exchange for a Global Note pursuant to this Section 2.01 shall be registered in such names and in such authorized denominations as the Depositary, pursuant to instructions from its direct or indirect participants or otherwise, shall instruct the Trustee or an agent of the Issuers or the Trustee in writing. The Trustee or such agent shall deliver such Notes to or as directed by the Persons in whose names such Notes are so registered or to the Depositary.

Section 2.02. **Execution and Authentication.**

- (a) One Officer shall sign the Notes for each of the Company and the Co-Issuer by manual, facsimile or portable document format signature.
- (b) If an Officer whose signature is on a Note no longer holds that office at the time a Note is authenticated, the Note shall nevertheless be valid.
- (c) A Note shall not be valid until authenticated by the manual signature of the Trustee. The signature shall be conclusive evidence that the Note has been authenticated under this Indenture.
- (d) The Trustee shall, upon a written order of the Issuers signed by an Officer of each Issuer (an “*Authentication Order*”), authenticate Notes for original issue.
- (e) The Trustee may appoint an authenticating agent acceptable to the Issuers to authenticate Notes. Unless otherwise provided in the appointment, an authenticating agent may authenticate Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with Holders or an Affiliate of the Company or any of their respective Subsidiaries.
- (f) The Issuers may issue Additional Notes from time to time after the offering of the Initial Notes. The issuance of Additional Notes will be subject to the provisions of Section 4.09 hereof. The Initial Notes and any Additional Notes subsequently issued under this Indenture shall be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that Additional Notes will not be issued with the same CUSIP or ISIN, as applicable, as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes.

Section 2.03. **Depositary, Registrar, Paying Agent, and Custodian.**

- (a) The Issuers shall maintain an office or agency where Notes may be presented for registration of transfer or for exchange (“*Registrar*”) and an office or agency where Notes may be presented for payment (“*Paying Agent*”). The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuers may appoint one or more co-registrars and one or more additional paying agents. The term “Registrar” includes any co-registrar and the term “Paying Agent” includes any additional paying agent. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Issuers shall notify the Trustee in writing of the name and address of any Agent not a party to this Indenture. If the Issuers fail to appoint or maintain another entity as Registrar or Paying Agent, the Trustee shall act as such. The Issuers or any of its Subsidiaries may act as Paying Agent or Registrar.
- (b) The Issuers initially appoint The Depositary Trust Company (“*DTC*”) to act as Depositary with respect to the Global Notes.

(c) The Issuers initially appoint the Trustee to act as the Registrar and Paying Agent and to act as Custodian with respect to the Global Notes, and the Trustee hereby initially agrees so to act.

Section 2.04. **Paying Agent to Hold Money in Trust.**

The Issuers shall require each Paying Agent other than the Trustee, the Company or a Subsidiary to agree in writing that the Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal, premium, if any, or interest on the Notes, and shall notify the Trustee of any default by the Issuers in making any such payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Issuers at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary) shall have no further liability for the money. If the Company or a Subsidiary acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of the Holders all money held by it as Paying Agent. Upon any bankruptcy or reorganization proceedings relating to any Issuer, the Trustee shall serve as Paying Agent for the Notes.

Section 2.05. **Holder Lists.**

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of all Holders and shall otherwise comply with TIA § 312(a). If the Trustee is not the Registrar, the Issuers shall furnish to the Trustee at least five Business Days before each Interest Payment Date and at such other times as the Trustee may request in writing, a list in such form and as of such date or such shorter time as the Trustee may allow, as the Trustee may reasonably require of the names and addresses of the Holders.

Section 2.06. **Transfer and Exchange.**

(a) **Transfer and Exchange of Global Notes.** A Global Note may not be transferred as a whole except by the Depositary to a nominee of the Depositary, by a nominee of the Depositary to the Depositary or to another nominee of the Depositary, or by the Depositary or any such nominee to a successor Depositary or a nominee of such successor Depositary. All Global Notes will be exchanged by the Issuers for Definitive Notes only if (1) the Issuers deliver to the Trustee notice from the Depositary that it is unwilling or unable to continue to act as Depositary or that it is no longer a clearing agency registered under the Exchange Act and, in either case, a successor Depositary is not appointed by the Issuers within 120 days after the date of such notice from the Depositary, (2) the Issuers in their sole discretion determine that the Global Notes (in whole but not in part) should be exchanged for Definitive Notes and deliver a written notice to such effect to the Trustee or (3) an Event of Default entitling the Holders to accelerate shall have occurred and be continuing and the Registrar has received a written request from the Depositary to issue Definitive Notes. Upon the occurrence of any of the preceding events in clause (1), (2) or (3) above, Definitive Notes shall be issued in minimum denominations of US\$2,000 or integral multiples of US\$1,000 in excess thereof and in such names as the Depositary shall instruct the Trustee in writing. Global Notes also may be exchanged or replaced, in whole or in part, as provided in Sections 2.07 and 2.10 hereof. Every Note authenticated and delivered in exchange for, or in lieu of, a Global Note or any portion thereof, pursuant to this Section 2.06 or Section 2.07 or 2.10 hereof, shall be authenticated and delivered in the form of, and shall be, a Global Note. A Global Note may not be exchanged for another Note other than as provided in this Section 2.06(a), however, beneficial interests in a Global Note may be transferred and exchanged as provided in Section 2.06(b), (c) or (g) hereof.

(b) **Transfer and Exchange of Beneficial Interests in the Global Notes.** The transfer and exchange of beneficial interests in the Global Notes shall be effected through the Depositary, in

accordance with the provisions of this Indenture and the Applicable Procedures. Beneficial interests in the Restricted Global Notes shall be subject to restrictions on transfer comparable to those set forth herein to the extent required by the Securities Act. Transfers of beneficial interests in the Global Notes also shall require compliance with either clause (i) or (ii) below, as applicable, as well as one or more of the other following clauses, as applicable:

(i) Transfer of Beneficial Interests in the Same Global Note. Beneficial interests in any Restricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in the same Restricted Global Note in accordance with the transfer restrictions set forth in the Private Placement Legend. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.06(b)(i).

(ii) All Other Transfers and Exchanges of Beneficial Interests in Global Notes. In connection with all transfers and exchanges of beneficial interests that are not subject to Section 2.06(b)(i) above, the transferor of such beneficial interest must deliver to the Registrar either (A)(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to credit or cause to be credited a beneficial interest in another Global Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase or (B)(1) a written order from a Participant or an Indirect Participant given to the Depositary in accordance with the Applicable Procedures directing the Depositary to cause to be issued a Definitive Note in an amount equal to the beneficial interest to be transferred or exchanged and (2) instructions given by the Depositary to the Registrar containing information regarding the Person in whose name such Definitive Note shall be registered to effect the transfer or exchange referred to in clause (B)(1) above. Upon satisfaction of all of the requirements for transfer or exchange of beneficial interests in Global Notes contained in this Indenture and the Notes or otherwise applicable under the Securities Act, the Trustee shall adjust the principal amount of the relevant Global Note(s) pursuant to Section 2.06(g) hereof.

(iii) Transfer of Beneficial Interests in a Restricted Global Note to Another Restricted Global Note. A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(ii) above and the Registrar receives the following:

If any such transfer is effected pursuant to this clause (iv) at a time when an Unrestricted Global Note has not yet been issued, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the aggregate principal amount of beneficial interests transferred pursuant to this clause (iv).

(g) **Cancellation and/or Adjustment of Global Notes.** At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or cancelled in whole and not in part, each such Global Note shall be returned to or retained and cancelled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) **General Provisions Relating to Transfers and Exchanges.**

(i) To permit registrations of transfers and exchanges, the Company shall execute and, upon receipt of an Authentication Order in accordance with Section 2.02, the Trustee shall authenticate Global Notes and Definitive Notes upon the Issuers’ order or at the Registrar’s request.

(ii) No service charge shall be made to a Holder of a beneficial interest in a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Issuers may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 4.12, 4.16 and 9.05 hereof).

(iii) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Issuers, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(iv) In connection with any proposed transfer or exchange of Global Notes or Definitive Notes, there shall be provided to the Trustee all information necessary to allow the Trustee to comply with any applicable tax reporting obligations, including without limitation any cost basis reporting obligations under Section 6045 of the Code. The Trustee may rely on the information provided to it and shall have no responsibility to verify or ensure the accuracy of such information.

(v) Neither the Registrar nor the Issuers shall be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the

transfer of or to exchange a Note between a Regular Record Date and the next succeeding Interest Payment Date.

(vi) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Issuers may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Issuers shall be affected by notice to the contrary.

(vii) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(viii) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile or portable document format.

(ix) The Trustee is hereby authorized to enter into a letter of representation with the Depository in the form provided by the Issuers and to act in accordance with such letter.

(x) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 2.07. **Replacement Notes.**

If any mutilated Note is surrendered to the Trustee or the Issuers and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Issuers shall issue, and the Trustee, upon receipt of an Authentication Order, shall authenticate, a replacement Note if the Trustee's requirements are met. If required by the Trustee or the Issuers, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Issuers to protect the Issuers, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Issuers may charge for their expenses in replacing a Note, which amount may include any expenses of the Trustee.

Any replacement Note authenticated and delivered pursuant to this Section 2.07 in lieu of a mutilated, lost, destroyed or stolen Note shall be deemed to evidence the same Debt as the mutilated, lost, destroyed or stolen Note and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

In case any such mutilated, destroyed, lost or stolen Note had become or is about to become due and payable, the Issuers, in their discretion, may, instead of issuing a new Note, pay such Note upon satisfaction of the conditions set forth in the preceding paragraph.

The provisions of this Section 2.07 are exclusive and shall preclude (to the extent lawful) all other rights and remedies of any Holder with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 2.08. **Outstanding Notes.**

(a) The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those cancelled by it, those delivered to it for cancellation, those replaced pursuant to Section 2.07 hereof, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section 2.08 as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note; however, Notes held by the Company or a Subsidiary of the Company shall not be deemed to be outstanding for purposes of Section 3.07(c) hereof.

(b) If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser.

(c) If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

(d) If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09. **Treasury Notes.**

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, amendment, supplement, waiver or consent, Notes owned by the Company, or by any Affiliate of the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in conclusively relying on any such direction, amendment, supplement, waiver or consent, only Notes that a Responsible Officer of the Trustee actually knows are so owned shall be so disregarded.

Section 2.10. **Temporary Notes.**

Until certificates representing Notes are ready for delivery, the Issuers may prepare, and the Trustee, upon receipt of an Authentication Order, shall authenticate, temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Issuers consider appropriate for temporary Notes and as shall be acceptable to the Trustee. Without unreasonable delay, the Issuers shall prepare and the Trustee, upon the receipt of an Authentication Order and in accordance with the terms hereof, shall authenticate Definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.11. **Cancellation.**

The Issuers at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee, or at the direction of the Trustee, the Registrar, or the Paying Agent, upon direction by the Issuers, and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such cancelled Notes in accordance with its customary procedures (subject to the record retention requirements of the Exchange Act) or return them to the Issuers. The Issuers may not issue new Notes to replace Notes that they have paid or that have been delivered to the Trustee for cancellation.

Section 2.12. **Payment of Interest; Defaulted Interest.**

Interest on any Note which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Note (or one or more Predecessor Notes) is registered at the close of business on the Regular Record Date for such interest payment.

If the Issuers default in a payment of interest on the Notes, they shall pay the defaulted interest in any lawful manner *plus*, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Issuers shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Issuers shall fix or cause to be fixed each such special record date and payment date; *provided* that no such special record date shall be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Issuers (or, upon the written request of the Issuers, the Trustee in the name and at the expense of the Issuers) shall deliver or cause to be delivered to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid. Notwithstanding the foregoing, the Issuers may make payment in cash of any defaulted interest in any other lawful manner not inconsistent with the requirements of any securities exchange on which the Notes may be listed, and upon such notice as may be required by such exchange.

Section 2.13. **CUSIP or ISIN Numbers.**

The Issuers in issuing the Notes may use “CUSIP” or “ISIN” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” or “ISIN” numbers in notices of redemption as a convenience to Holders; *provided, however*, that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Notes, and any such redemption shall not be affected by any defect in or omission of such numbers. The Issuers will promptly notify the Trustee in writing of any change in the “CUSIP” or “ISIN” numbers.

Section 2.14. **Issuance of Additional Notes.**

The Issuers shall be entitled, subject to their compliance with Section 4.09 hereof, to issue Additional Notes under this Indenture which shall have identical terms as the Initial Notes issued on the Issue Date, other than with respect to the date of issuance and the date from which interest accrues. The Initial Notes issued on the Issue Date and any Additional Notes shall be treated as a single class for all purposes under this Indenture, including, without limitation, waivers, amendments, redemptions and offers to purchase; *provided* that Additional Notes will not be issued with the same CUSIP or ISIN, as applicable, as the Initial Notes unless such Additional Notes are fungible with the Initial Notes for U.S. federal income tax purposes.

With respect to any Additional Notes, each Issuer shall set forth in a resolution of its Board of Directors and the Company shall set forth in an Officers’ Certificate, a copy of each which shall be delivered to the Trustee, the following information:

- (a) the aggregate principal amount of such Additional Notes to be authenticated and delivered pursuant to this Indenture;
- (b) the date from which interest accrues, the issue date and the CUSIP number of such Additional Notes; and

- (c) whether such Additional Notes shall be subject to restrictions on transfer.

ARTICLE 3.

REDEMPTION AND PREPAYMENT

Section 3.01. **Notices to Trustee.**

If the Issuers elect to redeem Notes pursuant to the optional redemption provisions of Section 3.07 hereof and paragraph 5 of the Notes, they shall furnish to the Trustee, at least 15 days but not more than 60 days before a redemption date unless a shorter notice shall be satisfactory to the Trustee, an Officers' Certificate setting forth (i) the clause of this Indenture pursuant to which the redemption shall occur, (ii) the redemption date, (iii) the principal amount of Notes to be redeemed and (iv) the redemption price. Any such notice may be cancelled at any time prior to notice of such redemption being delivered to any Holder and shall, therefore, be void and of no effect.

Section 3.02. **Selection of Notes to be Redeemed.**

If less than all of the Notes are to be redeemed at any time, selection of such Notes, or portions thereof, for redemption will be made by the Trustee on a pro rata basis (or, in the case of Notes in global form, the Notes, or portions thereof, will be selected for redemption by DTC in accordance with DTC's applicable procedures); *provided* that, subject to compliance with DTC's applicable procedures, no Notes with a principal amount of US\$2,000 or less shall be redeemed in part. On and after the applicable redemption date, interest will cease to accrue on such Notes or portions thereof called for redemption, regardless of whether those Notes have been delivered to the Issuers for redemption, unless the Issuers default in the payment thereof. Redemption amounts shall only be paid upon presentation and surrender of any such Notes to be redeemed (in the case of Notes in global form, in accordance with the procedures of DTC).

Notes and portions of Notes selected shall be in minimum amounts of US\$2,000 or whole multiples of US\$1,000 in excess thereof, except that if all of the Notes of a Holder are to be redeemed, the entire outstanding amount of Notes held by such Holder, even if not a multiple of US\$1,000, shall be redeemed. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03. **Notice of Redemption.**

At least 10 days but not more than 60 days before a redemption date, the Issuers shall deliver, or cause to be delivered, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed (including CUSIP numbers) and shall state:

- (a) the redemption date and the conditions precedent, if any, to such redemption;
- (b) the redemption price or if the redemption is made pursuant to Section 3.07(b) the applicable calculation to determine the redemption price;
- (c) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note

or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note (or transferred by book-entry transfer);

- (d) the name and address of the Paying Agent;
- (e) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (f) that, unless the Issuers default in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (g) the paragraph of the Notes or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (h) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

The Issuers shall, or, at the Company's written request, the Trustee shall give the notice of redemption in the Issuers' name and at their expense; *provided, however*, that the Company shall have delivered to the Trustee, at least 15 days, or such shorter period allowed by the Trustee, prior to the redemption date, an Officers' Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in this Section 3.03.

Any redemption or notice of redemption may, at the Issuers' discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation or the occurrence of an equity offering, Incurrence of Debt, Change of Control or other transaction, as the case may be. In addition, if such redemption or notice is subject to satisfaction of one or more conditions precedent, such notice may state that, in the Issuers' discretion, the redemption date may be delayed until such time (including more than 60 days after the date the notice of redemption was delivered) as any or all such conditions shall be satisfied (or waived by the Issuers in their sole discretion), or such redemption may not occur and such notice may be rescinded in the event that any or all such conditions shall not have been satisfied (or waived by the Issuers in their sole discretion) by the redemption date, or by the redemption date so delayed. The Issuers shall promptly and no later than 10:00 a.m. New York City time on the redemption date, subject to DTC's applicable procedures, provide written notice to the Trustee if any such redemption has been rescinded or delayed, and upon receipt the Trustee shall provide such notice to each holder of the Notes in the same manner in which the notice of redemption was given.

The Issuers may provide in such notice that payment of the redemption price and performance of the Issuers' obligations with respect to such redemption may be performed by another Person, in which case such notice shall state the name of such other Person making the redemption.

Section 3.04. **Effect of Notice of Redemption.**

Once notice of redemption is delivered in accordance with Section 3.03 hereof, Notes called for redemption shall become irrevocably due and payable (subject to the penultimate paragraph of Section 3.03 hereof) on the redemption date at the redemption price.

Section 3.05. **Deposit of Redemption Price.**

On or before 11:00 a.m. New York City time on any redemption date, the Issuers shall deposit, or cause to be deposited, with the Trustee or with the Paying Agent money sufficient to pay the redemption

price of and accrued interest on all Notes (or portions of Notes) to be redeemed on that date. Upon the payment of any amount in connection with a redemption, the Trustee or the Paying Agent shall promptly return to the Issuers any money deposited with the Trustee or the Paying Agent by the Issuers in excess of the amounts necessary to pay the redemption price of, and accrued interest on, all Notes to be redeemed.

If the Issuers comply with the provisions of the preceding paragraph, on and after the redemption date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption, whether or not such Notes are presented for payment. If a Note is redeemed on or after a Regular Record Date but on or prior to the related Interest Payment Date, then any accrued and unpaid interest shall be paid to the Person in whose name such Note was registered at the close of business on such Regular Record Date. If any Note called for redemption shall not be so paid upon surrender for redemption because of the failure of the Issuers to comply with the preceding paragraph, interest shall be paid on the unpaid principal from the redemption date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06. **Notes Redeemed in Part.**

Upon surrender of a Note that is redeemed in part, the Issuers shall issue and, upon receipt of an Authentication Order in accordance with Section 2.02 hereof, the Trustee shall authenticate for the Holder at the expense of the Issuers a new Note equal in principal amount to the unredeemed portion of the Note surrendered (or through book-entry transfer for any Global Notes).

Section 3.07. **Optional Redemption.**

(a) The Issuers may redeem the Notes at any time. If they do so, they may redeem all or any portion of the Notes at once or over time, after giving the required notice hereunder. To redeem the Notes prior to July 15, 2027, the Issuers must pay a redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed, and

(ii) the sum of the present values of (1) the redemption price of the Notes at July 15, 2027 (as set forth below) and (2) the remaining scheduled payments of interest from the redemption date to July 15, 2027, but excluding accrued and unpaid interest to the redemption date, discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), at the Treasury Rate (determined by the Company on the second Business Day immediately preceding the date of redemption, or in the case of a discharge, on the second Business Day immediately preceding the deposit with the Trustee or Paying Agent) *plus* 50 basis points,

plus, in either case, accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

Any notice to Holders of Notes of such a redemption will include the appropriate method of calculation of the redemption price, but need not include the redemption price itself. The actual redemption price, calculated as described above, will be set forth in an Officers' Certificate delivered to the Trustee no later than two Business Days prior to the redemption date.

(b) Beginning on July 15, 2027, the Issuers may redeem all or any portion of the Notes, at once or over time, after giving the required notice under this Indenture, at the redemption prices set forth below, *plus* accrued and unpaid interest on the Notes redeemed to, but excluding, the applicable

redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date). The following prices are for Notes redeemed during the 12-month period commencing on July 15 of the years set forth below, and are expressed as percentages of principal amount:

<u>Redemption Year</u>	<u>Redemption Price</u>
2027	103.375%
2028	101.688%
2029 and thereafter	100.000%

(c) In addition, at any time and from time to time, prior to July 15, 2027, the Issuers may redeem up to a maximum of 40% of the aggregate principal amount of the Notes (including Additional Notes) with the proceeds of one or more Qualified Equity Issuances, at a redemption price equal to 106.750% of the principal amount thereof, *plus* accrued and unpaid interest thereon to, but excluding, the redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date); *provided, however*, that after giving effect to any such redemption, at least 60% of the aggregate principal amount of the Notes originally issued on the Issue Date remains outstanding. Any such redemption shall be made within 180 days of such Qualified Equity Issuance upon not less than 10 days' nor more than 60 days' prior notice.

(d) The Issuers may at any time redeem, in whole but not in part, the outstanding Notes (upon giving notice in accordance with this Indenture, which notice shall be irrevocable) at a redemption price of 100% of the principal amount thereof, *plus* accrued and unpaid interest to, but excluding, the date of redemption, and all Additional Amounts (if any) then due and which will come due on the date of redemption as a result of the redemption or otherwise, if on the next date on which any amount would be payable in respect of the Notes, the Issuers have become or would become obligated to pay any Additional Amounts in respect of the Notes, and the Issuers cannot avoid any such payment obligation by taking reasonable measures available to it, as a result of (i) any change in or amendment to the laws (or regulations promulgated thereunder) of a relevant Tax Jurisdiction, or (ii) any change in or amendment to any official position (including an official administrative ruling) regarding the application or interpretation of such laws or regulations (including a change by virtue of a holding, judgment or order by a court of competent jurisdiction), which change or amendment is announced and becomes effective on or after the Issue Date (or, if the applicable relevant Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date). Prior to the giving of any notice of redemption described in this clause (d), the Company will deliver to the Trustee an Opinion of Counsel to the effect that the Issuers have or will become obligated to pay such Additional Amounts as a result of a change or amendment described above.

Section 3.08. **Mandatory Redemption.**

Except as set forth in Sections 4.12 and 4.16 hereof with respect to offers to purchase Notes, the Issuers shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09. **Offer To Purchase by Application of Excess Proceeds.**

(a) In the event that, pursuant to Section 4.12 hereof, the Issuers shall be required to commence an offer to all Holders to purchase Notes (an "*Asset Sale Offer*"), they shall follow the procedures specified below.

(b) The Asset Sale Offer shall remain open for a period of 20 Business Days following its commencement and no longer, except to the extent that a longer period is required by applicable law (the “*Offer Period*”). No later than five Business Days after the termination of the Offer Period (the “*Purchase Date*”), the Issuers shall purchase the principal amount of Notes required to be purchased pursuant to Section 4.12 hereof (the “*Offer Amount*”) or, if less than the Offer Amount has been tendered, all Notes tendered in response to the Asset Sale Offer. Payment for any Notes so purchased shall be made in the same manner as interest payments are made.

If the Purchase Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered at the close of business on such Regular Record Date, and no additional interest shall be payable to Holders who tender Notes pursuant to the Asset Sale Offer.

Upon the commencement of the Asset Sale Offer, the Issuers shall deliver a notice to the Trustee and each of the Holders. The notice shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Asset Sale Offer. The Asset Sale Offer shall be made to all Holders. The notice, which shall govern the terms of the Asset Sale Offer, shall state:

- (i) that the Asset Sale Offer is being made pursuant to this Section 3.09 and Section 4.12 hereof and the length of time the Asset Sale Offer shall remain open;
- (ii) the Offer Amount, the purchase price and the Purchase Date;
- (iii) that any Note not tendered or accepted for payment shall continue to accrue interest;
- (iv) that, unless the Issuers default in making such payment, any Note accepted for payment pursuant to the Asset Sale Offer shall cease to accrue interest after the Purchase Date;
- (v) that Holders electing to have a Note purchased pursuant to an Asset Sale Offer may elect to have Notes purchased in minimum amounts of US\$2,000 or integral multiples of US\$1,000 in excess thereof;
- (vi) that Holders electing to have a Note purchased pursuant to any Asset Sale Offer shall be required to surrender the Note, with the form entitled “Option of Holder to Elect Purchase” on the reverse of the Note completed, or transfer by book-entry transfer, to the Issuers, a depository, if appointed by the Issuers, or a Paying Agent at the address specified in the notice at least three days before the Purchase Date;
- (vii) that Holders shall be entitled to withdraw their election if the Issuers, the Depository or the Paying Agent, as the case may be, receives, not later than the expiration of the Offer Period, a facsimile transmission or letter or other transmission in accordance with the procedures of the Depository in respect of Notes in global form setting forth the name of the Holder, the principal amount of the Note the Holder delivered for purchase and a statement that such Holder is withdrawing his election to have such Note purchased;
- (viii) that, if the aggregate principal amount of Notes surrendered by Holders exceeds the Offer Amount, the Issuers shall select the Notes to be purchased on a pro rata basis (with such adjustments as may be deemed appropriate by the Issuers so that only Notes in minimum denominations of US\$2,000 or integral multiples of US\$1,000 in excess thereof shall be purchased); and

ARTICLE 4.

COVENANTS

Section 4.01. Payment of Notes.

The Issuers shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 11:00 a.m. New York City Time on the due date money deposited by the Issuers in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Issuers shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect; they shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful.

Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

Section 4.02. Maintenance of Office or Agency.

(a) The Issuers shall maintain an office or agency (which may be an office or drop facility of the Trustee or an Affiliate of the Trustee, Registrar or co-registrar) where Notes may be presented or surrendered for registration of transfer or for exchange and where notices and demands to or upon the Issuers in respect of the Notes and this Indenture may be served. The Issuers shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Issuers shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at

the Corporate Trust Office of the Trustee, and the Issuers hereby appoint the Trustee as their agent to receive all such presentations, surrenders, notices and demands.

(b) The Issuers may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Issuers shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

(c) The Issuers hereby designate the Corporate Trust Office of the Trustee, as one such office, drop facility or agency of the Issuers in accordance with Section 2.03.

Section 4.03. **Reports.**

(a) The Company shall deliver to the Trustee, no later than fifteen (15) calendar days after the time such report is required to be filed with the Commission pursuant to the Exchange Act (including, without limitation, to the extent applicable, any extension permitted by Rule 12b-25 under the Exchange Act), a copy of each report, if any, that the Company is required to file or otherwise files with the Commission pursuant to Section 13 or 15(d) of the Exchange Act; *provided* that the Company shall not be required to deliver to the Trustee any material for which the Company has sought and obtained confidential treatment by the Commission; *provided, further*, each such report will be deemed to be so delivered to the Trustee if the Company files such report with the Commission through the Commission's EDGAR database.

(b) Notwithstanding the foregoing, in the event the Company is not subject to the reporting requirements of Section 13 or Section 15(d) of the Exchange Act and does not voluntarily file reports thereunder, the Company shall provide to the Trustee and, upon request, to each Holder, no later than fifteen (15) calendar days after the date the Company would have been required to file the same with the Commission, a form of the reports the Company would have been required to file with the Commission pursuant to Section 13 or 15(d) of the Exchange Act if the Company were subject to the reporting requirements of such sections (which form of reports for the avoidance of doubt do not need to be executed on behalf of the Company and need not include certifications otherwise required by the provisions of the Sarbanes-Oxley Act of 2002); *provided* that the Company shall not be required to provide any such reports to the Trustee or Holders (or otherwise comply with clause (a) above) for so long as the Company is a reporting issuer in a province of Canada subject to the continuous disclosure obligations under applicable Canadian provincial securities laws and makes required filings with Canadian securities regulatory authorities which are publicly available through SEDAR+.

(c) For so long as any Notes remain outstanding and the Company does not have or shall cease to have a class of equity securities registered under Section 12(g) of the Exchange Act or is not or shall cease to be subject to Section 15(d) of the Exchange Act and no longer files reports thereunder, the Company shall furnish to the Holders, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act; *provided* that each such report requested will be deemed delivered if the Company makes required filings with Canadian securities regulatory authorities which are publicly available through SEDAR+.

(d) Delivery of these reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates). The Trustee shall not have any responsibility to determine whether such posting of reports with SEDAR+ has occurred.

Section 4.04. **Compliance Certificate.**

(a) The Issuers shall deliver to the Trustee, within 120 days after the end of each fiscal year, an Officers' Certificate (which shall be signed by the principal executive, financial or accounting officer of the Company) stating that in the course of performing their duties as Officers of the Company a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company and its Subsidiaries have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company and its Subsidiaries are not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default shall have occurred and is continuing, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Issuers are taking or propose to take with respect thereto).

(b) The Company shall deliver to the Trustee within ten calendar days after becoming aware of the occurrence thereof, written notice in the form of an Officers' Certificate of any event that is continuing that with the giving of notice or the lapse of time (or both) would become an Event of Default, its status and what action the Issuers are taking or propose to take with respect thereto. The Trustee shall not be charged with knowledge of any Default or Event of Default with respect to the Notes unless a written notice of such Default or Event of Default shall have been given to an officer of the Trustee with direct responsibility for the administration of this Indenture and the Notes, by the Issuers or any Holder of the Notes.

Section 4.05. **Taxes.**

The Company shall pay or discharge, and shall cause each of its Restricted Subsidiaries to pay or discharge, prior to delinquency, all material taxes, assessments, and governmental levies; *provided* that neither the Company nor any such Restricted Subsidiary shall be required to pay or discharge, or cause to be paid or discharged, any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established in accordance with GAAP or where the failure to effect such payment is not materially adverse to the Holders.

Section 4.06. **Stay, Extension and Usury Laws.**

The Issuers covenant (to the extent that they may lawfully do so) that they shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuers (to the extent that they may lawfully do so) hereby expressly waive all benefit or advantage of any such law, and covenant that they shall not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but shall suffer and permit the execution of every such power as though no such law has been enacted.

Section 4.07. **Existence.**

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its existence, and the existence of each of its Restricted Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Restricted Subsidiary and (ii) the rights (charter and statutory), licenses and franchises of the Company and its Restricted Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the existence of any

of its Restricted Subsidiaries, if the Board of Directors of the Company shall determine that the preservation thereof is no longer desirable or necessary in the conduct of the business of the Company and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not materially adverse to the Holders of the Notes or such action is otherwise permitted by this Indenture.

Section 4.08. **[Reserved].**

Section 4.09. **Limitation on Debt.**

Notwithstanding any other provision in this Indenture, no restriction or amount will be deemed to be exceeded solely as a result of fluctuations in the exchange rate of currencies and shall not be deemed an Incurrence of Debt.

(xi) payments or distributions to dissenting stockholders pursuant to applicable law in connection with a consolidation, merger, or transfer of assets that complies with Section 5.01 hereof; provided, however, that such payment or distribution shall be excluded in the calculation of the amount of Restricted Payments pursuant to Section 4.10(a)(iii) above;

(xii) distributions or payments of fees, sales, contributions and other transfers of assets and purchases of assets pursuant to a repurchase obligation, in each case in connection with a Qualified Receivables Transaction; provided, however, that such payment or distribution shall be excluded in the calculation of the amount of Restricted Payments pursuant to Section 4.10(a)(iii) above;

(xiii) Restricted Payments in an aggregate amount not to exceed the greater of (x) \$230.0 million and (y) 6.25% of Consolidated Net Tangible Assets since the Issue Date; *provided* that at the time of such payment of such dividend or distribution, no Default or Event of Default shall have occurred and be continuing (or result therefrom); *provided, further*, that such Restricted Payments shall be excluded in the calculation of the amount of Restricted Payments pursuant to Section 4.10(a)(iii) above; and

(xiv) any Restricted Payment so long as immediately after giving effect to the making of such Restricted Payment, the Company's Total Leverage Ratio does not exceed 3.50 to 1.00; *provided* that at the time of making such Restricted Payment, no Default or Event of Default shall have occurred and be continuing (or result therefrom); *provided, further*, that such Restricted Payments shall be excluded in the calculation of the amount of Restricted Payments pursuant to Section 4.10(a)(iii) above.

For purposes of determining compliance with this Section 4.10, in the event that at the time a Restricted Payment or Permitted Investment (or any portion thereof) is made such Restricted Payment or Permitted Investment (or any portion thereof) meets the criteria of more than one of the categories of Restricted Payments under Section 4.10(a) or clauses (b)(i) through (xiv) above, or one or more of the categories of Investments described in the clauses of the definition of "Permitted Investment," then the Company, in its sole discretion, will classify (and will be entitled to divide and classify such Restricted Payment or Permitted Investment (or any portion thereof) among one or more categories and may later redivide or reclassify such Restricted Payment among such categories in any manner that complies with this Section 4.10 at the time of classification or reclassification.

Section 4.11. **Limitation on Liens.**

The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, incur or suffer to exist, any Lien (the "*Initial Lien*") securing Debt (other than Permitted Liens) upon any of its Property (including Capital Stock of a Restricted Subsidiary but excluding Capital Stock of an

Unrestricted Subsidiary), whether owned at the Issue Date or thereafter acquired, or any interest therein or any income or profits therefrom, unless it has made or will make effective provision whereby the Notes or the applicable Subsidiary Guarantee will be secured by such Lien equally and ratably with (or, if such other Debt constitutes Subordinated Obligations, prior to) all other Debt of the Company or any Restricted Subsidiary secured by such Lien for so long as such other Debt is secured by such Lien; *provided, however*, that if the Debt so secured is expressly subordinated to the Notes, then the Lien securing such Debt shall be subordinated and junior to the Lien securing the Notes or the Subsidiary Guarantees.

Any Lien created for the benefit of the Holders of the Notes pursuant to the preceding paragraph shall provide by its terms that such Lien shall be automatically and unconditionally released and discharged upon the release and discharge of the Initial Lien.

With respect to any Lien securing Debt that was permitted to secure such Debt at the time of the Incurrence of such Debt, such Lien shall also be permitted to secure any Increased Amount of such Debt. The “*Increased Amount*” of any Debt shall mean any increase in the amount of such Debt in connection with any accrual of interest, the accretion of accreted value, the amortization of original issue discount, the payment of interest in the form of additional Debt with the same terms or in the form of common stock of the Company or any direct or indirect parent of the Company, the payment of dividends on Preferred Stock in the form of additional shares of Preferred Stock of the same class and accretion of original issue discount or liquidation preference.

Section 4.12. **Limitation on Asset Sales.**

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

(i) the Company or such Restricted Subsidiary receives consideration, including the relief of liabilities, at the time of such Asset Sale at least equal to the Fair Market Value of the Property subject to such Asset Sale; and

(ii) except in the case of a Permitted Asset Swap, at least 75% of the consideration paid to the Company or such Restricted Subsidiary in connection with such Asset Sale is in the form of cash or Temporary Cash Investments.

Solely for the purposes of clause (a)(ii) of this Section 4.12, the following will be deemed to be cash:

(A) the assumption by the purchaser of liabilities of the Company or any Restricted Subsidiary (other than contingent liabilities or liabilities that are by their terms subordinated to the Notes or the applicable Subsidiary Guarantee) as a result of which the Company and the Restricted Subsidiaries are no longer obligated with respect to such liabilities;

(B) any securities, notes or other obligations received by the Company or any such Restricted Subsidiary from such purchaser to the extent they are promptly converted or monetized by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) or by their terms mature or are otherwise to be converted into cash within 180 days; and

(C) any Designated Noncash Consideration the Fair Market Value of which, when taken together with all other Designated Noncash Consideration received pursuant to this clause (C) (and not subsequently converted into cash or Temporary Cash Investments that are treated as

Net Available Cash), does not exceed the greater of (1) \$200.0 million and (2) 5.5% of the Consolidated Net Tangible Assets at the time of the receipt of such Designated Noncash Consideration, with the Fair Market Value of each item of Designated Noncash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(b) An amount equal to the Net Available Cash (or any portion thereof) from Asset Sales may be applied by the Company or a Restricted Subsidiary, to the extent the Company or such Restricted Subsidiary elects (or is required by the terms of any Debt) to any of the following uses:

(i) to Repay

(A) Debt of the Company or any Restricted Subsidiary that is secured by the Property subject to such Asset Sale (excluding any Debt owed to the Company or an Affiliate of the Company) and/or

(B) Debt under the Credit Agreement or other Debt secured by a Lien on assets of the Company or a Restricted Subsidiary (and, if the Debt repaid is revolving credit Debt, to correspondingly reduce commitments with respect thereto);

(ii) to invest or reinvest in Additional Assets (including by means of an Investment in Additional Assets by a Restricted Subsidiary with Net Available Cash received by the Company or another Restricted Subsidiary); or

(iii) to make capital expenditures or other expenditures for maintenance, repair or improvement of its Property.

Notwithstanding the foregoing, (i) any investment in Additional Assets within 180 days prior to an Asset Sale shall be deemed to satisfy clause (b)(ii) above with respect to any such Asset Sale and (ii) any capital expenditure or other expenditures for maintenance, repair or improvement of existing Property within 180 days prior to an Asset Sale shall be deemed to satisfy clause (b)(iii) above with respect to any Asset Sale.

(c) An amount equal to the Net Available Cash from an Asset Sale not applied in accordance with clause (b) of this Section 4.12 within 450 days from the date of the receipt of such Net Available Cash, or such shorter period which the Company determines in its sole discretion, or that is not segregated from the general funds of the Company for investment in identified Additional Assets in respect of a project that shall have been commenced, and for which binding contractual commitments have been entered into, prior to the end of such 450-day period and that shall not have been completed or abandoned shall constitute "*Excess Proceeds*"; *provided* that the amount of any Net Available Cash that ceases to be so segregated as contemplated above and any Net Available Cash that is segregated in respect of a project that is abandoned or completed shall also constitute "*Excess Proceeds*" at the time any such Net Available Cash ceases to be so segregated or at the time the relevant project is so abandoned or completed, as applicable; *provided, further*, that the amount of any Net Available Cash that continues to be segregated for investment at the end of such 450-day period pursuant to a binding contractual commitment entered into prior to the end of such 450-day period and that is not actually reinvested within 180 days after the end of such 450-day period shall also constitute "*Excess Proceeds*."

(d) When the aggregate amount of Excess Proceeds exceeds the greater of \$230.0 million and 6.25% of Consolidated Net Tangible Assets (not taking into account any income earned on such Excess Proceeds, if any) or such lesser amount as the Company determines in its sole discretion, the Issuers will be required to make an Asset Sale Offer, which offer shall be in the amount of the Allocable

Excess Proceeds (as defined below), on a pro rata basis, according to principal amount, at a purchase price equal to 100% of the principal amount thereof, *plus* accrued and unpaid interest to, but excluding, the Purchase Date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date falling prior to or on the Purchase Date), in accordance with the procedures (including prorating in the event of oversubscription) set forth in this Indenture, including notifying the Trustee of the offer by delivering an Officers' Certificate to the Trustee. To the extent that any portion of the amount equal to Net Available Cash remains after compliance with the preceding sentence and *provided* that all Holders of Notes have been given the opportunity to tender their Notes for purchase in accordance with this Indenture, the Company or such Restricted Subsidiary may use such remaining amount for any purpose not otherwise prohibited by this Indenture and the amount of Excess Proceeds will be reset to zero.

(e) The term "*Allocable Excess Proceeds*" shall mean the product of:

(i) the Excess Proceeds and

(ii) a fraction,

(A) the numerator of which is the aggregate principal amount of the Notes outstanding on the date of the Asset Sale Offer, and

(B) the denominator of which is the sum of the aggregate principal amount of the Notes outstanding on the date of the Asset Sale Offer and the aggregate principal amount of other Debt of the Company outstanding on the date of the Asset Sale Offer that is *pari passu* in right of payment with the Notes and subject to terms and conditions in respect of Asset Sales substantially similar to this Section 4.12 and requiring the Company and/or the Co-Issuer to make an offer to purchase such Debt at substantially the same time as the Asset Sale Offer.

(f) Within five Business Days after the Issuers are obligated to make an Asset Sale Offer as described in clause (d) of this Section 4.12, the Issuers shall deliver a written notice to the Holders of Notes, with a copy to the Trustee, accompanied by such information regarding the Company and its Subsidiaries as the Company in good faith believes will enable such Holders to make an informed decision with respect to such Asset Sale Offer. Such notice shall state, among other things, the purchase price and the purchase date, which shall be, subject to any contrary requirements of applicable law, a Business Day no earlier than 30 days nor later than 60 days from the date such notice is delivered.

If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in an Asset Sale Offer and the Issuers purchase all of the Notes validly tendered and not withdrawn by such Holders, the Issuers will have the right, upon not less than 10 nor more than 60 days' prior notice to Holders, given not more than 30 days following such purchase pursuant to the Asset Sale Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 100% of the principal amount thereof *plus* accrued and unpaid interest thereon, if any, to, but excluding, the purchase date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

(g) The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) of the Exchange Act and any other securities laws or regulations in connection with any repurchase of Notes pursuant to this Section 4.12. To the extent that the provisions of any securities laws or regulations conflict with provisions of this Section 4.12, the Issuers shall comply with the applicable securities laws

and regulations and shall not be deemed to have breached their obligations under this Section 4.12 by virtue thereof.

(h) Pending application of any amount equal to the Net Proceeds from an Asset Sale pursuant to this Section 4.12, such amount may be used by the Company in any manner not prohibited by this Indenture.

Section 4.13. **[Reserved]**.

Section 4.14. **Limitation on Transactions with Affiliates.**

(a) The Company shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, enter into or suffer to exist any transaction or series of transactions (including the purchase, sale, transfer, assignment, lease, conveyance or exchange of any Property or the rendering of any service) with, or for the benefit of, any Affiliate of the Company involving aggregate payments or value in excess of \$40.0 million (an “*Affiliate Transaction*”), unless:

(i) the terms of such Affiliate Transaction, taken as a whole, are no less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that would reasonably be expected to be obtained in a comparable arm’s-length transaction at the time of the transaction with a Person that is not an Affiliate of the Company, and

(ii) if such Affiliate Transaction involves aggregate payments or value in excess of \$75.0 million, the Board of Directors of the Company (including at least a majority of the disinterested members of the Board of Directors of the Company) approves such Affiliate Transaction and, in its good faith judgment, believes that such Affiliate Transaction complies with clause (a)(i) of this Section 4.14 as evidenced by a Board Resolution delivered to the Trustee.

(b) Notwithstanding (and without the need to comply with) the foregoing limitation, the Company or any Restricted Subsidiary may enter into or suffer to exist the following:

(i) any transaction or series of transactions between the Company and one or more Restricted Subsidiaries or between two or more Restricted Subsidiaries;

(ii) any Restricted Payment permitted to be made pursuant to Section 4.10 hereof or any Permitted Investment;

(iii) director, officer, employee or consultant indemnification agreements entered into in good faith and approved by the Board of Directors of the Company;

(iv) the payment of compensation (including amounts paid pursuant to employee benefit plans) for the personal services of officers, directors and employees of the Company or any of the Restricted Subsidiaries, whether in cash, securities or otherwise;

(v) loans and advances to employees made in the ordinary course of business and consistent with the past practices of the Company or such Restricted Subsidiary, as the case may be; *provided* that such loans and advances do not exceed \$15.0 million in the aggregate at any one time outstanding;

(vi) the issuance or sale of any Capital Stock (other than Disqualified Capital Stock) of the Company;

(vii) (x) transactions with customers, suppliers, contractors, joint venture partners or purchasers or sellers of goods or services, in each case which are in the ordinary course of business and consistent with industry practice (including, without limitation, pursuant to agreements in existence on the Issue Date) and otherwise in compliance with the terms of this Indenture and, taken as a whole, are on terms not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that would reasonably be expected to be obtained in a comparable arm's-length transaction at the time of the transaction with a Person that is not an Affiliate of the Company and (y) transactions pursuant to other agreements existing on the Issue Date and any amendment to or extension or replacement thereof on terms, as determined in good faith by the Company, taken as a whole, not materially less favorable to the Company or a Restricted Subsidiary, as applicable, than either (A) those that would reasonably be expected to be obtained in a comparable arm's-length transaction with a Person that is not an Affiliate of the Company or (B) the terms of the transaction being amended, extended or replaced;

(viii) payments or other transactions pursuant to any tax-sharing agreement approved by the Board of Directors of the Company and entered into in good faith between the Company and any other Person with which the Company files a consolidated tax return or with which the Company is a part of a consolidated group for tax purposes;

(ix) payments from Affiliates to the Company or a Restricted Subsidiary for operational, management and financial services pursuant to agreements that are on terms not materially less favorable to the Company or such Restricted Subsidiary, as the case may be, than those that would reasonably be expected to be obtained in a comparable arm's-length transaction with a Person that is not an Affiliate of the Company; and

(x) any sale, conveyance or other transfer of Receivables and other related assets customarily transferred in a Qualified Receivables Transaction and related customary transactions.

Section 4.15. Designation of Restricted and Unrestricted Subsidiaries.

In addition to the Unrestricted Subsidiaries so designated as described below, the Company may designate any other Subsidiary to be an Unrestricted Subsidiary provided that the Company could make a Restricted Payment or Permitted Investment in an amount equal to the Fair Market Value as determined in good faith by the Board of Directors of such Subsidiary pursuant to Section 4.10 and such amount is thereafter treated as a Restricted Payment or Permitted Investment for the purpose of calculating the amount available in connection with Section 4.10.

An Unrestricted Subsidiary may be designated as a Restricted Subsidiary if (i) all the Debt of such Unrestricted Subsidiary could be incurred pursuant to Section 4.09 and (ii) all the Liens on the Property and assets of such Unrestricted Subsidiary could be Incurred pursuant to Section 4.11.

Unless so designated as an Unrestricted Subsidiary, any Person that becomes a Subsidiary of the Company will be classified as a Restricted Subsidiary; provided, however, that such Subsidiary shall not be designated a Restricted Subsidiary and shall be automatically classified as an Unrestricted Subsidiary if (1) either of the requirements set forth in the immediately preceding paragraph will not be satisfied after giving pro forma effect to such classification, (2) if such Person is a Subsidiary of an Unrestricted

Subsidiary or (3) unless the Company elects otherwise, such Subsidiary is formed and exists solely for the purpose of effecting a transaction or series of transactions otherwise permitted by this Indenture and such Subsidiary will be merged, consolidated, liquidated, dissolved, wound up or amalgamated into the Company or a Restricted Subsidiary within a reasonable period following consummation of such transaction or series of transactions.

Any such designation of a Subsidiary as an Unrestricted Subsidiary (in addition to those Subsidiaries initially designated as Unrestricted Subsidiaries pursuant to the immediately following paragraph) or redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary by the Board of Directors of the Company will be evidenced to the Trustee by delivery to the Trustee of a resolution of the Board of Directors of the Company giving effect to such designation or redesignation and an Officers' Certificate that:

- (1) certifies that such designation or redesignation complies with the preceding provisions, and
- (2) gives the effective date of such designation or redesignation, such delivery to the Trustee to occur within 45 days after the end of the fiscal quarter of the Company in which such designation or redesignation is made (or, in the case of a designation or redesignation made during the last fiscal quarter of the Company's fiscal year, within 90 days after the end of such fiscal year).

As of the Issue Date, the Board of Directors of the Company has designated Greenpac Holding LLC (and its direct parent holding company), Containerboard Partners (Ontario) Inc., Air Cascades Inc., Falcon Packaging, LLC, and Cascades Lessor OK LLC (and their respective Subsidiaries) as Unrestricted Subsidiaries.

Upon designation of a Restricted Subsidiary as an Unrestricted Subsidiary in compliance with this Section 4.15, such Restricted Subsidiary shall automatically be released from any Subsidiary Guarantee previously made by such Restricted Subsidiary upon receipt by the Trustee of an Officers' Certificate and a Board Resolution in respect thereof.

Section 4.16. **Repurchase at the Option of Holders Upon a Change of Control Trigger Event.**

(a) Upon the occurrence of a Change of Control Trigger Event, the Issuers shall offer to repurchase all or any part (equal to US\$2,000 or an integral multiple of US\$1,000 in excess thereof) of the Notes pursuant to the offer described below (the "*Change of Control Offer*") at a purchase price in cash (the "*Change of Control Purchase Price*") equal to 101% of the aggregate principal amount of the Notes repurchased, *plus* accrued and unpaid interest on the Notes repurchased to, but excluding, the purchase date (subject to the right of Holders on the relevant Regular Record Date to receive interest to, but excluding, the relevant Interest Payment Date falling prior to or on the Change of Control Payment Date (as defined below)). Each Holder shall have the right to require the Issuers to repurchase all or any part (equal to US\$2,000 or an integral multiple of US\$1,000 in excess thereof) of such Holder's Notes pursuant to such offer.

Within 30 days following any Change of Control Trigger Event, unless the Issuers have delivered a redemption notice with respect to all of the outstanding Notes prior to the end of such 30-day period in accordance with Section 3.07, the Issuers shall:

(i) cause a notice of the Change of Control Offer to be sent at least once to the Dow Jones News Service or similar business news service in the United States and Canada; and

(ii) deliver, with a copy to the Trustee, to each Holder of Notes, at such Holder's address appearing in the securities register maintained in respect of the Notes by the Registrar (the "*Security Register*"), a notice stating:

(A) that a Change of Control Trigger Event has occurred and a Change of Control Offer is being made pursuant to this Section 4.16 and that all Notes timely tendered will be accepted for repurchase;

(B) the Change of Control Purchase Price and the purchase date, which shall be, subject to any contrary requirements of applicable law, a Business Day no earlier than 10 days and no later than 60 days from the date such notice is delivered (the "*Change of Control Payment Date*");

(C) the circumstances and relevant facts regarding the Change of Control Trigger Event; and

(D) the procedures that Holders must follow in order to tender their Notes (or portions thereof) for payment, and the procedures that Holders must follow in order to withdraw an election to tender Notes (or portions thereof) for payment.

The Issuers will comply, to the extent applicable, with the requirements of Section 14(e) under the Exchange Act and any other securities laws and regulations thereunder in connection with the repurchase of Notes pursuant to a Change of Control Trigger Event. To the extent that the provisions of any securities laws or regulations conflict with this Section 4.16 or other provisions of this Indenture, the Issuers will comply with the applicable securities laws and regulations and will not be deemed to have breached their obligations under this Section 4.16 or other provisions of this Indenture by virtue of such compliance.

(b) The Issuers will not be required to make a Change of Control Offer for the Notes following the occurrence of a Change of Control Trigger Event if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Issuers and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer, or (2) notice of redemption has been given pursuant to this Indenture, unless and until there is a default in payment of the applicable redemption price. A Change of Control Offer may be made in advance of a Change of Control Trigger Event, contingent upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of making the Change of Control Offer.

(c) If Holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such Notes in a Change of Control Offer and the Issuers, or any third party making a Change of Control Offer in lieu of the Issuers, purchase all of the Notes validly tendered and not withdrawn by such Holders, the Issuers or such third party will have the right, upon not less than 10 nor more than 60 days' prior notice to Holders, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof *plus* accrued and unpaid interest thereon, if any, to, but excluding, the redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

(d) On the Change of Control Payment Date, the Issuers shall, to the extent lawful:

(i) accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;

(ii) deposit with the Paying Agent an amount equal to the Change of Control Purchase Price in respect of all Notes or portions of Notes properly tendered; and

(iii) deliver or cause to be delivered to the Trustee or Paying Agent, on its behalf, the Notes properly accepted together with an Officers' Certificate stating the aggregate principal amount of Notes or portions of Notes being tendered and purchased by the Issuers.

The Paying Agent shall promptly deliver to each Holder of Notes that has properly tendered its Notes the Change of Control Purchase Price for such Notes, and the Trustee shall promptly authenticate, upon the receipt of an Authentication Order, and deliver (or cause to be transferred by book-entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any; *provided* that each new Note will be in a principal amount of US\$2,000 or an integral multiple of US\$1,000 in excess thereof.

(e) If the Change of Control Payment Date is on or after a Regular Record Date and on or before the related Interest Payment Date, any accrued and unpaid interest shall be paid to the Person in whose name a Note is registered, at the close of business on such Regular Record Date, and no additional interest shall be payable to Holders who tender pursuant to the Change of Control Offer.

(f) The provisions described above that require the Issuers to make a Change of Control Offer following a Change of Control Trigger Event shall be applicable whether or not any other provisions of this Indenture are applicable. This Indenture does not contain provisions that permit the Holders of the Notes to require that the Issuers repurchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction that does not involve a Change of Control Trigger Event.

Section 4.17. **Future Subsidiary Guarantors.**

The Company shall cause each Person that becomes a Canadian Restricted Subsidiary or U.S. Restricted Subsidiary, excluding any Excluded Subsidiary, following the Issue Date to execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit D hereto providing a Subsidiary Guarantee within 30 days after such time such Person becomes a Canadian Restricted Subsidiary or U.S. Restricted Subsidiary; *provided* that if any such Canadian Restricted Subsidiary or U.S. Restricted Subsidiary has either net assets or annual revenues, in each case, of less than 2.5% of the total consolidated net assets or annual revenues (as applicable) of the Company and its Subsidiaries individually (and either less than 5.0% of the total consolidated net assets or 5.0% of annual revenues (as applicable) of the Company and its Subsidiaries in the aggregate in respect of all Canadian Restricted Subsidiaries and U.S. Restricted Subsidiaries that do not provide a Subsidiary Guarantee), and in each case, does not Guarantee or Incur Debt in excess of \$25.0 million under any Credit Facility or any capital markets debt, Incurred after the Issue Date, such Restricted Subsidiary shall not be required to, but may, provide a Subsidiary Guarantee.

Section 4.18. **Covenant Termination.**

(a) All of the covenants set forth in Article 4 hereof shall be applicable to the Company and its Restricted Subsidiaries unless the Company reaches Investment Grade Status. After the Company has reached Investment Grade Status, and notwithstanding that the Company may later cease to have an

Investment Grade Rating from either or both of the Rating Agencies, the Company and its Restricted Subsidiaries shall be released from their obligations to comply with Sections 4.09, 4.10, 4.12, 4.14 and 4.16 but shall remain obligated to comply with the following:

- (i) Sections 4.01 through 4.07;
 - (ii) Section 4.11;
 - (iii) Section 4.15;
 - (iv) Section 4.19; and
 - (v) Section 5.01 (other than clauses (a)(v) and (b)(v) thereunder).
- (b) The Company shall notify the Trustee upon reaching Investment Grade Status.
- (c) The Trustee shall have no duty to monitor the ratings of the Notes, shall not be deemed to have any knowledge of the ratings of the Notes and shall have no duty to notify Holders of the Notes if the Notes achieve (or lose) Investment Grade Status nor shall the Trustee be liable or responsible for any calculation under this Indenture or in connection with the Notes.

Section 4.19. **Additional Amounts.**

(a) Payments made by the Issuers under or with respect to the Notes or any of the Subsidiary Guarantors with respect to any Subsidiary Guarantee shall be made free and clear of and without withholding or deduction for or on account of any present or future tax, duty, levy, assessment or other governmental charge (“*Taxes*”) unless the withholding or deduction of such Taxes is then required by law. If any deduction or withholding for, or on account of, any Taxes imposed or levied by or on behalf of (1) any jurisdiction in which any Issuer or any Subsidiary Guarantor is at any relevant time organized, engaged in business for tax purposes or resident for tax purposes or any political subdivision thereof or therein or (2) any jurisdiction from or through which payment is made by or on behalf of any Issuer or any Subsidiary Guarantor (including the jurisdiction of any paying agent) or any political subdivision thereof or therein (each, a “*Tax Jurisdiction*”) will at any time be required to be made from any payments made by any Issuer under or with respect to the Notes or any of the Subsidiary Guarantors with respect to any Subsidiary Guarantee, the Company, the Co-Issuer or the relevant Subsidiary Guarantor, as applicable, will pay to each Holder of Notes that are outstanding on the date of the required payment, such additional amounts (“*Additional Amounts*”) as may be necessary so that the net amount received by the applicable beneficial owner (including the Additional Amounts) after such withholding or deduction (including any such withholding or deduction in respect of Additional Amounts) will equal the amount such beneficial owner would have received if such Taxes had not been withheld or deducted; *provided* that no Additional Amounts will be payable with respect to a payment to a Holder or beneficial owner of the Notes in respect of the following Taxes (“*Excluded Taxes*”):

- (i) Canadian Taxes imposed because the Company does not deal at arm’s-length (within the meaning of the *Income Tax Act* (Canada)) with such Holder or beneficial owner at the time of making such payment,
- (ii) Taxes imposed by reason of such Holder or beneficial owner being connected with a relevant Tax Jurisdiction or any province or territory thereof otherwise than by the mere holding of the Notes or the receipt of payments in respect of, or enforcement of, such Note or a Subsidiary Guarantee,

(iii) Taxes payable as a result of such Holder's or beneficial owner's failure to comply with a timely request of the Company to comply with any certification, identification, documentation or other reporting requirements if compliance is required by law, regulation, administrative practice or an applicable treaty as a precondition to exemption from, or a reduction in the rate of deduction or withholding of, Taxes imposed by a relevant Tax Jurisdiction to which such Holder or beneficial owner is entitled,

(iv) estate, inheritance, gift, sales, transfer or similar Taxes,

(v) Taxes in respect of which the payment could have been made without deduction or withholding for such Taxes if such Holder or beneficial owner had presented such Notes for payment within 30 days after the date on which such payment on such Notes became due and payable or the date on which payment thereof is duly provided for, whichever is later (except to the extent that such Holder or beneficial owner would have been entitled to Additional Amounts had such Notes been presented on the last day of such 30-day period),

(vi) Canadian Taxes imposed because such payment is deemed (under subsection 214(16) of the *Income Tax Act* (Canada)) to be a dividend paid by the Company to such Holder or beneficial owner because such Holder or beneficial owner is a "specified shareholder" (within the meaning of subsection 18(5) of the *Income Tax Act* (Canada)),

(vii) any U.S. federal withholding Taxes imposed by reason of such payment being treated as allocable to the Co-Issuer for U.S. federal income tax purposes;

(viii) any withholding or deduction imposed pursuant to current Sections 1471 through 1474 of the Code or any amended or successor version that is substantively comparable and not materially more onerous to comply with, any current or future regulations or official interpretations thereof, any agreement entered into pursuant to current Section 1471(b)(1) of the Code or any amended or successor provision that is substantively comparable and not materially more onerous to comply with, and any fiscal or regulatory legislation, rules or official administrative practices adopted pursuant to any intergovernmental agreement, treaty or convention among governmental authorities and implementing such Sections of the Code, or

(ix) any combination of the Taxes described in the above clauses in this proviso.

(b) If it is the applicable withholding agent, the Company, the Co-Issuer or the relevant Subsidiary Guarantor shall also:

(i) make such withholding or deduction, and

(ii) remit the full amount deducted or withheld to the relevant authority in accordance with applicable law.

(c) The Company, the Co-Issuer or the relevant Subsidiary Guarantor will furnish, within 30 days after the date on which the payment of any Taxes is due pursuant to applicable law, to the Trustee on behalf of the Holders of the applicable Notes that are outstanding on the date of the required payment, copies of tax receipts, if any (or other documentation), evidencing the payments of Taxes made by the Company, the Co-Issuer or a Subsidiary Guarantor, as the case may be, on behalf of the Holders or beneficial owners of the applicable Notes. The Issuers and the Subsidiary Guarantors will indemnify and hold harmless each Holder (for itself and its applicable beneficial owners) and upon written request reimburse each such Holder for the amount of:

(i) any Taxes (other than Excluded Taxes) so levied or imposed by a relevant Tax Jurisdiction and paid by such Holder or beneficial owners as a result of payments made under or with respect to the Notes or any Subsidiary Guarantee,

(ii) any liability (including penalties, interest and expense) arising from such Taxes described in clause (i) above or with respect thereto, and

(iii) any Taxes (other than Excluded Taxes) imposed by a relevant Tax Jurisdiction with respect to any reimbursement under clause (i) or (ii) above.

In addition to the foregoing, the Issuers and the Subsidiary Guarantors will also pay and indemnify each Holder (for itself and its applicable beneficial owners) for any present or future stamp, issue, registration, transfer, court or documentary taxes, or any other excise or property taxes, charges or similar levies (including penalties, interest and any other liabilities related thereto) which are levied by any relevant Tax Jurisdiction on the execution, delivery, issuance, or registration of any of the Notes, this Indenture, any Subsidiary Guarantee or any other document referred to therein, or the receipt of any payments with respect thereto, or enforcement of, any of the Notes or any Subsidiary Guarantee.

(d) At least 30 days prior to each date on which any payment under or with respect to the Notes is due and payable (unless such obligation to pay Additional Amounts arises shortly before or after the 30th day prior to such date, in which case it shall be promptly thereafter), if the Company, the Co-Issuer or a Subsidiary Guarantor becomes obligated to pay Additional Amounts with respect to such payment, the Company, the Co-Issuer or the relevant Subsidiary Guarantor, as applicable, shall deliver to the Trustee an Officers' Certificate stating the fact that such Additional Amounts shall be payable, and the amounts so payable and shall set forth such other information as is necessary to enable the Trustee to pay such Additional Amounts to the Holders of the Notes on the payment date. Whenever in this Indenture there is mentioned, in any context:

(i) the payment of principal (and premium, if any),

(ii) purchase prices in connection with a repurchase of Notes,

(iii) interest, or

(iv) any other amount payable on or with respect to any of the Notes or any Subsidiary Guarantee,

such mention shall be deemed to include mention of the payment of Additional Amounts provided for in this Section 4.19 to the extent that, in such context, Additional Amounts are, were or would be payable in respect thereof.

(e) For certain payments made pursuant to this Indenture, the Trustee may be required to make a "reportable payment" or "withholdable payment" and in such cases the Trustee shall have the duty to act as a payor or withholding agent, respectively, that is responsible for any tax withholding and reporting required under Chapters 3, 4, and 61 of the Code. The Trustee shall have the sole right to make the determination as to which payments are "reportable payments" or "withholdable payments." All parties to this Indenture shall provide an executed IRS Form W-9 or appropriate IRS Form W-8 (or, in each case, any successor form) to the Trustee prior to closing, and shall promptly update any such form to the extent such form expires or becomes inaccurate in any respect because of a change in circumstances. The Trustee shall have the right to request from any party to this Indenture, or any other Person entitled to payment hereunder, any additional forms, documentation or other information as may be reasonably

necessary for the Trustee to satisfy its reporting and withholding obligations under the Code. To the extent any such forms to be delivered under this Section 4.19 are not provided prior to or by the time the related payment is required to be made or are determined by the Trustee to be incomplete and/or inaccurate in any respect, the Trustee shall be entitled to withhold on any such payments hereunder to the extent withholding is required under Chapters 3, 4, or 61 of the Code, and shall have no obligation to gross up any such payment.

(f) The obligations in this Section 4.19 will survive any termination, defeasance or discharge of this Indenture, any transfer by a Holder or beneficial owner of its Notes, and will apply, *mutatis mutandis*, to any jurisdiction in which any successor Person to the Company, the Co-Issuer or any Subsidiary Guarantor is organized, engaged in business for tax purposes or resident for tax purposes or any jurisdiction from or through which such Person makes any payment on the Notes (or any Subsidiary Guarantee) or any political subdivision thereof or therein.

(vi) the Company shall deliver, or cause to be delivered, to the Trustee, an Officers' Certificate and an Opinion of Counsel, each stating that such transaction and the supplemental indenture, if any, with respect thereto comply with this Section 5.01 and that all conditions precedent herein provided for relating to such transaction have been satisfied and that such supplemental indenture is the valid and binding obligation of the Company or Surviving Person enforceable against it in accordance with its terms.

(b) The Company shall not permit the Co-Issuer or any Subsidiary Guarantor to merge, consolidate, liquidate, dissolve, wind up or amalgamate with or into any other Person or sell, transfer, assign, lease, convey or otherwise dispose of all or substantially all its Property in any one transaction or series of transactions unless:

(iii) in the case of a sale, transfer, assignment, lease, conveyance or other disposition of all or substantially all the Property of the Co-Issuer or such Subsidiary Guarantor, such Property shall have been transferred as an entirety or virtually as an entirety to one Person;

(iv) immediately before and after giving effect to such transaction or series of transactions on a pro forma basis (and treating, for purposes of this clause (iv) and clause (v) below, any Debt that becomes an obligation of the Surviving Person, the Company or any Restricted Subsidiary as a result of such transaction or series of transactions as having been Incurred by the Surviving Person, the Company or such Restricted Subsidiary at the time of such transaction or series of transactions), no Default or Event of Default shall have occurred and be continuing;

(v) immediately after giving effect to such transaction or series of transactions on a pro forma basis, either (i) the Company would be able to Incur at least \$1.00 of additional Debt under Section 4.09(a)(i) hereof or (ii) the Consolidated Interest Coverage Ratio of the Company would be equal to or greater than such ratio immediately prior to such transaction; and

(vi) the Company shall deliver, or cause to be delivered, to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that such transaction and the supplemental indenture, if any, with respect thereto comply with this Section 5.01 and that all conditions precedent herein provided for relating to such transaction have been satisfied and that such supplemental indenture is the valid and binding obligation of the Co-Issuer, such Subsidiary Guarantor or Surviving Person, as applicable, enforceable against it in accordance with its terms.

(c) This Section 5.01 shall not prohibit the Co-Issuer or any Subsidiary Guarantor from consolidating with, merging into or transferring all or part of its assets to the Company or any other Subsidiary Guarantor. In addition, the foregoing provisions (other than subclause (iv) of clauses (a) and (b) of this Section 5.01) shall not apply to (i) any transactions which constitute an Asset Sale (or would constitute an Asset Sale, but for the transaction falling within the list of exceptions within the definition of “Asset Sale”) if the Company has not violated Section 4.12 hereof, effective upon consummation of such Asset Sale (or other qualifying transaction referenced within this clause (i)), with the Company thereafter required to apply any amount equal to Net Available Cash as so required thereunder and (ii) any transfers which result in the release of a Subsidiary Guarantor as described in Section 10.05 hereof.

(d) Any reference herein to a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, shall be deemed to apply to a division of or by a limited liability company, limited partnership or trust, or an allocation of assets to a series of a limited liability company, limited partnership or trust (or the unwinding of such a division or allocation), as if it were a merger, consolidation, amalgamation, assignment, sale, disposition or transfer, or similar term, as applicable, to, of or with a separate Person. Any division of a limited liability company, limited partnership or trust shall constitute a separate Person hereunder (and each division of any limited liability company, limited partnership or trust that is a Subsidiary, Restricted Subsidiary, Unrestricted Subsidiary, joint venture or any other like term shall also constitute such a Person or entity).

Section 5.02. **Successor Substituted.**

The Surviving Person, if applicable, shall succeed to, and be substituted for, and may exercise every right and power of the Company or the Co-Issuer (as applicable) under this Indenture (or of the Subsidiary Guarantor under the Subsidiary Guarantee, as the case may be), but the predecessor Company and Co-Issuer in the case of:

(a) a sale, transfer, assignment, conveyance or other disposition (unless such sale, transfer, assignment, conveyance or other disposition is of all the assets of the Company as an entirety or virtually as an entirety), or

(b) a lease,

shall not be released from any of the obligations or covenants under this Indenture, including with respect to the payment of the Notes.

ARTICLE 6.

DEFAULTS AND REMEDIES

Section 6.01. **Events of Default.**

(viii) a default under any Debt for money borrowed by the Company or any Restricted Subsidiary that results in acceleration of the maturity of such Debt, or failure to pay any such Debt at maturity, in an aggregate amount greater than \$125.0 million or its foreign currency equivalent at the time and such acceleration has not been rescinded or annulled within ten Business Days after the date of such acceleration;

(ix) any judgment or judgments for the payment of money in an aggregate amount in excess of \$125.0 million or its foreign currency equivalent at the time that shall be rendered against the Company or any Restricted Subsidiary and that shall not be waived, satisfied (net of any amounts that are reduced by insurance or bonded) or discharged for any period of 60 consecutive days during which a stay of enforcement shall not be in effect;

(x) the Company, the Co-Issuer or any of the Company's Significant Subsidiaries:

(A) commences a voluntary case or gives notice of intention to make a proposal under any Bankruptcy Law;

(B) consents to the entry of an order for relief against it in an involuntary case or consents to its dissolution or winding-up;

(C) consents to the appointment of a custodian of it or for all or substantially all of its property;

(D) makes a general assignment for the benefit of its creditors;

(E) admits in writing its inability to pay its debts as they become due or otherwise admits its insolvency; or

(F) seeks a stay of proceedings against it or proposes or gives notice of intention to propose a compromise, arrangement or reorganization of any of its debts or obligations under any Bankruptcy Law;

(A) is for relief against the Company, the Co-Issuer or any of the Company's Significant Subsidiaries in an involuntary case;

(B) appoints a receiver, interim receiver, receiver and manager, liquidator, trustee or custodian of the Company, the Co-Issuer or any of the Company's Significant Subsidiaries or for all or substantially all of the property of the Company, the Co-Issuer or any of the Company's Significant Subsidiaries;

and the order or decree remains unstayed and in effect for 60 consecutive days; and

(xii) any Subsidiary Guarantee of one or more Subsidiary Guarantors, which by themselves or taken together would constitute a Significant Subsidiary, ceases to be in full force and effect (other than in accordance with the terms of such Subsidiary Guarantee or this Indenture) or one or more Subsidiary Guarantors, which by themselves or taken together would constitute a Significant Subsidiary, denies or disaffirms its obligations under its Subsidiary Guarantee.

A Default under clause (v), (vi), (vii) or (viii) above is not an Event of Default until the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes then outstanding notify the Issuers of the Default and the Issuers do not cure such Default within the time specified after receipt of such notice. Such notice must specify the Default, demand that it be remedied and state that such notice is a "Notice of Default."

For the avoidance of doubt, any Default or Event of Default for the failure to comply with the time periods prescribed in this Indenture to deliver any report, notice, certificate or opinion pursuant to any provision of this Indenture shall be deemed to be cured upon the delivery of any such report, notice, certificate or opinion, as applicable, notwithstanding that such delivery is not within the prescribed period specified in this Indenture.

Section 6.02. **Acceleration.**

If any Event of Default (other than those of the type described in Section 6.01(x) or (xi) with respect to the Company or the Co-Issuer) shall have occurred and is continuing, the Trustee may, and the Trustee upon the request of Holders of 25% in principal amount of the outstanding Notes shall, or the Holders of at least 25% in principal amount of outstanding Notes may, declare the principal of all the Notes, together with all accrued and unpaid interest and premium, if any, to be due and payable by notice in writing to the Issuers and the Trustee specifying the respective Event of Default and that such notice is a notice of acceleration (the "*Acceleration Notice*"), and the Notes shall become immediately due and payable.

In the case of an Event of Default specified in Section (x) or (xi) of Section 6.01 hereof with respect to the Company or the Co-Issuer, such amount with respect to all the Notes will become due and

payable immediately without any declaration or other act on the part of the Trustee or the Holders of the Notes. Holders may not enforce this Indenture or the Notes except as provided in this Indenture.

At any time after a declaration of acceleration with respect to the Notes, but before a judgment or decree based on acceleration is obtained by the Trustee, the Holders of a majority in principal amount of the Notes then outstanding (by written notice to the Trustee) may rescind and cancel that declaration and its consequences if:

- (a) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction;
- (b) all existing Defaults and Events of Default have been cured or waived except nonpayment of principal of or interest on the Notes that has become due solely by such declaration of acceleration;
- (c) to the extent the payment of such interest is lawful, interest (at the same rate specified in the Notes) on overdue installments of interest and overdue payments of principal which has become due otherwise than by such declaration of acceleration has been paid;
- (d) the Issuers have paid the Trustee its compensation and reimbursed the Trustee for its reasonable expenses, disbursements and advances; and
- (e) in the event of the cure or waiver of an Event of Default of the type described in Section 6.01(x) or (xi), the Trustee has received an Officers' Certificate and Opinion of Counsel that such Event of Default has been cured or waived.

Section 6.03. **Other Remedies.**

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy to collect the payment of principal, premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. All remedies are cumulative to the extent permitted by law.

Section 6.04. **Waiver of Past Defaults.**

The Holders of a majority in principal amount of the Notes may waive by consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) any then existing or potential Default and its consequences, except a default in the payment of the principal of or interest on any Notes. In the event of any Event of Default specified in clause (vii) of Section 6.01 hereof, such Event of Default and all consequences of that Event of Default, including without limitation any acceleration or resulting payment default, will be annulled, waived and rescinded, automatically and without any action by the Trustee or the Holders of the Notes, if within 60 days after the Event of Default arose:

- (a) the Debt that is the basis for the Event of Default has been discharged;

(b) the holders of that Debt have rescinded or waived the acceleration, notice or action, as the case may be, giving rise to the Event of Default; or

(c) if the default that is the basis for such Event of Default has been cured.

When a Default or Event of Default is waived, it is deemed cured, but no such waiver shall extend to any subsequent or other Default or Event of Default or impair any consequent right.

Section 6.05. **Control by Majority.**

Subject to Section 7.01, Section 7.02(f) (including the Trustee's receipt of the security or indemnification described therein) and Section 7.07, in case an Event of Default shall occur and be continuing, the Holders of a majority in aggregate principal amount of the Notes then outstanding will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee with respect to the Notes; *provided, however*, that the Trustee may refuse to follow any direction (a) that conflicts with any rule of law or this Indenture, (b) that the Trustee reasonably determines is unduly prejudicial to the rights of any other Holder (it being understood that the Trustee does not have an affirmative duty to ascertain whether or not any such direction is unduly prejudicial to the rights of any other Holder), or (c) that may expose the Trustee to personal liability; *provided, further, however*, that the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction or this Indenture.

Section 6.06. **Limitation on Suits.**

No Holder will have any right to institute any proceeding with respect to this Indenture, or for the appointment of a receiver or trustee, or for any remedy thereunder, unless:

(a) such Holder has previously given to the Trustee written notice of a continuing Event of Default,

(b) Holders of at least 25% in aggregate principal amount of the Notes then outstanding have made a written request and offered security and indemnity reasonably satisfactory to the Trustee in its sole discretion against cost, loss, liability and expense to institute such proceeding as trustee, and

(c) the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the Notes then outstanding a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days.

A Holder may not use this Indenture to affect, disturb or prejudice the rights of another Holder or to obtain a preference or priority over another Holder.

Section 6.07. **Rights of Holders to Receive Payment.**

Notwithstanding any other provision of this Indenture (including, without limitation, Section 6.06), the legal right of any Holder to receive payment of principal, premium, if any, and interest on the Notes held by such Holder, on or after the respective due dates expressed in the Notes (including in connection with an offer to purchase), or to bring suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder.

Section 6.08. **Collection Suit by Trustee.**

If an Event of Default specified in Section 6.01(i) or (ii) occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Issuers for the whole amount of principal of, premium, if any, and interest then due and owing (together with interest on overdue principal and, to the extent lawful, interest) and such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

Section 6.09. **Trustee May File Proofs of Claim.**

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and the Holders allowed in any judicial proceedings relative to the Issuers, the Subsidiary Guarantors (or any other obligor upon the Notes), their creditors or their property and shall be entitled and empowered to participate as a member, voting or otherwise, of any official committee of creditors appointed in such matter and shall be entitled and empowered to collect, receive and distribute any money or other property payable or deliverable on any such claims and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder. To the extent that any such compensation, expenses and advances of the Trustee and its agents and counsel, and any other amounts due hereunder out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, moneys, securities and any other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or any plan of reorganization or arrangement or otherwise. Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. **Priorities.**

If the Trustee collects any money pursuant to this Article 6, it shall pay out the money in the following order:

First: to the Trustee, any Agent, and their attorneys for amounts due under Section 7.07 hereof, including payment of all compensation, expenses and liabilities incurred, and all advances made, by the Trustee and the costs and expenses of collection;

Second: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal, premium, if any, and interest, respectively; and

Third: to the Issuers or to such party as a court of competent jurisdiction shall direct.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11. **Undertaking for Costs.**

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as a Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs and expenses of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by the Issuers, a suit by a Holder pursuant to Section 6.07 hereof, or a suit by Holders of more than 10% in principal amount of the then outstanding Notes.

ARTICLE 7.

TRUSTEE

Section 7.01. **Duties of Trustee.**

(a) If an Event of Default which the Trustee has, or is deemed to have, notice hereunder has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in its exercise, as a prudent Person would exercise or use under the circumstances in the conduct of such Person's own affairs.

(b) Except during the continuance of an Event of Default:

(1) the duties of the Trustee shall be determined solely by the express provisions of this Indenture and the Trustee undertakes to perform only those duties that are specifically set forth in this Indenture and no others, and no implied duties, covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; *provided, however*, that in the case of any such certificates or opinions which are specifically required to be furnished to the Trustee pursuant to this Indenture, the Trustee shall examine the certificates and opinions to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein or otherwise verify the contents thereof).

(c) The Trustee may not be relieved from liabilities for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of clause (b) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to Section 6.05 hereof; and

(4) no provision of this Indenture shall require the Trustee to expend or risk its own funds or incur any liability.

(d) Whether or not therein expressly so provided, every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b) and (c) of this Section 7.01.

(e) Except for information provided by the Trustee concerning the Trustee, the Trustee shall have no responsibility for any information in any offering memorandum or other disclosure material distributed with respect to the Notes.

Section 7.02. **Rights of Trustee.**

(a) The Trustee may conclusively rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in any such document. Any facsimile or portable document format signature of any Person on a document required or permitted in this Indenture to be delivered to the Trustee shall constitute a valid and binding execution thereof by such Person.

(b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel. The Trustee may consult with counsel of its choice and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(c) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, and the Trustee shall not be responsible for the misconduct or negligence of any agent or attorney appointed with due care.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within the rights or powers conferred upon it by this Indenture.

(e) Unless otherwise specifically provided in this Indenture, any demand, request, direction or notice from the Issuers shall be sufficient if signed by an Officer of the Company.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders unless such Holders shall have offered to the Trustee security and indemnity satisfactory to the Trustee in its sole discretion against the costs, losses, expenses and liabilities that might be incurred by the Trustee in compliance with such request or direction.

(g) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof and has received written notice of any event which is in fact such a Default or Event of Default from the Company or the Holders of 25% in aggregate principal amount of the outstanding Notes, and such notice references the specific Default or Event of Default, the Notes and this Indenture and, in the absence of any such notice, the Trustee may conclusively assume that no such Default or Event of Default exists.

(h) Money held by the Trustee in trust hereunder need not be segregated from other funds except to the extent required by law. The Trustee shall be under no liability for interest on any money received by it hereunder except as otherwise agreed in writing with the Issuers.

(i) The Trustee shall not be required to give any bond or surety in respect of the performance of its power and duties hereunder.

(j) The Trustee shall have no duty to inquire as to the performance of the Issuers' covenants herein.

(k) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the defeasance or discharge of this Indenture and final payment of the Notes.

(l) The right of the Trustee to take the actions permitted by this Indenture shall not be construed as an obligation or duty to do so.

(m) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(n) In no event shall the Trustee be responsible or liable for any special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(o) The permissive rights of the Trustee enumerated herein shall not be construed as duties.

Section 7.03. **Individual Rights of Trustee.**

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights and duties. The Trustee is also subject to Sections 7.10 and 7.11 hereof.

Section 7.04. **Trustee's Disclaimer.**

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes, it shall not be accountable for the Issuers' use of the proceeds from the Notes or any money paid to the Issuers or upon the Issuers' direction under any provision of this Indenture, it shall not be responsible for the use or application of any money received by any Paying Agent other than the Trustee, acting in such capacity, and it shall not be responsible for any statement or recital herein or any statement in the Notes or any other document in connection with the sale of the Notes or pursuant to this Indenture other than its certificate of authentication.

Section 7.05. **Notice of Defaults.**

If a Default or Event of Default occurs and is continuing and if it is actually known to the Trustee, the Trustee shall deliver to Holders a notice of such Default or Event of Default within 90 days after it occurs unless such Default or Event of Default has since been cured. Except in the case of a Default or Event of Default in the payment of principal of, premium, if any, or interest on any Note, the Trustee may withhold the notice if and so long as it in good faith determines that withholding the notice is in the interests of the Holders.

Section 7.06. **Reports by Trustee to Holders.**

Within 60 days after each December 31 beginning with December 31, 2025, and for so long as Notes remain outstanding, the Trustee shall send to the Holders a brief report dated as of such reporting date that complies with TIA § 313(a) (but if no event described in TIA § 313(a) has occurred within the twelve months preceding the reporting date, no report need be transmitted).

A copy of each report at the time of its delivery to the Holders shall be delivered to the Company. The Company shall promptly notify the Trustee when the Notes are listed on or delisted from any stock exchange.

Section 7.07. **Compensation and Indemnity.**

The Issuers shall pay to the Trustee (and any Agent) from time to time such compensation as shall be agreed in writing between the Company and the Trustee for its acceptance of this Indenture and services hereunder as the Issuers and the Trustee shall agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Issuers shall reimburse the Trustee promptly upon request for all disbursements, advances and expenses incurred or made by it in addition to the compensation for its services. Such expenses shall include the compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuers shall jointly and severally indemnify the Trustee (in its capacity as Trustee and Agent) or any predecessor Trustee (in its capacity as Trustee and Agent) against any and all losses, claims, damages, penalties, fines, liabilities or expenses, including reasonable expenses and reasonable attorneys' fees ("*losses*") incurred by it arising out of or in connection with the acceptance or administration of its duties under this Indenture, including the costs and expenses (which includes attorneys' fees) of enforcing this Indenture against the Issuers (including this Section 7.07) and defending itself against any claim (whether asserted by the Issuers or any Holder or any other person) or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Trustee shall notify the Issuers promptly of any claim for which it may seek indemnity. Failure by the Trustee to so notify the Issuers shall not relieve the Issuers of their obligations hereunder. The Issuers shall defend the claim, and the Trustee shall cooperate in the defense. The Trustee may have separate counsel, and the Issuers shall pay the reasonable fees and expenses of such counsel, if the Trustee has been reasonably advised by counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the Issuers and in the reasonable judgment of such counsel it is advisable for the Trustee to engage separate counsel. The Issuers need not pay for any settlement made without their consent, which consent shall not be unreasonably withheld. Notwithstanding the forgoing, the Issuers need not reimburse any expense or indemnify against any loss, liability or expense incurred by the Trustee and caused by the Trustee's own willful misconduct or gross negligence.

The obligations of the Issuers under this Section 7.07 shall survive the satisfaction and discharge of this Indenture, the resignation or removal of the Trustee and payment in full of the Notes.

To secure the Issuers' payment obligations in this Section 7.07, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee, except that held in trust to pay principal, premium, if any, and interest on particular Notes. Such Lien shall survive the satisfaction and discharge of this Indenture.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(x) or (xi) hereof occurs, the expenses and the compensation for the services (including the fees and expenses of its agents and counsel) are intended to constitute expenses of administration under any Bankruptcy Law.

Section 7.08. **Replacement of Trustee.**

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.08.

The Trustee may resign in writing at any time upon 30 days prior notice to the Issuers and be discharged from the trust hereby created by so notifying the Issuers. The Holders of a majority in principal amount of the then outstanding Notes may remove the Trustee by so notifying the removed Trustee in writing not less than 30 days prior to the effective date of such removal and may appoint a successor Trustee with the Company's written consent, which consent shall not be unreasonably withheld. The Issuers may remove the Trustee if:

- (a) the Trustee fails to comply with Section 7.10 hereof;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason (the Trustee in such event being referred to herein as the "*retiring Trustee*"), the Issuers shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Notes may appoint a successor Trustee to replace the successor Trustee appointed by the Issuers.

If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuers, or the Holders of at least 10% in principal amount of the then outstanding Notes, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee, after written request by any Holder who has been a bona fide Holder of a Note for at least six months, fails to comply with Section 7.10 hereof, such Holder may petition any court of competent jurisdiction, at the expense of the Issuers, for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuers. Thereupon, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. The successor Trustee shall deliver a notice of its succession to Holders. Subject to the Lien provided for

in Section 7.07 hereof, the retiring Trustee shall promptly transfer all property held by it as Trustee to the successor Trustee. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuers' obligations under Section 7.07 hereof shall continue for the benefit of the retiring Trustee.

Section 7.09. **Successor Trustee by Merger, etc.**

If the Trustee consolidates, merges or converts into, or transfers or sells all or substantially all of its corporate trust business to, another corporation or banking association, the successor corporation or banking association without any further act shall, if such successor corporation or banking association is otherwise eligible hereunder, be the successor Trustee.

Section 7.10. **Eligibility; Disqualification.**

There shall at all times be a Trustee hereunder that is a Person organized and doing business under the laws of the United States of America or of any state thereof that is authorized under such laws to exercise corporate trustee power, that is subject to supervision or examination by federal or state authorities and that has a combined capital and surplus of at least \$50,000,000 (or a wholly-owned subsidiary of a bank or trust company, or of a bank holding company, the principal subsidiary of which is a bank or trust company having a combined capital and surplus of at least \$50,000,000) as set forth in its most recent published annual report of condition.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1), (2) and (5). The Trustee is subject to TIA § 310(b).

Section 7.11. **Preferential Collection of Claims Against Company.**

The Trustee is subject to TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

ARTICLE 8.

LEGAL DEFEASANCE AND COVENANT DEFEASANCE

Section 8.01. **Option to Effect Legal Defeasance or Covenant Defeasance.**

The Issuers may, at their option and at any time, elect to have either Section 8.02 or 8.03 hereof be applied to all outstanding Notes upon compliance with the applicable conditions set forth below in this Article 8.

Section 8.02. **Legal Defeasance and Discharge.**

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.02, the Issuers shall, subject to the satisfaction of the applicable conditions set forth in Section 8.04 hereof, be deemed to have been discharged from their obligations with respect to all outstanding Notes on the date the conditions set forth below are satisfied (hereinafter, "*Legal Defeasance*") and each Guarantor shall be released from all of its obligations under its Guarantee. For this purpose, Legal Defeasance means that the Issuers shall be deemed to have paid and discharged the entire Debt represented by the outstanding Notes, which shall thereafter be deemed to be "outstanding" only for the purposes of Section 8.05 hereof and the other Sections of this Indenture referred to in clauses (a), (b), (c) and (d) below, and to have satisfied all their other obligations under the Notes and this Indenture (and the Trustee, on written demand

of and at the expense of the Issuers, shall execute proper instruments acknowledging the same), except for the following provisions which shall survive until otherwise terminated or discharged hereunder: (a) the rights of Holders of outstanding Notes to receive solely from the trust fund described in Section 8.04 hereof, and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, or interest on such Notes when such payments are due, (b) the Issuers' obligations with respect to such Notes under Article 2 and the payment terms of the Notes, (c) the rights, powers, trusts, duties, indemnification and immunities of the Trustee hereunder and the Issuers' obligations in connection therewith and (d) this Article 8. If the Issuers exercise under Section 8.01 hereof the option applicable to this Section 8.02, subject to the satisfaction of the conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default with respect thereto. Subject to compliance with this Article 8, the Issuers may exercise their option under this Section 8.02 notwithstanding the prior exercise of their option under Section 8.03 hereof.

Section 8.03. Covenant Defeasance.

Upon the Issuers' exercise under Section 8.01 hereof of the option applicable to this Section 8.03, the Issuers shall, subject to the satisfaction of the applicable conditions set forth in Section 8.04 hereof, be released from their obligations under the covenants contained in Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.09 through 4.17 hereof, and the operation of Sections 5.01(a)(iv) and (a)(v) and Sections 5.01(b) hereof, with respect to the outstanding Notes on and after the date the conditions set forth in Section 8.04 hereof are satisfied (hereinafter, "*Covenant Defeasance*") and each Guarantor shall be released from all of its obligations under its Guarantee with respect to such covenants in connection with such outstanding Notes and the Notes shall thereafter be deemed not "outstanding" for the purposes of any direction, waiver, consent or declaration or act of Holders (and the consequences of any thereof) in connection with such covenants, but shall continue to be deemed "outstanding" for all other purposes hereunder (it being understood that such Notes may not be deemed outstanding for accounting purposes). For this purpose, Covenant Defeasance means that, with respect to the outstanding Notes, the Issuers may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such covenant, whether directly or indirectly, by reason of any reference elsewhere herein to any such covenant or by reason of any reference in any such covenant to any other provision herein or in any other document and such omission to comply shall not constitute a Default or an Event of Default under Section 6.01 hereof, but, except as specified above, the remainder of this Indenture and such Notes shall be unaffected thereby. If the Issuers exercise under Section 8.01 hereof the option applicable to this Section 8.03, subject to the satisfaction of the applicable conditions set forth in Section 8.04 hereof, payment of the Notes may not be accelerated because of an Event of Default specified in clause (iii), (iv), (v), (vi), (vii) (with respect to the covenants contained in Sections 4.02, 4.03, 4.04, 4.05, 4.06, 4.09 through 4.17 hereof), (viii), (ix), (x), (xi) or (xii) (but in the case of (x) and (xi) of Section 6.01 hereof, with respect to Significant Subsidiaries only) or because of the Issuers' failure to comply with clause (a)(iv), (a)(v) or (b) of Section 5.01.

Section 8.04. Conditions to Legal or Covenant Defeasance.

The following shall be the conditions to the application of either Section 8.02 or 8.03 hereof to the outstanding Notes.

Legal Defeasance or Covenant Defeasance may be exercised only if:

- (a) the Issuers irrevocably deposit with the Trustee, in trust, for the benefit of the Holders of the Notes, cash in U.S. dollars, U.S. Government Obligations or a combination of cash in U.S. dollars and U.S. Government Obligations for the payment of principal, premium, if any,

and interest on the Notes to maturity or redemption, as the case may be, and the Issuers must specify whether the Notes are being defeased to maturity or to such redemption date;

(b) the Issuers, if required by the Trustee, deliver to the Trustee a certificate from a firm of independent certified public accountants, investment bank or valuation firm, in each case, nationally recognized in the United States expressing their opinion that the payments of principal, premium, if any, and interest when due and without reinvestment on the deposited U.S. Government Obligations *plus* any deposited money without investment will provide cash at such times and in such amounts as will be sufficient to pay principal and accrued and unpaid interest when due on all the Notes to maturity or redemption, as the case may be;

(c) no Default or Event of Default has occurred and is continuing on the date of such deposit of funds with the Trustee and after giving effect thereto;

(d) in the case of Legal Defeasance, the Company delivers to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the Issue Date, there has been a change in the U.S. federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel will confirm that, the Holders and beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Legal Defeasance and will be subject to U.S. federal income tax in the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(e) in the case of Legal Defeasance, the Company delivers to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders and beneficial owners of the outstanding Notes will not recognize income, gain or loss for Canadian federal, provincial or territorial income or withholding tax purposes as a result of such Legal Defeasance and will be subject to Canadian federal, provincial or territorial income or withholding tax, as applicable, on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred;

(f) in the case of Covenant Defeasance, the Company delivers to the Trustee an Opinion of Counsel reasonably acceptable to the Trustee confirming that the Holders and beneficial owners of the outstanding Notes will not recognize income, gain or loss for U.S. federal income tax and/or Canadian federal, provincial or territorial income or withholding tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax or Canadian federal, provincial or territorial income tax or withholding tax, as applicable on the same amounts, in the same manner and at the same times as would have been the case if such Covenant Defeasance had not occurred;

(g) such Legal Defeasance or Covenant Defeasance will not result in a breach or violation of, or constitute a default under, any agreement or instrument (other than this Indenture) to which the Company or any of its Restricted Subsidiaries is a party or by which the Company or any of its Restricted Subsidiaries is bound;

(h) the Company delivers to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent relating to Legal Defeasance or Covenant Defeasance have been complied with; and

(i) notwithstanding the foregoing, the Opinion of Counsel required by clause (d) above with respect to Legal Defeasance need not be delivered if all Notes not theretofore delivered to the Trustee for cancellation (A) have become due and payable, (B) will become due and payable on the maturity date within one year or (C) as to which a redemption notice has been or will be given calling the Notes for redemption within one year, under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Section 8.05. **Deposited Cash and U.S. Government Obligations to Be Held in Trust; Other Miscellaneous Provisions.**

Subject to Section 8.06 hereof, all cash and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 8.05, the “Trustee”) pursuant to Section 8.04 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such cash and securities need not be segregated from other funds except to the extent required by law.

The Issuers shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the cash or U.S. Government Obligations deposited pursuant to Section 8.04 hereof or the principal and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article 8 to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuers from time to time upon the written request of the Issuers any cash or U.S. Government Obligations held by it as provided in Section 8.04 hereof which, in the opinion of a firm of independent certified public accountants, investment bank or valuation firm, in each case, nationally recognized in the United States expressed in a written certification thereof delivered to the Trustee (which may be the certification delivered under Section 8.04(a) hereof), are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 8.06. **Repayment to Issuers.**

For the purposes of this Article 8 and Article 11, and subject to any abandoned or unclaimed property or escheat laws, any cash or U.S. Government Obligations deposited with the Trustee or any Paying Agent, or then held by the Issuers, in trust for the payment of the principal, premium, if any, or interest on any Note and remaining unclaimed for two years after such principal, premium, if any, or interest has become due and payable shall be paid to the Issuers on their request or (if then held by the Issuers) shall be discharged from such trust; and the Holder shall thereafter, as an unsecured creditor, look only to the Issuers for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such cash and securities, and all liability of the Issuers as trustee thereof, shall thereupon cease.

Section 8.07. **Reinstatement.**

If the Trustee or Paying Agent is unable to apply any cash or U.S. Government Obligations in accordance with Section 8.02 or 8.03 hereof, as the case may be, by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Issuers’ obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to Section 8.02 or 8.03 hereof until such time as the Trustee or Paying

Agent is permitted to apply all such cash and securities in accordance with Section 8.02 or 8.03 hereof, as the case may be; *provided, however*, that, if the Issuers make any payment of principal of, premium, if any, or interest on any Note following the reinstatement of their obligations, the Issuers shall be subrogated to the rights of the Holders to receive such payment from the cash and securities held by the Trustee or Paying Agent.

ARTICLE 9.

AMENDMENT, SUPPLEMENT AND WAIVER

Section 9.01. **Without Consent of Holders of Notes.**

Notwithstanding Section 9.02 hereof, the Issuers and the Trustee may amend or supplement this Indenture or the Notes without the consent of any Holder to:

- (a) cure any ambiguity, omission, defect or inconsistency;
- (b) provide for the assumption by a Surviving Person of the obligations of the Company under this Indenture;
- (c) provide for uncertificated Notes in addition to or in place of certificated Notes; *provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code, or in a manner such that the uncertificated Notes are described in Section 163(f)(2)(B) of the Code;
- (d) add additional Subsidiary Guarantees with respect to the Notes or to release Subsidiary Guarantors from Subsidiary Guarantees as provided or permitted under this Indenture;
- (e) make any change that would provide additional rights or benefits to the Holders or that does not adversely affect the legal rights hereunder of any such Holder;
- (f) provide for the issuance of Additional Notes in accordance with this Indenture;
- (g) comply with any requirement of the Commission in connection with the qualification of this Indenture under the TIA; and
- (h) to conform the text of this Indenture or the Notes to any provision of the “Description of Notes” section in the Offering Memorandum to the extent that such provision therein is intended to be a substantially verbatim recitation of a provision in this Indenture or the Notes.

Section 9.02. **With Consent of Holders of Notes.**

Except as provided below in this Section 9.02, the Issuers and the Trustee may amend or supplement this Indenture and the Notes with the consent of the Holders of a majority in principal amount of the Notes, including Additional Notes, if any, then outstanding voting as a single class (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Notes), and, subject to Sections 6.04 and 6.07 hereof, any existing Default or Event of Default (except a continuing Default or Event of Default in the payment of principal, premium, if any, or interest on the Notes) or compliance with any provision of this Indenture or the Notes (except for certain covenants and provisions of this Indenture which cannot be amended without the consent of each Holder) may be waived with the

consent of the Holders of a majority in principal amount of the Notes, including Additional Notes, if any, then outstanding voting as a single class (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Notes).

Without the consent of each Holder affected (whether in the aggregate holding a majority in principal amount of Notes or not), an amendment or waiver under this Section 9.02 may not (with respect to any Notes held by a non-consenting Holder):

- (a) reduce the principal amount of Notes whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the rate of or change the time for payment of interest on any Notes;
- (c) reduce the principal of or change the Stated Maturity of any Notes or change the date on which any Notes may be subject to redemption or repurchase (which excludes minimum notice requirements), or reduce the redemption or repurchase price for those Notes (except, in the case of repurchases, as would otherwise be permitted under clauses (g) and (j) hereof);
- (d) make any Note payable in money other than that stated in the Note and this Indenture;
- (e) impair the legal right of any Holder to receive payment of principal of, premium and interest on that Holder's Notes on or after the due dates for those payments, or to institute suit for the enforcement of any payment on or with respect to such Holder's Notes or any Subsidiary Guarantee;
- (f) reduce the premium payable upon the redemption of any Note or change the time at which any Note may be redeemed (which, for purposes of this clause (f) and all other clauses of this Section 9.02, excludes modifying minimum notice requirements), as described in Sections 3.07 and 4.19 hereof;
- (g) after the Issuers' obligation to purchase the Notes arises under Section 4.16 hereof, amend, modify or change the obligation of the Issuers to make or consummate a Change of Control Offer or waive any default in the performance of that Change of Control Offer or modify any of the provisions or definitions with respect to any such offer;
- (h) subordinate the Notes or any Subsidiary Guarantee to any other obligation of the Issuers or the applicable Subsidiary Guarantor (for the avoidance of doubt, the granting of a security interest in any Property to secure any obligation shall not be deemed to result in the Notes being subordinated);
- (i) make any change to this Indenture or the Notes that would result in the Company, the Co-Issuer or any Subsidiary Guarantor being required to make any withholding or deduction from payments made under or with respect to the Notes (including payments made pursuant to any Subsidiary Guarantee);
- (j) make any change in the provisions of this Article 9 which require the consent of each Holder;
- (k) make any change in the provisions of Section 4.19 hereof that adversely affects the rights of any Holder or beneficial owner or amend the terms of the Notes or this Indenture in a

way that would result in a loss to any Holder of an exemption from any of the Taxes described thereunder;

(l) at any time after the Issuers are obligated to make an Asset Sale Offer pursuant to Section 4.12 hereof with the Excess Proceeds from Asset Sales, change the time at which such offer to purchase must be made or at which the Notes must be repurchased pursuant thereto; or

(m) make any change in any Subsidiary Guarantee that would adversely affect the rights of Holders to receive payments under the Subsidiary Guarantee, other than any release of a Subsidiary Guarantor in accordance with the provisions of this Indenture.

The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Persons entitled to consent to any waiver or supplemental indenture. If a record date is fixed, the Holders on such record date, or their duly designated proxies, and only such Persons, shall be entitled to consent to such waiver or supplemental indenture, whether or not such Holders remain Holders after such record date; *provided* that unless such consent shall have become effective by virtue of the requisite percentage having been obtained prior to the date which is 120 days after such record date, any such consent previously given shall automatically and without further action by any Holder be cancelled and of no further effect.

It shall not be necessary for the consent of the Holders under this Section 9.02 to approve the particular form of any proposed amendment or waiver, but it shall be sufficient if such consent approves the substance thereof.

After an amendment, supplement or waiver under this Section 9.02 becomes effective, the Issuers shall deliver to the Holder of each Note affected thereby a notice briefly describing the amendment, supplement or waiver. Any failure of the Issuers to deliver such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such amended or supplemental indenture or waiver. Subject to Sections 6.04 and 6.07 hereof, the Holders of a majority in aggregate principal amount of the Notes, including Additional Notes, if any, then outstanding voting as a single class may waive compliance in a particular instance by the Issuers with any provision of this Indenture or the Notes.

Section 9.03. **[Reserved].**

Section 9.04. **Revocation and Effect of Consents.**

Until an amendment, supplement or waiver becomes effective, a consent to it by a Holder is a continuing consent by the Holder of a Note and every subsequent Holder of a Note or portion thereof that evidences the same debt as the consenting Holder's Note, even if notation of the consent is not made on any Note. However, any such Holder or subsequent Holder may revoke the consent as to its Note or portion thereof if the Trustee receives written notice of revocation before the date the waiver, supplement or amendment becomes effective (notwithstanding that it may become operative at a later date, whether upon the satisfaction of certain conditions or otherwise). An amendment, supplement or waiver becomes effective (notwithstanding that it may become operative at a later date, whether upon the satisfaction of certain conditions or otherwise) in accordance with its terms and thereafter binds every Holder.

Section 9.05. **Notation on or Exchange of Notes.**

The Trustee may place an appropriate notation about an amendment, supplement or waiver on any Note thereafter authenticated. The Issuers in exchange for all Notes may issue and the Trustee shall,

upon receipt of an Authentication Order, authenticate new Notes that reflect the amendment, supplement or waiver.

Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

Section 9.06. **Trustee to Sign Amendments, etc.**

In executing any amended or supplemental indenture, the Trustee shall receive and (subject to Section 7.01 hereof) shall be fully protected in conclusively relying upon in addition to the documents required by Section 12.04, an Officers' Certificate and an Opinion of Counsel stating that (i) the execution of such amended or supplemental indenture is authorized or permitted by this Indenture, (ii) such amended or supplemental indenture is the valid and binding obligation of the Issuers enforceable against it in accordance with its terms, subject to customary exceptions, and (iii) such amended or supplemental indenture complies with the provisions hereof; *provided, however*, that such Opinion of Counsel need not address the matters set forth in clause (ii) above in connection with any supplemental indenture executed and delivered to the Trustee the sole purpose of which is to add an additional Subsidiary Guarantor pursuant to Section 4.17 hereof. The Trustee may, but shall not be obligated to, sign any amended or supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture.

ARTICLE 10.

SUBSIDIARY GUARANTEES

Section 10.01. **Subsidiary Guarantees.**

Subject to this Article 10, each of the Subsidiary Guarantors hereby unconditionally guarantees to each Holder of a Note authenticated and delivered by the Trustee and to the Trustee and its successors and assigns that: (a) the principal of, premium, if any, and interest on the Notes shall be promptly paid in full when due, subject to any applicable grace period, whether at maturity, by acceleration, redemption or otherwise, and interest on the overdue principal of, and interest on, the Notes, if lawful, and all other obligations of the Issuers to the Holders or the Trustee hereunder or thereunder shall be promptly paid in full or performed, all in accordance with the terms hereof and thereof; and (b) in case of any extension of time of payment or renewal of any Notes or any of such other obligations, that same shall be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, whether at stated maturity, by acceleration pursuant to Section 6.02 hereof, redemption or otherwise. Failing payment when due of any amount so guaranteed or any performance so guaranteed for whatever reason, the Subsidiary Guarantors shall be jointly and severally obligated to pay the same immediately. Each Subsidiary Guarantor agrees that this is a guarantee of payment and not a guarantee of collection.

Each Subsidiary Guarantor hereby agrees that its obligations with regard to this Subsidiary Guarantee shall be joint and several, unconditional, irrespective of the validity or enforceability of the Notes or the obligations of the Issuers under this Indenture, the absence of any action to enforce the same, the recovery of any judgment against the Issuers or any other obligor with respect to this Indenture, the Notes or the Obligations of the Issuers under this Indenture or the Notes, any action to enforce the same or any other circumstances (other than complete performance) which might otherwise constitute a legal or equitable discharge or defense of a Subsidiary Guarantor. Each Subsidiary Guarantor further, to the extent permitted by law, waives and relinquishes all claims, rights and remedies accorded by applicable law to guarantors and agrees not to assert or take advantage of any such claims, rights or remedies, including but not limited to: (a) any right to require any of the Trustee, the Holders or the Issuers (each, a

“Benefited Party”), as a condition of payment or performance by such Subsidiary Guarantor, to (1) proceed against the Issuers, any other guarantor (including any other Subsidiary Guarantor) of the Obligations under the Subsidiary Guarantees or any other Person, (2) proceed against or exhaust any security held from the Issuers, any such other guarantor or any other Person, (3) proceed against or have resort to any balance of any deposit account or credit on the books of any Benefited Party in favor of the Issuers or any other Person, or (4) pursue any other remedy in the power of any Benefited Party whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Issuers including any defense based on or arising out of the lack of validity or the unenforceability of the Obligations under the Subsidiary Guarantees or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Issuers from any cause other than payment in full of the Obligations under the Subsidiary Guarantees; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Benefited Party’s errors or omissions in the administration of the Obligations under the Subsidiary Guarantees, except behavior which amounts to bad faith; (e)(1) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms of the Subsidiary Guarantees and any legal or equitable discharge of such Subsidiary Guarantor’s obligations hereunder, (2) the benefit of any statute of limitations affecting such Subsidiary Guarantor’s liability hereunder or the enforcement hereof, (3) any rights to set-offs, recoupments and counterclaims and (4) promptness, diligence and any requirement that any Benefited Party protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentations, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance of the Subsidiary Guarantees, notices of default under the Notes or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Obligations under the Subsidiary Guarantees or any agreement related thereto, and notices of any extension of credit to the Issuers and any right to consent to any thereof; (g) to the extent permitted under applicable law, the benefits of any “One Action” rule; and (h) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms of the Subsidiary Guarantees. Except to the extent expressly provided herein, including Sections 8.02, 8.03 and 10.05 hereof, each Subsidiary Guarantor hereby covenants that its Subsidiary Guarantee shall not be discharged except by complete performance of the obligations contained in its Subsidiary Guarantee and this Indenture.

If any Holder or the Trustee is required by any court or otherwise to return to the Issuers, the Subsidiary Guarantors or any custodian, trustee, liquidator or other similar official acting in relation to either the Issuers or the Subsidiary Guarantors, any amount paid either to the Trustee or such Holder, this Subsidiary Guarantee, to the extent theretofore discharged, shall be reinstated in full force and effect.

Each Subsidiary Guarantor agrees that it shall not be entitled to any right of subrogation in relation to the Holders in respect of any obligations guaranteed hereby until payment in full of all obligations guaranteed hereby. Each Subsidiary Guarantor further agrees that, as between the Subsidiary Guarantors, on the one hand, and the Holders and the Trustee, on the other hand, (x) the maturity of the obligations guaranteed hereby may be accelerated as provided in Section 6.02 hereof for the purposes of this Subsidiary Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby and (y) in the event of any declaration of acceleration of such obligations as provided in Section 6.02 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by the Subsidiary Guarantors for the purpose of this Subsidiary Guarantee. The Subsidiary Guarantors shall have the right to seek contribution from any non-paying Subsidiary Guarantor so long as the exercise of such right does not impair the rights of the Holders under the Subsidiary Guarantee.

Section 10.02. **Limitation on Subsidiary Guarantor Liability.**

Each Subsidiary Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Subsidiary Guarantee of such Subsidiary Guarantor not constitute a fraudulent transfer or conveyance for purposes of Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or Canadian federal or provincial law to the extent applicable to any Subsidiary Guarantee. To effectuate the foregoing intention, the Trustee, the Holders and the Subsidiary Guarantors hereby irrevocably agree that the obligations of such Subsidiary Guarantor under this Article 10 shall be limited to the maximum amount as shall, after giving effect to such maximum amount and all other contingent and fixed liabilities of such Subsidiary Guarantor that are relevant under such laws, including, if applicable, its guarantee of all obligations under the Credit Agreement, and after giving effect to any collections from, rights to receive contribution from or payments made by or on behalf of any other Subsidiary Guarantor in respect of the obligations of such other Subsidiary Guarantor under this Article 10, result in the obligations of such Subsidiary Guarantor under its Subsidiary Guarantee not constituting a fraudulent transfer or conveyance.

Section 10.03. **Evidence of Subsidiary Guarantee.**

To evidence its Subsidiary Guarantee set forth in Section 10.01 hereof, each Subsidiary Guarantor hereby agrees that this Indenture shall be executed on behalf of such Subsidiary Guarantor by an Officer of such Subsidiary Guarantor.

Each Person that is required to become a Subsidiary Guarantor after the Issue Date pursuant to Section 4.17 of this Indenture shall execute and deliver to the Trustee a supplemental indenture substantially in the form of Exhibit D hereto which subjects such Person to the provisions of this Indenture as a guarantor of the Notes.

If an Officer whose signature is on this Indenture or on the Subsidiary Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Subsidiary Guarantee is endorsed, the Subsidiary Guarantee shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of the Subsidiary Guarantee set forth in this Indenture on behalf of the Subsidiary Guarantors.

Section 10.04. **Subsidiary Guarantors May Consolidate, etc., on Certain Terms.**

Except as otherwise provided in Section 10.05 hereof, no Subsidiary Guarantor may consolidate with or merge with or into (whether or not such Subsidiary Guarantor is the surviving Person) another Person whether or not affiliated with such Subsidiary Guarantor unless:

(a) subject to Section 10.05 hereof, the Person formed by or surviving any such consolidation or merger (if other than a Subsidiary Guarantor, the Company or the Co-Issuer) unconditionally assumes all the obligations of such Subsidiary Guarantor, pursuant to a supplemental indenture under this Indenture, under the Subsidiary Guarantee; or

(b) the Subsidiary Guarantor complies with the requirements of Article 5 hereof.

In case of any such consolidation, merger, sale or conveyance and upon the assumption by the successor Person, by supplemental indenture, executed and delivered to the Trustee, of the Subsidiary

Guarantee and the due and punctual performance of all of the covenants and conditions of this Indenture to be performed by the Subsidiary Guarantor, such successor Person shall succeed to and be substituted for the Subsidiary Guarantor with the same effect as if it had been named herein as a Subsidiary Guarantor. All the Subsidiary Guarantees so issued shall in all respects have the same legal rank and benefit under this Indenture as the Subsidiary Guarantees theretofore and thereafter issued in accordance with the terms of this Indenture as though all of such Subsidiary Guarantees had been issued at the date of the execution hereof.

Except as set forth in Articles 4 and 5 hereof, and notwithstanding clauses (a) and (b) above, nothing contained in this Indenture or in any of the Notes shall prevent any consolidation or merger of a Subsidiary Guarantor with or into the Company, the Co-Issuer or another Subsidiary Guarantor, or shall prevent any sale or conveyance of the property of a Subsidiary Guarantor as an entirety or substantially as an entirety to the Company, the Co-Issuer or another Subsidiary Guarantor.

Section 10.05. **Releases Following Sale or Other Disposition of Assets and Other Events.**

If

- (a) the Company sells or otherwise disposes of either:
 - (1) its ownership interest (or portion thereof) in a Subsidiary Guarantor, after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary, or
 - (2) all or substantially all of the Property of a Subsidiary Guarantor, or
- (b) a Subsidiary Guarantor sells or otherwise disposes of either:
 - (1) its ownership interest (or portion thereof) in another Subsidiary Guarantor after which the applicable Subsidiary Guarantor is no longer a Restricted Subsidiary, or
 - (2) all or substantially all of its Property or the Property of another Subsidiary Guarantor, or
- (c) the Issuers exercise their Legal Defeasance option or Covenant Defeasance option, or the Issuers' obligations under this Indenture are discharged in accordance with Article 11,

then in any such case (which may be effected by merger, consolidation or otherwise), such Subsidiary Guarantor will be released from all its obligations under its Subsidiary Guarantee.

In addition, (i) if the Company designates a Subsidiary Guarantor as an Unrestricted Subsidiary or (ii) if a Subsidiary Guarantor that has guaranteed the Notes would qualify for an exemption from the requirement to initially provide a Subsidiary Guarantee as set forth in Section 4.17 and the Company delivers an Officers' Certificate to the Trustee setting forth the basis upon which such Subsidiary Guarantor is not required to Guarantee the Notes pursuant to Section 4.17, the designated Subsidiary Guarantor or Subsidiary Guarantor referred to in such Officers' Certificate will be released from all its obligations under its Subsidiary Guarantee.

Any Subsidiary Guarantor not released from its obligations under its Subsidiary Guarantee shall remain liable for the full amount of principal of and interest on the Notes and for the other obligations of any Subsidiary Guarantor under this Indenture as provided in this Article 10.

ARTICLE 11.

SATISFACTION AND DISCHARGE

Section 11.01. **Satisfaction and Discharge.**

This Indenture will be discharged and will cease to be of further effect, except as to surviving rights of registration of transfer or exchange of the Notes, as to all Notes issued hereunder, when:

(a) either:

(i) all Notes that have been previously authenticated (except lost, stolen or destroyed Notes that have been replaced or paid and Notes for whose payment money has previously been deposited in trust or segregated and held in trust by the Issuers and is thereafter repaid to the Issuers or discharged from the trust) have been delivered to the Trustee for cancellation; or

(ii) all Notes that have not been previously delivered to the Trustee for cancellation (A) have become due and payable or (B) will become due and payable at their maturity within one year or (C) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of a notice of redemption by the Trustee, and the Issuers have irrevocably deposited or caused to be deposited with the Trustee solely for the benefit of the Holders, cash in U.S. dollars, U.S. Government Obligations, or a combination thereof, in such amounts as will be sufficient without consideration of any reinvestment of interest, to pay and discharge the entire Debt on the Notes not previously delivered to the Trustee for cancellation for principal, premium, if any, and interest on the Notes to the date of deposit, in the case of Notes that have become due and payable, or to the Stated Maturity or redemption date, as the case may be (for the avoidance of doubt, in the case of a discharge that occurs in connection with a redemption that is to occur on a redemption date, and the amount required to pay and discharge the entire Debt on the Notes cannot be determined with certainty, the amount to be deposited shall be the amount that, as of the date of such deposit, is deemed sufficient to make such payment on the redemption date, in the good faith determination of the Company as set forth in an Officers' Certificate); *provided, however*, in the event of a shortfall, the Issuers are obligated to pay any shortfall or deficiency in advance of any such proposed discharge;

(b) the Issuers have paid or caused to be paid all other sums payable by them under this Indenture; and

(c) the Company delivers to the Trustee an Officers' Certificate and Opinion of Counsel stating that all conditions precedent under this Indenture relating to the satisfaction and discharge of this Indenture have been satisfied.

Section 11.02. **Deposited Cash and U.S. Government Obligations to be Held in Trust;
Other Miscellaneous Provisions.**

Subject to Section 8.06 hereof, all cash and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee (or other qualifying trustee, collectively for purposes of this Section 11.02, the “*Trustee*”) pursuant to Section 11.01 hereof in respect of the outstanding Notes shall be held and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as Paying Agent) as the Trustee may determine, to the Holders of such Notes of all sums due and to become due thereon in respect of principal, premium, if any, and interest, but such cash and securities need not be segregated from other funds except to the extent required by law.

Section 12.06. **Rules by Trustee and Agents.**

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 12.07. **No Personal Liability of Directors, Officers, Employees and Stockholders.**

No past, present or future director, officer, employee, incorporator or stockholder of the Company, the Co-Issuer or any Subsidiary Guarantor, as such, shall have any liability for any obligations of the Company, the Co-Issuer or of the Subsidiary Guarantors under the Notes, this Indenture, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 12.08. **Governing Law; Waiver of Jury Trial.**

THE INTERNAL LAW OF THE STATE OF NEW YORK SHALL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE AND THE NOTES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

EACH OF THE PARTIES HERETO AND EACH HOLDER OF A SECURITY BY ITS ACCEPTANCE THEREOF, HEREBY IRREVOCABLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING AMONG THE PARTIES HERETO ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THEREBY.

Section 12.09. **No Adverse Interpretation of Other Agreements.**

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 12.10. **Successors.**

All covenants and agreements of the Issuers in this Indenture and the Notes shall bind their successors. All covenants and agreements of the Trustee in this Indenture shall bind its successors.

Section 12.11. **Severability.**

In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 12.12. **Consent to Jurisdiction and Service of Process.**

(a) The Issuers and the Subsidiary Guarantors irrevocably consent to the jurisdiction of the courts of the State of New York and the courts of the United States of America, in each case, located in the Borough of Manhattan, City and State of New York over any suit, action or proceeding with respect to this Indenture or the transactions contemplated hereby. The Issuers and the Subsidiary Guarantors waive any objection that they may have to the venue of any suit, action or proceeding with respect to this Indenture or the transactions contemplated hereby in the courts of the State of New York or the courts of the United States of America, in each case, located in the Borough of Manhattan, City and State of New York, or that such suit, action or proceeding brought in the courts of the State of New York or the United States of America, in each case, located in the Borough of Manhattan, City and State of New York was brought in an inconvenient court and agree not to plead or claim the same.

(b) The Company irrevocably appoints the Co-Issuer, as its authorized agent in the State of New York upon which process may be served in any such suit or proceedings, and agrees that service of process upon such agent, and written notice of said service to the Co-Issuer, by the person serving the same to the address provided in Section 12.02 hereof, shall be deemed in every respect effective service of process upon the Company in any such suit or proceeding. The Company further agrees to take any and all action as may be necessary to maintain such designation and appointment of such agent in full force and effect for a period of 10 years from the date of this Indenture.

Section 12.13. **Conversion of Currency.**

The Issuers covenant and agree that the following provisions shall apply to conversion of currency in the case of the Notes and this Indenture:

(a) (i) If, for the purpose of obtaining judgment in, or enforcing the judgment of, any court in any country, it becomes necessary to convert into a currency (the “*judgment currency*”) an amount due in any other currency (the “*Base Currency*”), then the conversion shall be made at the rate of exchange prevailing on the Business Day before the day on which the judgment is given or the order of enforcement is made, as the case may be (unless a court shall otherwise determine).

(ii) If there is a change in the rate of exchange prevailing between the Business Day before the day on which the judgment is given or an order of enforcement is made, as the case may be (or such other date as a court shall determine), and the date of receipt of the amount due, the Issuers will pay such additional (or, as the case may be, such lesser) amount, if any, as may be necessary so that the amount paid in the judgment currency when converted at the rate of exchange prevailing on the date of receipt will produce the amount in the Base Currency originally due.

(b) In the event of the winding-up of an Issuer at any time while any amount or damages owing under the Notes and this Indenture, or any judgment or order rendered in respect thereof, shall remain outstanding, the Issuers shall indemnify and hold the Holders and the Trustee harmless against any deficiency arising or resulting from any variation in rates of

exchange between (1) the date as of which the equivalent of the amount in U.S. Dollars or Canadian Dollars, as the case may be, due or contingently due under the Notes and this Indenture (other than under this clause (b)) is calculated for the purposes of such winding-up and (2) the final date for the filing of proofs of claim in such winding-up. For the purpose of this clause (b), the final date for the filing of proofs of claim in the winding-up of an Issuer shall be the date fixed by the liquidator or otherwise in accordance with the relevant provisions of applicable law as being the latest practicable date as at which liabilities of the Issuers may be ascertained for such winding-up prior to payment by the liquidator or otherwise in respect thereto.

(c) The obligations contained in clauses (a)(ii) and (b) of this Section 12.13 shall constitute obligations of the Issuers separate and independent from their other respective obligations under the Notes and this Indenture, shall give rise to separate and independent causes of action against the Issuers, shall apply irrespective of any waiver or extension granted by any Holder or the Trustee or any of them from time to time and shall continue in full force and effect notwithstanding any judgment or order or the filing of any proof of claim in the winding-up of an Issuer for a liquidated sum in respect of amounts due hereunder (other than under clause (b) above) or under any such judgment or order. Any such deficiency as aforesaid shall be deemed to constitute a loss suffered by the Holders or the Trustee, as the case may be, and no proof or evidence of any actual loss shall be required by the Issuers or the liquidator or otherwise any of them. In the case of clause (b) above, the amount of such deficiency shall not be deemed to be reduced by any variation in rates of exchange occurring between the said final date and the date of any liquidating distribution.

(d) The term “rate(s) of exchange” shall mean the noon buying rate for cable transfers as certified for customs purposes by the Bank of Canada between the Base Currency and judgment currency other than the Base Currency referred to in clauses (a) and (b) above and includes any premiums and costs of exchange payable.

(e) The Trustee shall have no duty or liability with respect to monitoring or enforcing this Section 12.13.

Section 12.14. **Currency Equivalent.**

Except as provided in Section 12.13 hereof, for purposes of the construction of the terms of this Indenture or of the Notes, in the event that any amount is stated herein in the currency of one nation (the “*First Currency*”), as of any date such amount shall also be deemed to represent the amount in the currency of any other relevant nation (the “*Other Currency*”) which is required to purchase such amount in the First Currency at the noon buying rate for cable transfers confirmed for customs purposes by the Bank of Canada between the First Currency and Other Currency on the date of determination.

Section 12.15. **Counterpart Originals.**

This Indenture shall be valid, binding, and enforceable against a party only when executed and delivered by an authorized individual on behalf of the party by means of (i) any electronic signature permitted by the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, and/or any other relevant electronic signatures law, including relevant provisions of the Uniform Commercial Code (collectively, “*Signature Law*”); (ii) an original manual signature; or (iii) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. Each party hereto shall be entitled to conclusively rely upon, and shall have no liability with respect to, any faxed, scanned, or photocopied

manual signature, or other electronic signature, of any party and shall have no duty to investigate, confirm or otherwise verify the validity or authenticity thereof. This Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but such counterparts shall, together, constitute one and the same instrument. For avoidance of doubt, original manual signatures shall be used for execution or indorsement of writings when required under the UCC or other Signature Law due to the character or intended character of the writings.

Section 12.16. **Table of Contents, Headings, etc.**

The Table of Contents and Headings in this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and shall in no way modify or restrict any of the terms or provisions hereof.

Section 12.17. **U.S.A. Patriot Act**

The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act (Title III of Pub. L. 107-56 (signed into law on October 26, 2001)), the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as is required to satisfy the requirements of the U.S.A. Patriot Act.

Section 12.18. **Force Majeure**

In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused by, directly or indirectly, forces beyond its reasonable control, including without limitation acts of war or terrorism, civil or military disturbances, and nuclear or natural catastrophes or acts of God, it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

The Issuers shall pay interest on overdue principal and premium, if any, from time to time on demand at a rate that is 1% per annum in excess of the rate then in effect under the Indenture and this Note; they shall pay interest on overdue installments of interest (without regard to any applicable grace periods) from time to time on demand at the same rate to the extent lawful. Interest shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

2. **Method of Payment.** The Issuers shall pay interest on the Notes (except defaulted interest) to the Persons in whose name this Note (or one or more Predecessor Notes) is registered at the close of business on the January 1 or July 1 next preceding the Interest Payment Date, even if such Notes are cancelled after such record date and on or before such Interest Payment Date, except as provided in Section 2.12 of the Indenture with respect to defaulted interest. The Notes shall be payable as to principal, premium, if any, and interest at the office or agency of the Issuers maintained for such purpose, or, at the option of the Issuers, payment of interest may be made by check mailed to the Holders at their addresses set forth in the Security Register; *provided, however*, that payment by wire transfer of immediately available funds shall be required with respect to principal of and interest and premium, if any, on all Global Notes and all other Notes the Holders of which shall have provided wire transfer instructions to the Issuers or the Paying Agent. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. **Paying Agent and Registrar.** Initially, Computershare Trust Company, N.A., the Trustee under the Indenture, shall act as Paying Agent and Registrar. The Issuers may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. **Indenture.** The Issuers issued the Notes under an Indenture dated as of June 11, 2025 (“Indenture”) among the Issuers, the subsidiary guarantors party thereto (the “Guarantors”) and the Trustee. The terms of the Notes include those stated in the Indenture. The Notes are subject to all such terms, and Holders are referred to the Indenture for a statement of such terms. To the extent any

provision of this Note conflicts with the provisions of the Indenture, as it may be amended or supplemented, the provisions of the Indenture shall govern and be controlling.

5. **Optional Redemption.**

(a) The Issuers may redeem the Notes at any time. If they do so, they may redeem all or any portion of the Notes at once or over time, after giving the required notice under the Indenture. To redeem the Notes prior to July 15, 2027, the Issuers must pay a redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes to be redeemed, and

(ii) the sum of the present values of (1) the redemption price of the Notes at July 15, 2027 (as set forth below) and (2) the remaining scheduled payments of interest from the redemption date to July 15, 2027, but excluding accrued and unpaid interest to the redemption date, discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months), at the Treasury Rate (determined by the Company on the second Business Day immediately preceding the date of redemption, or in the case of a discharge, on the second Business Day immediately preceding the deposit with the Trustee or Paying Agent) *plus* 50 basis points,

plus, in either case, accrued and unpaid interest to, but excluding, the redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date).

(b) Beginning on July 15, 2027, the Issuers may redeem all or any portion of the Notes, at once or over time, after giving the required notice under this Indenture, at the redemption prices set forth below, *plus* accrued and unpaid interest on the Notes redeemed to, but excluding, the applicable redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date). The following prices are for Notes redeemed during the 12-month period commencing on July 15 of the years set forth below, and are expressed as percentages of principal amount:

<u>Redemption Year</u>	<u>Redemption Price</u>
2027	103.375%
2028	101.688%
2029 and thereafter	100.000%

(c) In addition, at any time and from time to time, prior to July 15, 2027, the Issuers may redeem up to a maximum of 40% of the aggregate principal amount of the Notes (including Additional Notes) with the proceeds of one or more Qualified Equity Issuances, at a redemption price equal to 106.750% of the principal amount thereof, *plus* accrued and unpaid interest thereon to, but excluding, the redemption date (subject to the right of Holders of record on the relevant Regular Record Date to receive interest due on the relevant Interest Payment Date); *provided, however*, that after giving effect to any such redemption, at least 60% of the aggregate principal amount of the Notes originally issued on the Issue Date remains outstanding. Any such redemption shall be made within 180 days of such Qualified Equity Issuance upon not less than 10 days' nor more than 60 days' prior notice.

(d) The Issuers may at any time redeem, in whole but not in part, the outstanding Notes (upon giving notice in accordance with the Indenture, which notice shall be irrevocable) at a redemption price of 100% of the principal amount thereof, *plus* accrued and unpaid interest to, but excluding, the date of redemption, and all Additional Amounts (if any) then due and which will come due on the date of

redemption as a result of the redemption or otherwise, if on the next date on which any amount would be payable in respect of the Notes, the Issuers have become or would become obligated to pay any Additional Amounts in respect of the Notes, and the Issuers cannot avoid any such payment obligation by taking reasonable measures available to it, as a result of (i) any change in or amendment to the laws (or regulations promulgated thereunder) of a relevant Tax Jurisdiction, or (ii) any change in or amendment to any official position (including an official administrative ruling) regarding the application or interpretation of such laws or regulations (including a change by virtue of a holding, judgment or order by a court of competent jurisdiction), which change or amendment is announced and becomes effective on or after the Issue Date (or, if the applicable relevant Tax Jurisdiction became a Tax Jurisdiction on a date after the Issue Date, such later date).

(e) Any redemption pursuant to this paragraph shall be made pursuant to the provisions of Sections 3.01 through 3.07 of the Indenture.

6. **Mandatory Redemption.** Except as set forth in Sections 4.12 and 4.16 of the Indenture with respect to offers to purchase Notes, the Issuers shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

7. **Repurchase at Option of Holder.**

(a) Upon the occurrence of a Change of Control Trigger Event, the Issuers shall offer to repurchase all or any part (equal to US\$2,000 or an integral multiple of US\$1,000 in excess thereof) of the Notes (a “*Change of Control Offer*”) at a purchase price in cash equal to 101% of the aggregate principal amount of the Notes repurchased, *plus* accrued and unpaid interest on the Notes repurchased to, but excluding, the purchase date (subject to the right of Holders on the relevant Regular Record Date to receive interest to, but excluding, the relevant Interest Payment Date falling prior to or on the Change of Control Payment Date). Each Holder shall have the right to require the Issuers to repurchase all or any part (equal to US\$2,000 or an integral multiple of US\$1,000 in excess thereof) of such Holder’s Notes pursuant to such offer.

(b) An amount equal to the Net Available Cash from an Asset Sale not applied in accordance with Section 4.12(b) of the Indenture will constitute Excess Proceeds and will be required to be applied to make an Asset Sale Offer as required pursuant to Section 4.12 of the Indenture. Holders of Notes that are the subject of an offer to purchase will receive an Asset Sale Offer from the Issuers prior to any related purchase date and may elect to have such Notes purchased by completing the form entitled “Option of Holder to Elect Purchase” on the reverse of the Notes.

8. **Notice of Redemption.** At least 10 days but not more than 60 days before the redemption date, the Issuers shall deliver, or cause to be delivered, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address. Notes in denominations larger than US\$2,000 may be redeemed in part but only in whole multiples of US\$1,000 in excess thereof, unless all of the Notes held by a Holder are to be redeemed. On and after the redemption date interest will cease to accrue on Notes or portions thereof called for redemption, regardless of whether those Notes have been delivered to the Issuers for redemption, unless the Issuers default in the payment thereof. Any redemption or notice of redemption may, at the Issuers’ discretion, be subject to the satisfaction of one or more conditions precedent, including, but not limited to, consummation or the occurrence of an equity offering, Incurrence of Debt, Change of Control or other transaction, as the case may be.

9. **Denominations, Transfer, Exchange.** The Notes are in registered form without coupons in minimum denominations of US\$2,000 and integral multiples of US\$1,000 in excess thereof. This Note shall represent the aggregate principal amount of outstanding Notes from time to time endorsed

hereon and the aggregate principal amount of Notes represented hereby may from time to time be reduced or increased, as appropriate, to reflect exchanges and redemptions. The transfer of Notes may be registered and Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Issuers may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Issuers need not exchange or register the transfer of any Note or portion of a Note selected for redemption, except for the unredeemed portion of any Note being redeemed in part. Also, the Issuers need not exchange or register the transfer of any Notes for a period of 15 days before a selection of Notes to be redeemed or during the period between a record date and the corresponding Interest Payment Date.

10. **Persons Deemed Owners.** The registered Holder of a Note shall be treated as its owner for all purposes.

11. **Amendment, Supplement and Waiver.** Subject to certain exceptions, the Issuers and the Trustee may amend or supplement the Indenture and the Notes with the consent of the Holders of a majority in principal amount of the Notes, including Additional Notes, if any, then outstanding, voting as a single class (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Notes), and, subject to Sections 6.04 and 6.07 of the Indenture, any existing Default or Event of Default (except a continuing Default or Event of Default in the payment of principal, premium, if any, or interest on the Notes) or compliance with any provision of the Indenture or the Notes (except for certain covenants and provisions of the Indenture which cannot be amended without the consent of each affected Holder (whether in the aggregate holding a majority in principal amount of the Notes or not)) may be waived with the consent of the Holders of a majority in principal amount of the then outstanding Notes, including Additional Notes, if any, then outstanding voting as a single class (including consents obtained in connection with a purchase of or tender offer or exchange offer for the Notes). Without the consent of any Holder, the Issuers and the Trustee may amend or supplement the Indenture or the Notes to cure any ambiguity, omission, defect or inconsistency, to provide for the assumption by a Surviving Person of the obligations of the Company under the Indenture, to provide for uncertificated Notes in addition to or in place of certificated Notes, to add additional Subsidiary Guarantees with respect to the Notes or to release Subsidiary Guarantors from Subsidiary Guarantees as provided or permitted under the Indenture, to make any change that would provide additional rights or benefits to the Holders or that does not adversely affect the legal rights under the Indenture of any such Holder, to make any change to comply with any requirement of the Commission in connection with the qualification of the Indenture under the TIA, to provide for the issuance of Additional Notes in accordance with the Indenture or to conform the text of the Indenture or this Note to any provision of the “Description of Notes” section of the Offering Memorandum to the extent that such provision is intended to be a substantially verbatim recitation of a provision in the Indenture or this Note.

12. **Defaults and Remedies.** Each of the following is an Event of Default under the Indenture: (i) failure to make the payment of any interest (including Additional Amounts) on the Notes when the same becomes due and payable, and such failure continues for a period of 30 days; (ii) failure to make the payment of any principal of, or premium, if any, on, any of the Notes when the same becomes due and payable at its Stated Maturity, upon acceleration, redemption, optional redemption, required repurchase or otherwise; (iii) failure to comply with the provisions of Section 5.01 of the Indenture and such failure continues for a period of 30 days; (iv) failure to make a Change of Control Offer pursuant to Section 4.16 of the Indenture; (v) failure to make an Asset Sale Offer pursuant to Section 4.12 of the Indenture and such failure continues for 30 days after written notice is given to the Company as provided below; (vi) failure to comply with the provisions of Section 4.03 of the Indenture and such failure continues for a period of 120 days after written notice is given to the Company as provided below; (vii) failure to comply with any other covenant or agreement in the Notes or in the Indenture (other than a failure that is the subject of the foregoing clause (i), (ii), (iii), (iv), (v) or (vi) and such failure continues

for 60 days after written notice is given to the Company as provided below; (viii) a default under any Debt for money borrowed by the Company or any Restricted Subsidiary that results in acceleration of the maturity of such Debt, or failure to pay any such Debt at maturity, in an aggregate amount greater than \$125.0 million or its foreign currency equivalent at the time and such acceleration has not been rescinded or annulled within ten Business Days after the date of such acceleration; (ix) any judgment or judgments for the payment of money in an aggregate amount in excess of \$125.0 million or its foreign currency equivalent at the time that shall be rendered against the Company or any Restricted Subsidiary and that shall not be waived, satisfied (net of any amounts that are reduced by insurance or bonded) or discharged for any period of 60 consecutive days during which a stay of enforcement shall not be in effect; (x) certain events of bankruptcy, insolvency or reorganization affecting the Company, the Co-Issuer or any of the Company's Significant Subsidiaries described in Section 6.01(x) and 6.01(xi) of the Indenture; and (xi) any Subsidiary Guarantee of one or more Subsidiary Guarantors, which by themselves or taken together would constitute a Significant Subsidiary, ceases to be in full force and effect (other than in accordance with the terms of such Subsidiary Guarantee or the Indenture) or one or more Subsidiary Guarantors, which by themselves or taken together would constitute a Significant Subsidiary, denies or disaffirms its obligations under its Subsidiary Guarantee.

If any Event of Default (other than those arising from certain events of bankruptcy or insolvency) occurs and is continuing, the Trustee may, and the Trustee upon the request of Holders of 25% in principal amount of the outstanding Notes shall, or the Holders of at least 25% in principal amount of outstanding Notes may, declare the principal of all the Notes, together with all accrued and unpaid interest and premium, if any, to be due and payable. In the case of an Event of Default arising from certain events of bankruptcy or insolvency, such amount with respect to all the Notes will become due and payable immediately without any declaration or other act on the part of the Trustee or the Holders of the Notes. The Holders of a majority in principal amount of the Notes may waive by consent (including, without limitation, consents obtained in connection with a purchase of, or tender offer or exchange offer for, Notes) any then existing or potential Default and its consequences, except a default in the payment of the principal of or interest on any Notes.

13. **Trustee Dealings with Company.** Subject to certain limitations, the Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Company or any Affiliate of the Company with the same rights it would have if it were not Trustee.

14. **No Recourse Against Others.** No past, present or future director, officer, employee, incorporator or stockholder of the Company, the Co-Issuer or of any Subsidiary Guarantor, as such, shall have any liability for any obligations of the Company, the Co-Issuer or any Subsidiary Guarantor under the Indenture, the Notes, the Subsidiary Guarantees or for any claim based on, in respect of, or by reason of, such obligations or their creation. Holders. No representation is made as to the accuracy of such numbers either as printed on the Notes or as contained in any notice of redemption and reliance may be placed only on the other identification numbers placed thereon.
