

SENDERO RESOURCES CORP.
(An Exploration Stage Company)

**MANAGEMENT'S DISCUSSION AND ANALYSIS – QUARTERLY HIGHLIGHTS
FOR THE SIX MONTHS ENDED JANUARY 31, 2026**

Sendero Resources Corp. (“Sendero” or the “Company”) is a junior mineral exploration company listed on the TSX Venture Exchange (the “Exchange”) since October 4, 2023 under the symbol “SEND”. The Company focuses on exploring for copper and gold deposits in Argentina. On February 24, 2026, the Company was accepted for listing on the Frankfurt Stock Exchange (FSE) and started trading under the symbol 9O40.

Sendero’s principal property is the Peñas Negras Property in La Rioja Province, Argentina.

This MD&A is dated March 27, 2026 and discloses specified information up to that date. The following information should be read in conjunction with the unaudited condensed interim consolidated financial statements and the related notes for the six months ended January 31, 2026 which have been prepared in accordance with IFRS Accounting Standards (“IFRS”) applicable to a going concern basis, which assumes that the Company will be able to realize its assets and discharge its liabilities in the normal course of business for the foreseeable future. The continuing operations of the Company are dependent upon its ability to raise adequate financing to develop its exploration assets, and to commence profitable operations in the future. To date, the Company has not generated any significant revenues and is considered to be in the exploration stage. There are material uncertainties that cast significant doubt about the appropriateness of the going concern assumption. All dollar figures included in those financial statements and/or this MD&A are quoted in Canadian dollars unless otherwise specified.

FORWARD LOOKING STATEMENTS

Certain sections of this MD&A provide, or may appear to provide, forward-looking statements within the meaning of applicable Canadian securities laws with respect to the Company’s activities and its future results. Consequently, certain statements contained in this MD&A constitute expressed or implied forward-looking statements. Terms including, but not limited to, “anticipate”, “estimate”, “believe” and “expect” may identify forward-looking statements. Forward-looking statements, while they are based on the current knowledge and assumptions of the Company’s management, are subject to risks and uncertainties that could cause or contribute to the actual results being materially different than those expressed or implied. Readers are cautioned not to place undue reliance on any forward-looking statement that may be in this MD&A. All forward-looking statements in this MD&A are qualified by this cautionary note.

Forward looking statements that have been made in this MD&A include:

- Plans for investigation of the Company’s exploration assets;
- Impairment of long-life assets;
- The progress, potential and uncertainties of the Company’s exploration assets in Argentina;
- Estimates of how long the Company expects its working capital to last;
- Expectations regarding the ability to raise capital and to continue its exploration and development plans on its properties; and
- Management expectations of future activities and results.

The material factors or assumptions that the Company has identified and applied in drawing conclusions or making forecasts or projections set out in the forward-looking statements include, but are not limited to:

- No significant interruptions to operations due to social or political unrest in the regions the Company's operates;
- No significant interruptions to the Company's exploration of the Peñas Negras Project, including with respect to timely receipt of appropriate permits;
- The ability to execute on exploration plans;
- Anticipated metals prices and costs of production;
- The supply and demand for metals the Company produces;
- The supply and availability of all forms of energy and fuels at reasonable prices;
- No significant unanticipated operational or technical difficulties;
- The availability of additional financing;
- The timing and receipt of various regulatory and governmental approvals;
- The availability of personnel for exploration, development and operational projects and ongoing employee relations;
- Maintaining good relations with the communities in which the Company operates;
- No significant unanticipated events or changes relating to regulatory, environmental, health and safety matters;
- No contests over title to the Company's properties, including as a result of rights or claimed rights of Indigenous peoples or challenges to the validity of the Company's mining claims; and
- No significant and continuing adverse changes in the general economic conditions or conditions in the financial markets (including commodity prices and foreign exchanges rates).

The risks, uncertainties, contingencies and other factors that may cause actual results to differ materially from those expressed or implied by the forward-looking information may include, but are not limited to, inherent risks within the mining industry, risks related to the Company's limited operating history, risks related to the Company's dependence on the Peñas Negras Project, risks related to the Company's historical and anticipated negative cash flow, future litigation, risks related to the Company's dependence on key personnel, risks related to the availability of adequate infrastructure to explore the Peñas Negras Project, risks related to any future acquisitions the Company may undertake, risks related to the volatility in gold and other commodity prices, risks related to foreign currency exchange rate fluctuations, risks associated with operating in a foreign country, such as Argentina, risks related to the competitive nature of the mining and exploration industry, risks related to the availability of financing to fund future operations of the Company, as well as the risks discussed under the heading "Risk Factors" in the Company's Listing Application and under the heading "Risks and Uncertainties" in this MD&A, each of which is available under the Company's profile on SEDAR+ at www.sedarplus.ca.

Should one or more risk, uncertainty, contingency or other factor materialize or should any factor or assumption prove incorrect, actual results could vary materially from those expressed or implied in the forward-looking statements. Accordingly, readers should not place undue reliance on forward-looking statements. The Company does not assume any obligation to update or revise any forward-looking statement after the date of this MD&A or to explain any material difference between subsequent actual events and any forward-looking information, except as required by applicable law.

SUMMARY OF RECENT EXPLORATION AND EVALUATION WORK

Analysis and integration of historical exploration data is proceeding on several fronts, with the objective of a comprehensive exploration model to guide future work on Peñas Negras property.

On March 4, 2024, and amended on July 15, 2025, the Company entered into an arm's length option agreement with Energía y Minerales - Sociedad del Estado ("EMSE") - the Energy and Minerals State Society of La Rioja, to increase the Company's land position in the Vicuña District (the "Option Agreement"). Pursuant to the Option Agreement, upon satisfying certain financial commitments, the Company will acquire a 100% interest in certain mineral concessions.

Pursuant to the terms of the Option Agreement, the Company will acquire a 100% interest in the mineral concessions by satisfying the following deliverables:

- i. Pay EMSE an aggregate of US \$65,000, as follows:
 - US \$15,000 within 30 days from the effect date of the agreement (paid);
 - US \$10,000 on or before July 15, 2026;
 - US \$10,000 on or before July 15, 2027;
 - US \$10,000 on or before July 15, 2028;
 - US \$10,000 on or before July 15, 2029; and
 - US \$10,000 on or before July 15, 2030.
- ii. The Company shall complete work expenditures of US \$5,000,000 within five years on the Peñas Negras Project on the following terms:
 - US \$250,000 on or before July 15, 2026;
 - US \$350,000 on or before July 15, 2027;
 - US \$1,000,000 on or before July 15, 2028;
 - US \$1,400,000 on or before July 15, 2029; and
 - US \$2,000,000 on or before July 15, 2030.

Under the agreement, EMSE shall be granted a 1% NSR on the Peñas Negras Project. In the event that the Company does not exercise the option on the EMSE claims, EMSE will retain a 0.5% NSR royalty on the remaining mineral claims making up the Peñas Negras Project.

QUARTERLY FINANCIAL CONDITION

Liquidity
