The Consolidation will take effect on opening of business on April 8, 2024.

The Consolidation will increase Kingfisher's flexibility and competitiveness in the market, and to make the Company's securities more attractive to a wider audience of potential investors.

Computershare will forward to each registered shareholder who has provided the required documents a new share certificate representing the number of post-Consolidation common shares to which the shareholder is entitled. Until surrendered, each share certificate representing pre-Consolidation common shares of Kingfisher will be deemed for all purposes to represent the number of whole post-Consolidation common shares to which the holder is entitled as a result of the Consolidation.
