Forward Looking Statements

This news release includes statements containing certain "forward-looking information" within the meaning of applicable securities law ("forward-looking statements"). Forward-looking statements are frequently characterized by words such as "plan", "continue", "expect", "project", "intend", "believe", "anticipate", "estimate", "may", "will", "potential", "proposed" and other similar words, or statements that certain events or conditions "may" or "will" occur. Forward-looking statements made in this news release include, but are not limited to, statements regarding the timing of the release of the Company's financial statements for fourth quarter and fiscal year ended March 31, 2025 and scheduling of the conference call to discuss results.

These forward-looking statements are only predictions. Forward looking information or statements contained in this news release have been developed based on assumptions management considers to be reasonable. Material factors or assumptions involved in developing forward-looking statements include, without limitation, publicly available information from governmental sources as well as from market research and industry analysis and on assumptions based on data and knowledge of this industry which the Company believes to be reasonable. Forward-looking statements are subject to a variety of risks, uncertainties and other factors that management believes to be relevant and reasonable in the circumstances could cause actual events, results, level of activity, performance, prospects, opportunities or achievements to differ materially from those projected in the forward-looking statements. These risks include, but are not limited to, the timing, magnitude and duration of potential new or increased tariffs imposed on goods imported from Canada into the United States, the ability to retain key personnel, the ability to continue investing in infrastructure to support growth, the ability to obtain financing on acceptable terms, the continued quality of our products, customer experience and retention, the development of third party government and non-government consumer sales channels, management's estimates of consumer demand in Canada and in jurisdictions where the Company exports, expectations of future results and expenses, the risk of successful integration of acquired business and operations (with respect to the Transaction and more generally with respect to future acquisitions), management's estimation that SG&A will grow only in proportion of revenue growth, the ability to expand and maintain distribution capabilities, the impact of competition, the general impact of financial market conditions, the yield from cannabis growing operations, product demand, changes in prices of required commodities, competition, and the possibility for changes in laws, rules, and regulations in the industry, epidemics, pandemics or other public health crises and other risks, uncertainties and factors set out under the heading "Risk Factors" in the Company's annual information from dated June 20, 2024 (the "AIF") and filed with Canadian securities regulators available on the Company's issuer profile on SEDAR+ at www.sedarplus.com and filed with and available on the SEC's website at www.sec.gov. The Company cautions that the list of risks, uncertainties and other factors described in the AIF is not exhaustive and other factors could also adversely affect its results. Readers are urged to consider the risks, uncertainties and assumptions carefully in evaluating the forward-looking statements and are cautioned not to place undue reliance on such information. The Company is under no obligation, and expressly disclaims any intention or obligation, to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as expressly required by applicable securities law.
